

Westfield News

Cecil Walker, aged 8 years, 10 months, the son of Mr. and Mrs. Roy Walker, of Westfield, passed Monday morning, Sept. 27. He was ill a short time. An angel visited into the home of Mr. and Mrs. Roy Walker and took their beloved child Cecil, who was such a good, humble child to all of his little friends. He was loved by every one that knew him. He was a good child in school, his teachers learned to love him. He

carried his sweet smile to school and would greet the teachers and everyone with a smile. His vacancy will never be filled in his home nor at school. We know that he has gone to his everlasting home that is so bright and fair, where pain nor death can enter there. His funeral was held at the home of his parents, and conducted by Rev. O. H. Hauser of Westfield. Surviving are his parents and one brother Gilmer Walker, all of Westfield. Also his grand parents, Mr. and Mrs. C. G. Neal of Westfield and a host of relatives and friends to mourn his loss. The pall bearers were Messrs. Sam and Robah Cook, Aubrey Arrington, and Lester Walker. The flower girls were of the community.

DANBURY WINS STOKES CHAMP.

MEADOWS DEFEATED SATURDAY EVENING IN FINAL GAME OF THE LITTLE WORLD SERIES — HARD FOUGHT BY BOTH SIDES.

Danbury defeated Meadows here Saturday afternoon by the score of nine to four, making it three and one in a three out of a five game series to win championship of the Stokes county League for the year 1937, the first year of its operation.

Meadows won the first game only to have Danbury take three straights. Saturday's game was hard fought, Meadows doing everything possible to stay in the series but the hitters of the winners was too great, collecting 11 hits to the losers 7. This game was full of thrills for the fans flashly fielding and hard hitting. Wall, of the Danbury team, stood out as the fielding star of the game, robbing Meadows hitters of two hits. He came in from left field to take a line drive back of short stop to rob a Meadows hitter o a hit and again while playing second base he went back of second to make a back handed catch to rob another hitter of what looked like a sure hit. I. Dunlap also came through with a fielding gem when he went over near the foul line in right field to spear a line drive which looked like a sure two-bagger. Crick Barr went back in the corner of center field to pull down one hit by Big Dunlap in the ninth to rob him of what looked like a two-base knock.

Big Boy Shelton again led the winners at bat, collecting a single and a home run during the game, making it No. 6 for the series.

Mendenhall led the losers at bat, collecting a single and a home run for the afternoon.

Norman White held the hard hitting Meadows team to seven scattered hits, only one run was earned off his delivery. He was invincible with men on the bases.

In the "nifty nipeties," most United States senators wore Prince Alberts. The frock coat was a symbol of statesmanship and a beard was the mark of a man of maturity and substance.
