STOKES HIGHWAY COMMISSION TO BUILD MORE ROADS

Five Projects Ordered Surveyed and Built As Fast As Funds Become Available--Tractors Taken Off Maintenance Work and Put On Construction--Other Orders Made.

At the recent meeting of the Stokes Highway Commission here it was ordered that surveys be made and estimates of the cost of construction be prepared for each of the following named roads, and that they be built, in the order mentioned below, as fast as funds for their construction become available:

1. Clemmons' Ford bridge to Buck Island bridge, in Peter's Creek township.
2. Dry Springs road, in Yadkin township.
3. Oak Ridge church to Drew Priddy's, in Snow Creek and Danbury townships.
4. Hartman's store east to connect with Dillard - Sandy Ridge road, in Danbury and Beaver Island townships.
5. Campbell postoffice west to connect with State highway near Francisco, in Peter's Creek and Big Creek townships.

Another important order of the highway commission made at last meeting was that all tractors, which have heretofore been engaged in maintenance work, be put on construction work for thirty days, and that they be assigned to the following roads during that period:

Two Best tractors on road from Holland's lumber yard near Meadows to Fulcher's ford bridge.

Two Best tractors on road from Oak Ridge to Lackey's store.

One Holt tractor on road from Clemmons' ford bridge to Buck Island bridge.

One Monarch tractor to remain on Lynchburg road.

An order was made by the highway commission that the road from Lackey's store to Oak Ridge church be soiled by contractor Jess Bennett at the price of 35 cents per yard.

Road from J. A. Wall's to Vade Mecum M. E. church was declared a public road, but route is not to be changed from old road bed. Runners were ordered placed on the Clemmons' ford river bridge.

Calendar For Civil Term Stokes Court

The calendar for the summer term of Stokes Superior court has been prepared and will appear in next issue of this paper. This term of court is for the trial of criminal cases only and will continue for one week. The trial docket contains 19 cases, while there are forty cases on the motion docket. The calendar is more lengthy than usual.

MANY PEOPLE AT BIRTHDAY DINNER

Three Hundred Friends Of C. C. Boyles Take Part—Mrs. F. L. Fowler To Undergo Serious Operation—King News.

King Route 2, June 10.—Mrs. F. L. Fowler was carried to Martin's hospital in Mt. Airy the past week where she will undergo a very serious operation, it is learned. However, her physicians think she will soon recover, while her many friends hope to have her back home sound and well before many days.

The many friends of Mr. C. C. Boyles tendered him a surprise birthday dinner last Sunday, more than 300 people being in attendance. The table on which the many good things to eat were served was more than 100 feet long. Mr. Boyles was more than pleased to see so many of his good friends from the different communities present. In appreciation of the nice dinner given him Mr. Boyles ordered several gallons of ice cream for desert. Each and every one seemed to thoroughly enjoy the occasion.

Farmers of the King section are about through planting tobacco. The people have a large crop of the weed in this community.

Messrs Harry Davis and Albert Gwyn, of Winston-Salem, were visitors in this section in the interest of the Piedmont Warehouse. They state that a large crop of tobacco has been planted and that it is in good condition.

R. K. Long and his partner, Bill King, want a shower as the creeks are getting too clear and fish are not biting.

Automobiles To Be Sold Here Soon

Five automobiles, four Fords and one Buick, are advertised to be sold at Danbury right soon, all of them having been seized by officers while in the act of hauling whiskey. A Buick and one Ford, seized by Federal agents, will be sold next Saturday, June 16th, one Ford, also captured by Federal agents, will be sold on June 27th, one Ford captured by Sheriff Dunlap and others will be sold July 2nd, and one Ford captured by Federal Agents will be sold July 7th.

Mr. and Mrs. J. Spot Taylor, Miss Luna Taylor and Mr. Shelley Beard visited Pine Hurst and Southern Pines the past week.

STOKES PRISONER MAKES HIS ESCAPE

William Johnson Feigns Illness and Takes Advantage Of Being Left Unguarded—His Wife Evades Arrest.

William Johnson, a young white man serving a term of four months on the roads in Stokes for hauling whiskey, made his escape here Friday and has not been heard of since. Last week Johnson appeared to be sick with something like appendicitis. He was taken to a Winston-Salem hospital on Thursday and an examination showed that he did not have appendicitis. He was brought back to the jail but was not locked up as he continued to appear sick, and on Friday he walked off, going in the direction of his home near Philpot, Va.

Johnson's wife has been spending some time here visiting him since he has been on the road and last week a warrant was issued for her on the charge of stealing clothing from the family of Sheriff J. F. Dunlap. She left here a few days since for the home of her sister in Rockingham county and Sheriff Dunlap and Robert Taylor, in company with a Deputy Sheriff of Rockingham county, went after her Saturday. While the Rockingham Deputy was in the house, waiting for the woman to change her clothing, she disappeared through the back door and has not been heard of since.

Mr. Wiley Johnson, who underwent an operation in a Richmond, Va., hospital last week for tumor on the brain, is paralyzed and in a serious condition. His recovery is regarded as doubtful.

GOOD NEWS FROM REV. R. W. GEORGE

He Has Information That Contract Will Be Let June 27th For Construction Of Danbury-Westfield Highway.

The Reporter is in receipt of a letter today from Rev. R. W. George, of Francisco, in which he states that he has definite information that the State Highway Commission will let the contract on June 27 for the construction of the last lap of the Danbury-Westfield highway. This will be welcome news to the people of the county who have been waiting patiently for many months for this important highway.

It is Mr. George's opinion that the J. F. Mulligan Co. will get the contract for the building of the road mentioned above. This company has built the road from Mt. Airy down to Clemmons' ford and their work has been highly satisfactory to the State as well as the people along the road, and it is hoped by Mr. George and the people of the Francisco section that they will be the successful bidders on this last lap of the road from Clemmons ford to Danbury.

FARMERS CANNOT EVADE CONTRACTS

In Halifax County Alone Thirteen Cases Have Resulted Favorably For the Co-operators.

Raleigh, June 6.—That members of the Tobacco Growers' Co-operative Association cannot evade their obligations by hiding behind the skirts of their wives in Virginia was made clear at Halifax courthouse, where a member who raised tobacco on land belonging to his wife, who was a non-member, was required to pay liquidated damages for three-fourths of the tobacco that he raised as his wife's tenant, at the rate of five cents a pound, with court costs and attorney's fees.

The three cases which came up in the Halifax county court resulted in a sweeping victory for the tobacco co-operatives as two other defendants agreed to all the terms of the suits brought against them rather than try their cases in court.

These cases were added to a long list of legal victories for the association in Virginia, where 29 suits filed in that state have now been settled with defendants upon the terms of the association. In Halifax county alone, thirteen out of thirteen suits have resulted favorably for the co-operatives.

Mayor P. H. Linville, of Walnut Cove, was a visitor here yesterday. Mr. Linville stated that the surveys for Walnut Cove's power plant and water and sewer systems have about been completed and that contracts for the work would likely be let before very long.

TO CONDUCT CLINIC AT DANBURY

State Board of Health Will Have Charge July 3, 4, 5 and 6—Applications Should Be Mailed To Nurse At Once.

A clinic will be held at Danbury, under the direction of the State Board of Health, beginning Tuesday, July 3, and continuing until July 6th.

Miss Geneva Sykes, State school nurse, will arrive here several days before the opening of the clinic, and all applications for treatment or operation should be filled out completely and delivered to her at Danbury.

A qualified specialist, invited by the county Board of Health, will be with the State specialists to conduct the examinations, and children needing operations for tonsils and adenoids will be operated upon. This applies only to children between the ages of six and 12 years inclusive.

To bear the expense of the clinic, a nominal fee of \$12.50 will be charged, which pays for the operation, etc. An emergency hospital will be equipped and nurses will have charge of the children day and night. In addition to the operator a full-time graduate physician will be in attendance to give a careful physical examination of the heart, kidneys and lungs and to have charge of the anaesthetics.

During the last several years over six thousand children have been operated upon in these tonsil and adenoid clinics conducted by the State Board of Health in North Carolina. Already over eight hundred have been treated this year. In practically every county more children have applied than could be cared for.
