Ever noticed the cars you meet in out-of-the-way places, approached by narrow, twisting trails, or rough country roads? They are Fords—nearly every one.

To the Ford car no going is too hard. Every road is open to it—by-ways and highways alike. It is so light it rarely ever "mires in", so powerful that it can pull through where heavy cars must balk.

Take your Ford this summer and explore. There are delights awaiting you away from the beaten path that few know. Leave the crowds and the highways behind you. It costs but little—and it will be a vacation you will never forget.
