EQUALIZING THE TAX CHARGES

BOARD OF COUNTY COMMISSIONERS IN SESSION TWO DAYS THIS WEEK—DEPUTY REGISTER OF DEEDS MATTER DEFERRED UNTIL REGULAR SESSION IN APRIL

In order to receive complaints from tax-payers who wish their charges equalized, the Board of County Commissioners were in session two or three days of this week. Quite a number of citizens appeared before the Board asking various phases of relief.

A full board was in attendance at the meetings, to-wit., H. L. Gibson, chairman; Harvey Johnson and J. A. Joyce.

The Board took no action on House Bill No. 881 passed by the late legislature, which would make deputies appointed by the Register of Deeds payable by him personally, unless the Board of Commissioners approve appointment, then the Board may allow a sum not exceeding \$600.00 for salaries. The bill would increase amount from \$1200.00 to \$3,000.00 that the commissioners are authorized to expend for additional clerks for county officials.

This matter was deferred until the regular meeting of the Board April 7, first Monday of next month.

Mattress Application Deadline In Stokes April 30, 1941

All persons in Stokes county who plan to make cotton mattresses are urged to make their application prior to April 30, which is the closing date for accepting applications according to a letter received from the office of J. R. Tippet, assistant field officer, reports Mrs. Lila T. Pearce, home agent.

There are four mattress making centers in operation in Stokes county and they are assisting the families in the completion of an average of 70 mattresses per week. There have been 800 mattresses completed and 2,333 applications filed in the County Extension Agent's office.
