ELECT CHAIRMAN NEXT SATURDAY

DEMOCRATIC EXECUTIVE COMMITTEE WILL GATHER AT DANBURY, ARRANGING DETAILS FOR THE CAMPAIGN NOW OPENING — LEADER AND STANDARD BEARER WILL BE NAMED—NUMBER OF PROMINENT DEMOCRATS MENTIONED FOR THE POSITION.

Pursuant to instructions by the late Democratic convention, the Democratic executive committee of the county will assemble here next Saturday, July 14, for the purpose of naming a chairman of the executive committee.

The chairman is the leader and standard bearer for the party, and is elected biennially by a majority of the 21 members of the executive committee.

The last meeting of the executive committee held here June 11 simultaneously with the deliberations of the county convention, failed to elect a chairman owing to lack of a quorum.

At this meeting it was found that 7 precincts embracing Mitchell's, West Sandy Ridge, Lawsonville, Frans, Brown Mountain, Flinty Knoll and Freeman had not duly elected their representatives on the committee, and therefore the election of a chairman could not legally be effected.

At next Saturday's meeting it is presumed that all precincts will be represented with duly accredited members, and that the election of a chairman will proceed without a hitch.

It is understood that there are quite a number of Democrats who will be pushed by their friends for the chairmanship, among them the following: James H. Baker, W. S. Hart, P. O. Fry, R. J. Scott, Dr. J. L. Hanes, Miss Laura Ellington, and the present chairman, S. P. Christian.

While the chairmanship pays no salary, yet it is a position of dignity, importance and influence within the party, and election to the place is considered a distinguished honor.

At the meeting of the committee, when the organization is completed by the election of a chairman and secretary, matters of urgency touching the campaign, now opening, will be considered.

Death of S. A. Thompson.

S. A. Thompson, prominent citizen of Patrick county, Va., and well known attorney of Stuart, died last week. Mr. Thompson was an elder of the Primitive Baptist church, and enjoyed a large friendship in Stokes county.

Warren county farmers are growing feed and food crops on the acreage rented to the government and the county agent says he expects to see a supply sufficiently for the winter produced.

J. W. ALLEY, JR., JUMPS OUT WINDOW

HE WAS FAST ASLEEP AND SEVERELY HURT — N. E. PRESTON IMPROVING — DEATH OF MRS. CLARENCE COX — JOHN L. CHRISTIAN INJURED BY MILK COW — KING AND YADKIN TOWNSHIP NEWS.

King, July 11.—Rev. Franklin Bennett, of Indiana, preached at the King Christian church Sunday morning at 11 o'clock.

Mrs. Eck Ring and children, Bettie and Billy, and Miss Nell Smith, have returned to their home in High Point after paying a visit to Mr. and Mrs. C. V. Kiser.

J. M. Alley, Jr., arose in his sleep and jumped out of a second story window at the home of his father in Walnut Hills Saturday night. He sustained a dislocated wrist and severe bruises.

Albert Petree and daughter, Miss Ruth, of Cincinnati, Ohio are spending some time here and at Pinnacle where they are the guests of relatives.

Bert Delp has returned to his home in Sparta after spending a few days with his brother, R. B. Delp, on Pine street.

Miss Edith Hauser has entered training in the Guilford General Hospital at High Point.

Rady Bennett has returned from Mullins, S. C., where he spent several days with friends.

There is decided improvement in the condition of N. E. Preston, who has been right sick at his home here for several days.

Wheat threshing is on in this section and the grain is turning out well.

Unknown and unwelcome visitors carried off a large middling of meat from the smokehouse of Garfield Doss, who resides one mile south of town, one night last week.

Mr. and Mrs. Bud Boyles, of Morgantown, W. Va., are visiting relatives here and at Winston-Salem.

Mrs. Clarence Cox, aged 40, died at their home near Capella Friday. The deceased is survived by the husband and ten children. The funeral service was conducted at Mount Olive church Saturday afternoon at 2 o'clock and burial followed in the church cemetery.

Mr. and Mrs. Wiley Sizemore, of Winston-Salem, were week-end visitors to relatives here.

John L. Christian, who resides at Pinnacle, was milking his cow Sunday morning when the animal became frightened, knocking Mr. Christian down and stepping on his body, breaking three ribs. Dr. G. E. Stone attended him.

Wilson Brown, of Winston-Salem, spent Sunday with his parents, Mr. and Mrs. H. H. Brown, here.

The King Tigers defeated Stokesdale at Pinnacle Saturday. The game, which was hard fought from the start, was very interesting and exciting, resulting in a score of 7 and 6.

TOBACCO CROP LOOKS PROMISING

FARMERS ARE EXPECTING HIGH PRICES THIS FALL, AND WILL ENDEAVOR TO GROW AN UNUSUALLY GOOD CROP—ACREAGE MATERIALLY OUT — CORN IS EXCELLENT.

A Winston-Salem warehouseman, noted for his optimism, told some Stokes farmers recently that the 1934 crop would be the "highest since the World War."

Farmers generally are expecting good prices this fall, and are therefore endeavoring to produce an unusually bright and early crop—and this means a good crop.

At the present time the tobacco crop is looking fine in nearly every section of the county. The late rains have made it grow rapidly, and though many farmers found themselves seriously in the grass during June, that danger was soon overcome by strenuous work. Now the fields are clean, and the prospects are very promising for early priming and a full-sized, colorful product.

Owing to the government restrictions, of course the acreage will be materially smaller, but this being the case in all sections of the tobacco belt, the growers realize the situation inures to their benefit. There may be a third less pounds, but all hope for more money for what they do produce.

The corn crop, with a greatly increased acreage, is excellent in all sections.

That corn planted on land where lespedeza was grown last year has made best growth in Caswell county so far this season.

Larston Hauser, son of Mr. and Mrs. Henry Hauser, fell from a motorcycle here Sunday morning sustaining a severe laceration on his leg and minor bruises about the body.

The following births were registered here last week: To Mr. and Mrs. L. E. Bennett, a son; to Mr. and Mrs. Eugene Duggins, a son; to Mr. and Mrs. Otis Edwards, a daughter; and to Mr. and Mrs. Clifton Jones, a son.

The following parties have returned from Carolina Beach where they spent several days. They report a very pleasant trip. Those making the trip were: Mr. and Mrs. Riley Boles, Aaron and Viciella Boles, Mr. and Mrs. C. R. Rutledge, Mr. and Mrs. Gilbert James, Fred Tuttle, Grady Stewart, Ethel, Nara and James Eoles, Myrtle, Howard and Jimmy Wolf, Agnes and Ellis Slate and Nira Baker.

Debs Holder, who holds a position at Kernersville, spent Sunday with his family here.

There is a fine prospect for a good crop of tobacco in this section.

Ashby White, who holds a position at Fort Bragg, spent Sunday with his family here.

SAURA CITY DRAMATIC CLUB

"HAPPY VALLEY" PRESENTED AT THE COMMUNITY HOUSE SATURDAY NIGHT, AND IT WAS A HOWLING SUCCESS — A SPLENDID AMATEUR PRODUCTION.

Saura City, July 10.

The Dramatic Club of Saura City (Ross' Store Section) presented "Happy Valley" at the Community House Saturday night, July 7th. This play was sponsored by the young men's S. S. class of Palmyra M. E. church.

I confess I was most agreeably surprised at the amount of splendid dramatic ability shown by these players. To see Drexel Flynt as "Jim Camp," and Helen Mullican as "Aunt Malinda" was worth twice the price of admission. Gloster Jones played most admirably the part of the young bachelor lover, "Harry Steele." "Polly Camp," the girl who made a mistake, was well interpreted by Frances Ross Mullican. Erleene Greene, played the part of the prodigal sister, Rose Steele, very well indeed.

Max Flynt was splendid as "Pete" the Eastside New York boy, and Charlotte Meadows as "Sara," the hired girl, was a knockout. "Charlie Burt" played by Sam Lewis, brought down the house when he tried to ask for his girl.

Visitors in Saura City said they had never seen a better amateur production. We are proud of our boys and girls and—well anyway Saura City does things.

BUCK ISLAND ROAD COMPLETED

COUNTY SEATS OF STOKES AND PATRICK, VA., NOW CONNECTED BY HARD SURFACE TURNPIKE—TALK OF GOOD WILL CELEBRATION BETWEEN TWO POINTS.

The hardsurface highway link from Buck Island bridge to the State line, near McHone's garage, was completed last week, and the contractors have moved their machinery away.

Danbury, the county seat of Stokes, and Stuart, Va., the county seat of Patrick, are now directly connected by a fine turnpike, and the distance of 22 miles may be negotiated in some minutes—whatever speed you want to make it, you know.

There is considerable talk of a big celebration to be arranged soon at some point between Danbury and Stuart, at which a big barbecue, bands of music, speakers of note and other features will be incidents, in honor of the finish of this convenient thoroughfare.

The proverbial good will, trade and traffic and general intercourse between these two sections of North Carolina and Virginia would then be enhanced and perpetuated.

The place of celebration may be at Danbury, Lawsonville, the State line or at Stuart.

Tip to Inventors.

Instruments that will throw the voice of a speaker a mile have been invented. Now we only want one that will throw the speaker the same distance.—Punch.

SURVEYING STOKES TOBACCO FIELDS

THIS WORK TO START SOON—COMMITTEEMEN AND SUPERVISORS ARE APPOINTED—LAND OWNERS URGED TO CO-OPERATE — KIRBY HAS MORE CHECKS FOR FARMERS READY.

The survey of the tobacco fields and rented acres and gathering the necessary information to show that local farms are eligible for certification under the acreage reduction contracts will start in Stokes as soon as the equipment for this work arrives. The Committeemen and Supervisors to make the survey and to get the information were appointed and given their instructions last week.

The equipment with which to do work is expected this week. Just how long it will take to complete the work is a matter of conjecture but those in charge hope to receive the active co-operation of the growers and to complete the job as quickly and with as little expense as practicable. Certainly, it is hoped that it can be completed before curing starts.

The County Committee, charge of compliance work, urges land owners to assist the committeemen and supervisors with this program. Where the land owner is unable to be present to give the necessary information and assistance required for certification of his farm or farms he should have some one representing him on the job for this purpose. No farm can be either surveyed or certified until either the owner or his representative furnishes this co-operation. In some instances the owner may be unable to assist with this work when the supervisor comes to his place. In such an instance he should advise the supervisor as to when he can assist him. Only one supervisor or committeemen will visit each farm and it is assumed that the owner or his representative will furnish all of the necessary assistance.

It is to the interest of the farmer to have his farm certified. Where a farm is certified as meeting the compliance requirements, the grower and his tenants will sell tobacco tax free and will receive the equalizing payments provided under the contract.

Grower Has Right to Appeal.

The grower has the right to appeal from the report of the supervisor and to ask that the supervisor's figures be rechecked where he feels that it will be to his interest to do so. He is instructed not to plow up or destroy any tobacco until notified to do so by the County Committee even though the supervisor's report may indicate that he has more acres than is allotted under his contract.

Soon to Distribute Marketing Cards.

Stokes tobacco growers are asked to say how many marketing cards they desire with which
