Union Republican Says Tobacco Is Selling High

The following is taken from the Winston-Salem Union Republican: "Prices on the Winston-Salem Tobacco Market continue to rule high and the growers in most instances are well pleased with their sales.

"The market for the week ending Friday, Oct. 14, operated almost to capacity during the week. Many of the lots brought as high as \$52 per hundred.

"Incomplete reports indicate that the week's total was around 5,250,000 pounds at an average of slightly over \$25 per hundred. This will swell the season's total to well over 16,000,000 pounds.

"From Raleigh the crop reporting system stated that prices remained steady all the week on the North Carolina markets.

"A slight increase in averages for most grades was shown on the middle belt, where offerings were composed principally of common to fair leaf, and fair to fine lugs.

"Averages were almost unchanged on the new and old brights. Offerings on the former were mostly low to good leaf and fair to fine lugs; on the latter, common to fair leaf and fair to fine lugs predominated.

"The week's average on the bright belt was \$23.26 a hundred pounds, compared with a season average of \$23.32."

STOKES DEMOCRATS TO STAGE BIG RALLY AND BARBECUE NEXT FRIDAY, NOVEMBER 4 AT DANBURY—BRASS BAND AND PARADE—LARGE CROWD EXPECTED

The Stokes county Democrats are making preparations for a big rally on Friday, November 4, which is just 3 days before the election on November 8.

Senator Robert R. Reynolds and Hon. A. D. Folger will speak at the court house, beginning at 1 p. m.

The American Legion brass band of Winston-Salem will dispense music.

After the speaking a parade will be formed, and the crowd will repair to the barbecue, where hundreds of pounds of meats, chicken, and other palatable eats will be served to the throng by a score of young ladies from every section of the county.

The place for the barbecue will be at the Paul Taylor club house and grounds one mile west of Danbury.

It is planned to have several speakers of State-wide reputation, including perhaps Gov. Hbey, Congressman Robert L. Doughton.

There will be a barbecue, while efforts are being made to have the American Legion brass band present to dispense music.

The committee on arrangements is expecting from two to three thousand people to attend. Republicans as well as Democrats are invited. The ladies have a special and urgent invitation to come.

The rally will be held rain or shine. In case the weather should be unfavorable, arrangements will be made with an awning company to furnish a large tent to shelter the crowd.

It will be a red-letter day for Stokes Democrats who are expected to attend in large numbers. The Taylor club house is located very conveniently right beside No. 89 hardsurface road, and the situation is ideal for a big gathering.

All Democrats are urged to come and bring their friends.
