

Death And Burial Of Mrs. Nannie Joyce Smith

(Contributed.)

Mrs. Nannie J. Smith, 74 years, 11 months, 7 days, departed this life on January 2, 1939. She was a daughter of the late Peris Joyce and late Mrs. Joyce, and was married to D. C. Smith of Stuart, Virginia, Route 3, September 3, 1882, and resided near where she spent her childhood days. To this union was born ten children, four preceding her to the grave. She is survived by her husband, D. C. Smith, Stuart, Va., Route 3; four sons, Joseph Smith, of Amelia, Va.; Lee, of Raleigh, N. C.; Tom and Dewey, of High Point, N. C.; two daughters, Mrs. Frank Smith, of Lawsonville, N. C.; and Mrs. Blaine Collins, of High Point, N. C.; forty grand-children and six great-grandchildren and three brothers, Watron, Alex and John Joyce, all of Stuart, Va., Route 3. Mrs. Joyce united with the Primitive Baptist Church at State Line July 1893, being a faithful member for 45 years and was baptized by the late Elder F. P. Branscombe. Mrs. Smith was one of our most beloved and highly respected ladies of this community. She was a loving companion, kind mother and good neighbor. Friends, neighbors and relatives came from far and near to lend a helping hand in caring for her during her illness. She also had a graduate nurse with her and the family physician and all did what they could do. God knew best to take her from this world where there are no pains and sorrows and to dwell with Jesus forevermore. We feel our loss was her heavenly gain. Funeral services were held at her home church on January 3, by Elder F. P. Stone and W. J. Brown and a large congregation assembled to pay their last tribute to their aged friend. The beautiful floral tributes spoke highly of the esteem in which she was held. Interment was in the church cemetery plot.

Active pallbearers were grandsons and one by marriage. Edward, Richard, Walter and Charlie Smith, Herbert Rogers and Harold Martin. Honorary pallbearers were A. A. Jefferson, A. M. Flippin, Will Rogers and Cana Dunkley, deacons and members of the church.

Flower girls were granddaughters, Edith, Irene, Gertrude, Elvior, Estelle, Madeline, Annie and Hilda Smith, Nellie Elsie, Rogers and Thelma Collins.

A FRIEND.

Questions And Answers About Old-Age Insurance

Q: I am a retired farmer 73 years old. I have no income or any means of support. Am I entitled to benefit under the Social Security Act?

A: Because of your age, you are not covered by the old-age insurance provisions of the Social Security Act. However, the old-age insurance provisions of the Act make possible a Federal-State cooperative program for aid to needy men and women who are 65 years of age or over. This program is administered by your own State Welfare department. It is suggested that you consult your local city or county welfare department for information concerning your eligibility.

Q: I have just started to work in a factory on a part-time piece-work basis. Do I come under the old-age insurance law and should I get an account number?

A: Part-time employment is not excepted from the old-age insurance provisions of the Social Security Act, and the fact that you are paid on a piece-work basis has nothing to do with your being covered under the Act. You should apply at the nearest Social Security Board Field Office for an account number; and then report your number to your employer.

Q: If a merchant employs his son in his store, is he covered by the old-age insurance provisions of the Social Security Act?

A: Yes, old-age insurance provisions of the Social Security Act cover all employees of a commercial or industrial establishment who are less than 65 years of age. No exception is made for family employment.

Q: My wife worked before we were married. She had an account number and paid taxes on her salary. She does not work now and possibly will not work any more. Can she get any money under the Social Security Act for the time she has already worked?

A: The wages she has earned will stand to her credit until she reaches age 65. If she should earn more wages in a job that comes under the Act between now and the time she reaches 65, these earnings, likewise, will be credited to her Social Security account. She will not draw monthly benefits, however, until she reaches 65. Should she die before she is 65 a lump-sum payment equal to 3 1-2 per cent. of all the wages she earned after 1936 in covered employment will be made to her estate.

Q: I am a farmer but last fall I worked in a tobacco warehouse during the tobacco season. I was paid an hourly wage for the time I worked. I understand that because I am a farmer I do not come under the Social Security Act and do not have to have account number. Is this correct?

A: No. Your information is not correct. You are a farmer only when you farm, so far as the Social Security Act is concerned. Under the Social Security Act, if employment is excepted and agricultural labor is excepted; but when you take a job in a tobacco warehouse or in any other covered employment, you then

Proposed Cut In Relief Bill Is Big Blow To President

Washington, Jan. 17—President Roosevelt tonight said that the proposed cut of \$150,000,000 in the new relief bill would force removal of more than 1,000,000 workers from WPA rolls by June 1, and his estimate was promptly attacked by conservative Democrats as "misleading."

The President said at his press conference that the reduction voted by the House would deny relief aid to 4,000,000 or 5,000,000 persons. This estimate, he said, is based on figures showing that each WPA worker has three to three and one-half dependents.

He nodded in agreement when a reporter told him that Mayor Fiorello H. LaGuardia, of New York, spokesman for the U. S. Conference of Mayors, had protested before a Senate appropriations subcommittee today that the cities would be unable to care for those who will be thrown off the WPA rolls.

Who Will Feed Them?

"Who will feed these people, if the government refuses to do it and the cities are unable to?" he was asked.

He replied that he was asking himself that question.

Reporters hurried to the Capitol where the Senate subcommittee was concluding today's hearing on the \$725,000,000 relief measure and cornered its chairman, stumpy conservative Alva Adams, (D), Colo. He declared the President's figures created the wrong impression and protested that it was a simple matter of mathematics to determine that the maximum number of WPA workers to be affected will be about 600,000.

"OUTLAWS OF SONORA"—The Three Mesquitters ride again. Smooth, fast, exciting, this is an excellent western. There is a grand free for all fight, an exciting chase on the desert, a short, vicious fight, with Bob Livingston throttling his enemy and collecting the reward.

"TOO HOT TO HANDLE"—A spectacular saga of newsreel men and an aviatrix, filled with explosive action and suspense, played by two of the brilliant stars of "Test Pilot", Clarke Gable and Myrna Loy. Gable is at his best as the sly cameraman who uses his charm to entice flyer Myrna Loy to take a few shots. He finally wins her from rival Walter Pidgeon. If you liked "Test Pilot" don't miss this sequel.

"THE TEXANS"—The marvelous hokum of Indian raids, stampedes, blizzards and dust storms which beset a Texas family on a trek to Kansas with 10,000 head of cattle after the Civil War is spectacularly effective here.
