Mr. Wm. G. Martin, in his 92nd year, departed this life at the home of his son, Charley Martin, near Dodson, Patrick county, Va., Saturday, March 11th at 11 o'clock P. M., and was buried Sunday afternoon at the Cox Cemetery, in the community in which he had spent most of his life. He was a son of Wm. Moses Martin, who lived in the same community. Mr. Martin was married three times, and by his first wife he raised five sons, all of whom survive to mourn their loss. He served as a Confederate soldier practically all through the war between the states, and drew a pension for several years. He united with the Primitive Baptist Church several years ago and was a consistent member of that church of Stuart at the time of his death. Some years ago he had a nice casket made at Woolwine, and had it shipped to Roanoke where he was living at that time, and he bought his burial clothes and put them in it. When he moved back to Patrick he had them shipped back, where they waited for him at his son's home when the end came. He was the last member of the Wm. Moses Martin family, but he leaves his five sons, Weefe, Peter, Dick, Alex and Charley Martin, and a host of relatives and friends to mourn his departure.—Written by his pastor, S. A. Thompson, in Stuart Enterprise.

Well or Sick?

When people are sick and suffering the one thing they want most of all is to get well. They are not so much concerned about the Doctor or Method employed, what they are interested in is the easiest way, the quickest way and the least costly way to regain Health.

The next important thing for them to consider is to get Permanent Results, not just Temporary Relief.

For every Effect there must be a Cause and for every Cause there must be an Effect. If you are sick or failing in health there must be a cause for your trouble.

I do not give Drugs or Dope. I do not scare any patient in to having his or her Organs cut out to ease the pain (this is the effect). What I do is to find the Cause of your trouble and correct it, then the patient gets well.

My office is equipped with a NEUROCALOMETER an instrument that will pick out the cause of your trouble, regardless of what or where it is.

MY GUARANTEE

I am plain with every patient that comes to me and if I cannot find the Cause of your trouble or can not do your case any good, I will tell you so. If I accept your case and you should not get results, I will refund every cent of your money and it costs you nothing.

A Personal Testimony

How the Security Life & Trust Co. has benefitted one Iredell County man and his family!

I was taken sick two years ago. Was taken to the Davis Hospital at Statesville, N. C. Examination proved that I had appendicitis, some gall bladder trouble and a very badly ruptured heart. My condition would not permit of an operation and I knew when I returned home, that I would never get better. "I thank God that I had a three thousand dollar Life Insurance Policy with sick benefit with the Security Life & Trust Company, of Winston-Salem, N. C. As a result, I've been receiving promptly \$30.00 each month from these good people, and I don't know how I would have gotten along without it. "Friends and neighbors, if you haven't any Life Insurance, or apply to the home office in Winston-Salem for a policy at once. Take all you can carry, and more. Borrow the money and pay for it. That's what I did. Every young man, and old too, should have fifty thousand dollars worth of life insurance, and I consider that of all companies doing business, the Security Life & Trust Company the best to do business with. C. L. NEILSON, Troutmans, N. C. Signed,
