FRESH FUEL WAS ADDED TO THE FEUD BETWEEN FRED PERLEY AND HIS NEXT DOOR NEIGHBOR WHEN FRED, WITH THE BEST OF INTENTIONS, GOT HIM OUT OF BED TO TELL HIM THERE WAS A SUSPICIOUS LIGHT IN HIS GARAGE, AND THEN DISCOVERED IT WAS A REFLECTION FROM THE STREET LAMP.

**NEW IDEAS**  
For Home-makers  
By RUTH WYETH SPEARS

HOUSES of glass are realities today and, if you want to give any house a modern air, try to make the windows seem important. One way is to frame them in a group by covering the wall and leaving the glass exposed. A comparison of these two sketches shows that this may be done even though the windows are unevenly spaced. The cream colored walls, glass curtains and window shades are the same in both and the same

two-toned green rug and the same lamp and pictures are used. The couch and cushions are also the same but the covers are new. An inexpensive chintz with gray-green ground and a flower pattern is used for draperies and to trim the couch cover of heavier gray-green cotton material which is also used for the cushions. The glass curtains are hung on rods suspended from the picture moulding with picture wire and hooks. The side drapes are unlined but the valance is made over buckram. Both are tacked to pine strips and are hung with picture hooks. One end of the book shelves is closed in to make a head for the couch. The outside is painted gray-green and the inside dark green. The parchment lamp shade has green bindings.

NOTE: All types of curtains and draperies are clearly explained with cutting and making directions in Mrs. Spears' SEWING Book 1—draw curtains, lined draperies, pinch pleated curtains, cornice boards, valance boards, as well as standard and period type curtains. Directions for modernizing a couch, various types of chairs, and a fascinating assortment of other useful homemaking projects are contained in Book 5. Copies are 10 cents each. Send order to:

**Don't be a Blowhard!**

Remember that your nose is not made of rubber. If you keep on blowing and blowing, it's bound to become red, sore, and swollen. So stop blowing. The easy, modern way to clear stopped-up nostrils due to a cold is to use Mentholatum. All you need do is insert this gentle ointment inside your nostrils—spread some outside, too. See how quickly it clears up the stuffiness and relieves irritation—how it checks sniffling and sneezing. Once you use Mentholatum you'll say it's wonderful. It helps in so many different ways that you should always remember this: For Discomforts of Colds—Mentholatum. Link them together in your mind.

**Believing Ill**  
Men are much more prone (the greater the pity) both to speak and believe ill of their neighbors than to speak or believe well of them.—Thomas a Kempis.

**WATCH the Specials**

You can depend on the special sales the merchants of our town announce in the columns of this paper. They mean money saving to our readers. It always pays to patronize the merchants who advertise. They are not afraid of their merchandise or their prices.
