AVOID COLDS
VICKS VA-TRO-NOL*

Quick!—At that first nasal irritation, snifle or sneeze—just a few drops of Va-tro-nol. It stimulates the functions provided by Nature—in the nose—to prevent colds and to throw off colds in their early stages.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh) Va-tro-nol penetrates deep into the nasal passages—reduces swollen membranes—clears away clogging mucus—brings comforting relief.

Va-tro-nol is powerful, yet absolutely safe—for both children and adults. It has been

Soothing the Lyon

BEN LYON

WHEN Ben Lyon, of Hollywood, wakes up of a morning feeling somewhat less than 85 per cent perfect, something must be done about it right away, for a movie star with a salary cannot afford to be grumpy. Doesn't look well in the movies. So Mrs. Ben Lyon, who is well known as Bebe Daniels, does something about it. She puts Mr. Lyon in close proximity to a cup of coffee almost immediately, and that makes the difference. On a recent vaudeville tour Mrs. Lyon went along just to make sure that her popular husband would not appear with a yellow tie, and a hole in one sock, and no coffee right quick in the morning.
