Mart Brown of Route 1 was here Saturday.

Ground Hog Day was Sunday. Is meant good February weather for us, if we can believe our chief weather prophet, Hence Flinchum. The early part of the day was foul and cloudy, then out peeped the sun, affording shadows. But Mr. Flinchum says the time for the test is before 10 o'clock. After that, the sign is ineffective. So the pesky little swine could not have seen his shadow before 10, and that makes us safe.

Mrs. S. P. Christian, Mrs. N. E. Pepper and Eugene V. Pepper shopped in Winston-Salem Saturday.

Patsy Todd of Piedmont Springs visited Bitsy Pepper this week.

Mr. and Mrs. Hughes Stovall of Martinsville, Va., visited Danbury Saturday. They formerly lived at Lawsonville, Stokes county, but have been Virginia residents for several years and have built a nice home over there.

Training For Defense

By Rufus T. Strohm

Dean, International Correspondence Schools

NEVER has the skilled mechanic had a greater opportunity to serve his country. Even the man who has but a little mechanical training has a chance to jump quickly into a more responsible position. Many major industries have apprentice-training programs that will be greatly enlarged in the next year or two. Some firms are installing training programs for the first time.

The man who is content to "ride along" in the wake of all this intensified training will have no one to blame but himself if he finds himself still classified as unskilled labor.

Thousands of ambitious young men who through no fault of their own could not attend high school and college in recent years, now have a great chance to educate themselves. Much of this training can be secured at the expense of their employers. These men are urgently needed to fill gaps in the ranks of semi-skilled labor. These ranks have been depleted by the emergency demands of the present which caused many plants to promote men to better positions on a moment's notice.

Some time in the future this country will be faced with the enormous task of finding employment for those now engaged in producing military equipment. When this period of transition comes, it will challenge every man's resourcefulness, especially the man who is not among the most skilled workers. Here is the opportunity for that man to prepare himself for the future by the training which will be demanded of him. He can secure this training through the International Correspondence Schools.

U. M. S. Meets

(Reported.)

The Union Missionary Society of Danbury met on Monday night with Mrs. J. J. Taylor.

Due to the absence of the president, Mrs. N. E. Wall, who is ill with influenza, Mrs. R. R. King vice president, presided.

The secretary's and treasurer's reports were read and approved and the treasurer's report showed a neat balance.

Mrs. J. S. Taylor lead the devotions, the society joining with the Lord's Prayer.

Miss Grace Taylor gave an interesting review of the chapter: "Religious Education", dividing her topic into five groups, Home, Sunday School, Youth Organizations, Schools and Colleges and Bible Training Schools, all of these provide ways to secure religious education of today.

The meeting adjourned to meet again on Monday evening, March 3, at the home of Mrs. R. R. King.
