MRS. G. A. JONES IN HOSPITAL.

Revival At Capella—Child Breaks An Arm—Voters Displeased With Convention Of Democrats.

King, July 24.—Mrs. G. A. Jones, of this section, was carried to the Martin Hospital in Mount Airy last Friday for treatment. We are sorry to learn that she is seriously ill at this writing.

A protracted meeting is in progress at Capella at this writing, being well attended and much interest shown.

The son of Mr. Luke Spainhour, of Mt. Olive, had the misfortune to break his arm a few days since.

The Sunday schools of this section are preparing programs for the Sunday School convention at King on August 5th.

The Mt. Olive Sunday school will visit the orphanage at Thomasville next Friday.

The wheat crop in this section is some better than expected. The people are about through threshing.

G. W. Smith and others, while threshing wheat last Saturday, ran a pitchfork through the gin, causing things to look dangerous for a little while.

A good many of the people of this section attended the Democratic convention at Danbury Saturday. They report that the convention was not very harmonious and that a lot of hard words were spoken. We hope the hardness will not last very long, but some say it will last for many years. A lot of the people who have stood by their parties for many years say that they are going to vote now as they please regardless of any political issues or candidates. They say they can be led but not driven.

SCRIBBLER

MISTRIAL IN SHELTON CASE.

Jury Brought Here From Surry County Fails To Agree—Men Dismissed Saturday Morning and Civil Court Adjourned.

In the case of Frank Martin, administrator of Walter Martin vs. E. O. Shelton, Sheriff, which was heard at last week's term of Stokes Superior court, the jury failed to agree after deliberating for two days, and a mistrial was ordered in the case by Judge Harding, who dismissed the jury late Saturday afternoon.

The plaintiff in this case was asking for damage in the sum of \$5,000, on account of the death of Walter Martin, who was alleged to have been killed in a pistol battle between the Sheriff and his deputies and the occupants of a car in which Martin was riding, the incident occurring about 2 years since near Walnut Cove, at the time Deputy Sheriff J. H. Matthews was killed.

The jurors who sat on this case brought here from Surry county.

At the time the Reporter went to press last week the above mentioned case was being heard and no other case was taken up before the adjournment of court Saturday afternoon.

TOBACCO MARKET TO OPEN SEPT. 19

Four First Sales Daily and Lots Of Buyers From All The Big Companies At Winston-Salem Warehouses.

Winston-Salem Warehousemen announce elsewhere in this paper that their warehouses will be opened for the sale of leaf tobacco on Tuesday, September 19th, stating that they will have a full corps of buyers from the big companies and that four first sales will be held daily instead of three as formerly. Each company has agreed to furnish four buyers instead of three in order that the four first sales may be conducted daily.

Misses Luna Taylor and Janie Martin returned yesterday from Greensboro, where they attended the summer school at the N. C. College for Women.

CHILD RUN DOWN BY AUTOMOBILE

Little Son Of Mr. and Mrs. Masten Mabe Seriously Hurt Sunday Morning On Danbury-Walnut Cove Road.

Bryan, the 11-year-old son of Mr. and Mrs. Masten Mabe, who reside near Meadows, was seriously injured Sunday morning when an automobile, driven by Riley Turner, of Meadows, passed completely over his body.

When picked up the child was apparently dead, but an examination revealed the fact that he was still living but badly cut and bruised at a number of places on his body and head. Dr. A. G. Jones, of Walnut Cove, was immediately called and he dressed the wounds, several stitches being required to close a cut on the leg. When seen Sunday afternoon the little fellow was unable to move one arm and one leg, while one whole side of his face was black from a terrible bruise. He will likely recover.

At the time of the accident the car was descending the long grade just east of Mr. Mabe's home and the boy was near the foot of the hill trying to get his father's cows into the pasture. Just before the car reached the point where he was one of the cows made an effort to get away and the little fellow ran after her, the car striking him as he crossed the road. He was knocked down and dragged under the car for some distance before it could be stopped, the distance being about thirty feet.

A gentleman, commenting on the accident Sunday, said that every driver of an automobile should always be prepared to stop immediately when passing children near the road, as they often thoughtlessly run into the road in front of a passing car.

Accidents of this kind, he said, make us a little more careful for a short time perhaps, but some innocent child has to give its life or be crippled perhaps for life to teach us to be more careful.

STOKES HAS 1436 AUTOMOBILES

One Car For Every Fourteen People In County—Only 20 Counties Have More Cars In Proportion To Population.

According to the report of the Secretary of State at Raleigh, on March 22, 1922, Stokes county had 1436 automobiles, or one car for every fourteen people in the county. There are, of course, considerably more cars in the county now than when this report was made in March last. Only twenty counties in the State have more cars in proportion to population than we have, while 79 counties have less. As far as automobiles are concerned our county seems to be keeping up with the procession pretty well. Guilford county leads in the number of cars in proportion to population, having 8,514, or one for every nine inhabitants of the county. Yancey foots the list with only 40 automobiles or one for every 377 inhabitants.

Covington, a former resident of Danbury and this county, who had been living in Forsyth for a few years, passed away Saturday in a Winston-Salem hospital, where he had been undergoing treatment. DEMOCRATS NAMED TICKET SATURDAY

Resolution To Endorse Turpin, Independent Candidate For Sheriff, Defeated—Largest Crowd Ever Seen Here At Any Convention—Address By Hon. J. F. Spruill.

The above ticket was nominated at the convention of the Democrats here Saturday, which was attended by the largest crowd ever seen at a political convention in Danbury.

A resolution endorsing Hamp Turpin, the Independent candidate for Sheriff, was defeated by a vote of 21 to 28, the vote being based on one delegate for every 50 votes cast for Governor in the last election.

Bitter speeches were made by a number of opponents of the resolution from Yadkin and Meadows townships, who were reported to be incensed at Turpin over the building of a certain road near Capella, involving Turpin, who was formerly one of the road commissioners of Yadkin township.

R. B. Tuttle, of Capella, was nominated for county chairman of the executive committee by E. W. Carroll, and was unanimously elected without opposition. A rising vote of thanks was tendered E. O. Creakman, the retiring chairman, for past faithful service, and also to Dr. J. L. Hanes, for his patient and able handling of the crowd as chairman of the convention.

A feature of the convention was the large number of women present, a hundred or more, among whom were many of the most prominent and cultured ladies of the county.

Hon. J. F. Spruill, of Lexington, candidate for Solicitor, was present and delivered a very able address of some forty minutes duration.
