(Reported)

Congratulations to the people of Stokes county for the way they are backing up our fighting forces with investments in war bonds and stamps! Let's buy bonds and stamps to the limit of our ability. We not only have a quota in Money, we also have a quota in tanks and guns, planes and ships, torpedoes and bombs. When our government sets our quota each month, we are told in effect that we must buy so many planes, so many tanks, perhaps a battleship, etc. Let's buy more tanks, more planes, more guns.
