CLINIC FOR SCHOOL CHILDREN

Being Held This Week In the Court House—100 Children Will Likely Be Treated During the Four Days.

The tonsil and adenoid clinic, which is being held here under the direction of the State Board of Health for the benefit of the school children of Stokes, opened Tuesday morning. The clinic will continue for four days. The court house is being used for the work and a fully equipped emergency hospital with 25 beds has been fitted up. Twenty-five children are being operated upon daily and it is likely that a full hundred will be treated before the closing.

Miss Geneva Sykes, State school nurse, is in charge of the clinic and eight other registered nurses are assisting her. Dr. Beverly N. Jones, throat specialist of Winston-Salem, is operating and Dr. Campbell, of the State Board of Health, is making the examinations and administering the anaesthetic.

Only children between the ages of 6 and 12 years are accepted. A charge of \$12.50 is made except in cases where the parents are not financially able to pay the fee.

Brother Of Governor Kitchin Buried

Scotland Neck, July 2.—Funeral services were held here Friday afternoon for A. Paul Kitchin brother of the late Claude Kitchin and of W. W. Kitchin, former governor of North Carolina. The procession left the late residence of the deceased at 5:30 o'clock and interment was made in the family plot in the Baptist cemetery, near the spot where Claude Kitchin was buried a month ago. Rev. Reuben Meredith, of the Episcopal church, and Dr. Charles Anderson, of the Baptist church, were in charge of the services. A short and appropriate address was made by Dr. Anderson. There were numerous beautiful floral offerings.

Governor Morrison To Meet Gov. Tennessee

Asheville, July 3.—An automobile party with city, county and state highway representatives will leave here early Friday to meet Governor Austin Peay, of Tennessee, and escort him to Asheville. Governor Peay, accompanied by members of the Tennessee highway commission, will hold conference here with Governor Morrison and the North Carolina highway commission, relative to pushing completion of the Asheville-Knoxville route and discussing other highway questions. Governor Peay, motoring from Knoxville, will be met by the local party at Marshall or Hot Springs.

J. R. Forest, member of the Board of Education, was here today from Francisco.

STOKES LOSES OUT ONCE MORE

Bid On Proposed Highway Between Danbury and Clemmons' Ford Is Rejected By State Highway Commission.

Raleigh, July 3.—Seventeen road projects have been let to contract for construction, it was announced today by the State Highway Commission from the office here. This letting was from bids received here on last week when the commission had bids on 30 projects, 13 of them being turned down or rejected.

A list of the projects let shows that the bid on the road from Danbury to Clemmons' ford bridge was rejected. No information has been given out as to whether the commission will ask for new bids or not.

It is learned here that the bid of over \$240,000 on the Danbury-Clemmons' ford road was considered very excessive for less than nine miles of soil road. This bid, however, included several concrete bridges. It is stated that the specifications on the road call for the removal of 87,000 cubic yards of stone.

The only bid accepted on roads in this district was for a highway up in Alleghany county.

MAILING OUT THE AUTO TAGS

On Saturday Last Secretary Of State Had Issued 113,000 Licenses and Collected More Than Two Million Dollars

Raleigh, July 2.—Two million dollars had been received up through the first of July from automobile licenses, Secretary of State W. N. Everett announced this morning. This, he added, is nearly twice as much as was paid in last year. To date more than 113,000 licenses have been issued.

Mr. Everett stated that the license office is heavily taxed by the great volume and that the state inspectors have been called in and through the presses of the state he desired to make an informal request upon sheriffs and other peace officers of the state that they not enforce the provisions of the license law for the next ten or 15 days, in order that the automobile licensing department may have an opportunity to issue licenses to all who have applied.

Germanton News Items

Germanton, July 2.—Miss Irene Smith, Miss Blanch Smith and Miss Verlie Young were the guests of Miss Etta Boles Sunday.

Miss Lillian Smith and Miss Hattie Chapman, of Germanton, were the guests of Mr. and Mrs. J. W. Huff Saturday and Sunday at Summerfield.

TAX RATE FIXED FOR ROADS

Stokes Highway Commission Recommends 36 Cents For Maintenance and 30 Cents To Pay Interest On Bonds.

The Stokes Highway Commission at its meeting here on Monday recommended to the Board of County Commissioners that they levy for this year a tax of thirty cents on the hundred dollars for maintenance of roads in the county and thirty cents to pay interest on road bonds.

The highway commission was in session on Monday and until noon on Tuesday, almost the entire day being taken up Monday with the trial of the case of Rhodes vs. Shelton, in which the plaintiff was seeking to have a cart-way laid out over the lands of the defendant in Peter's Creek township. The Board appointed five free holders to locate the route of the cartway and assess the damage. The defendant appealed from the decision of the Board to the Superior court. Several lawyers appeared in the case and it was strongly contested, almost a court room full of witnesses and spectators being in attendance all day Monday.

The old steel bridge at Dalton was ordered torn down by R. R. King. This bridge was replaced last year by a concrete bridge on the State highway near the old bridge. A part of the old bridge will be used to construct a bridge across Dan river at R. T. Joyce's roller mill near Asbury. The remainder of the old bridge will be placed across the creek at Edwards' ford in Yadkin township.

Other than paying some bills the above constituted the business transacted by the highway commission at its meeting here this week.

Violating the State's New Stop Law

Durham, July 3.—More than 25 persons were arrested in Durham county on the first day of the new state law requiring all automobiles to come to a full stop before crossing the railroad tracks. Arrests were made at several of the crossings but most dangerous ones. One officer made 20 arrests alone while others stationed at less frequented stops had smaller results. Durham county officers are determined that the law shall be obeyed in its strictest sense and every person caught violating it by not coming to a full stop before crossing railroad tracks will be brought into court. Durham has a number of dangerous crossings, numerous accidents have occurred and numbers of people killed and injured in past years and the law is hailed here as being a life saver if the people live up to the letter of the law.
