Danbury, N. C., August 18, 1938:

## For Gordon Gray

At the convention of the Young Democratic clubs of North Carolina to be held at Durham September 8-10, Stokes county doubtless will and should send a representative delegation. As new State officers are to be elected, it is a foregone conclusion that Gordon Gray of Winston-Salem will be the 100-per cent. choice of the Stokes representatives for President of the State association of Young Democrats.

Liberal education, cultured, gifted with a fine personality, bearing the FDR brand of Democracy, and a cordial friend of Stokes county, Mr. Gordon is peculiarly fitted for the distinguished honor.

## Build a Road To Hanging Rock Park

It is learned that a strong effort will be made to induce the State highway authorities to build a good road from No. 89, connecting with No. 66, via the Hanging Rock park development. District Commissioner Hackett should be given a cordial invitation to come here and visit the beautiful park development, and see what a crying pity it is that no improved road has yet been constructed through such a charming region.

While the connection with No. 66 would give easy and quick access from the west, affording a tremendous advantage to citizens of the county.

## Danbury Wins Thriller

Danbury defeated Forsyth Motors baseball team here Sunday afternoon at Riverside Park in a thrilling ball game by the score of 4 to 3 in 11 innings. Stewart on the mound for the losers pitched good baseball all afternoon allowing only 7 hits, while Cromer and White did nice work on the mound for the winners. The highlights of the game was the fielding of Cromer in center field robbing Forsyth hitters of hits 3 different times. Danbury going in the last half of the ninth inning, trailing by the score of 3 to 2. Big Dunlap went in as a pinch-hitter delivering a two-bagger, later scoring on an error and a fielder's choice to tie the score. Eddie White held the Winston team in the tenth and eleventh. In the last half of the eleventh Sisk, first man up, popped to first for the first out, B. Wall, next up, singled and stole next up singled through short to break up the ball game.

## When you drink Beer in a tavern... choose your tavern

WHEN YOU restrict your patronage to legal, respectable retail outlets, you not only encourage those better outlets but you've made a start toward driving out the bad spots in your community.

And that is exactly the aim of the great body of honest retailers of beer who, along with the brewers, recognize that Beer's only problem is to remove the anti-social

conditions that sometimes surround its sale.

Existing laws can curb these evils. Help us by demanding their strict enforcement! Sales to minors, or after legal hours...or use of a beer license as a screen, for selling illicit liquor or for operating an illicit resort... all these are violations of the law and should be stopped. Public opinion, once aroused, can see that such practices are stopped!
