**Mr. Tobacco Grower, this is a year when you will need real judges of tobacco to look after your interest.**

**Zeb West and Tom Frank Webster**

know tobacco. When they start your tobacco the bid never comes down. It either goes higher or stays at the starting point.

We treat all alike. We have no pets. We buy the tobacco, not the man.

Take a few hours off and visit this old reliable Warehouse and see for yourself how these men do business.

**\$25.00    \$25.00    \$25.00**

**Given Away Each Day**

Earl McCollum, John Lawson and Alex Rogers will be glad to see you at WEBSTER'S WAREHOUSE.

Rob Webster will also follow the sale and will do all in his power to please you.
