THE ELECTION — STOKES DEMOCRATS ACHIEVE GREATEST VICTORY IN COUNTY'S POLITICAL HISTORY

Four years ago Democratic candidate for Sheriff John Taylor won over his Republican competitor Tom New by a majority of 878. In the same election Watt Tuttle, Democratic candidate for Clerk Superior Court, led his Republican opponent Smith with a margin of 879.

Last Tuesday John Taylor swamped his opponent Sisk with a majority of 1592, while Tuttle beat Brown with a majority of even 1500.

Other majorities of Democratic candidates for Congress, Senate, House of Representatives, Solicitor, Commissioners, etc., were close by with very large majorities.

It was decidedly the most crushing defeat for the Republicans in the history of Stokes county.

The State went Democratic again by the usual huge majorities. Senator Bailey and all the Congressmen were re-elected. The two proposed amendments to the constitution were carried by large majorities.

In the nation at large a number of Republican Congressmen won over their Democratic opponents, but the House of Representatives remained Democratic by a safe majority, while the Senate is heavily Democratic again, thus assuring the country's endorsement of President Roosevelt and his policies for the relief of the common people; and placing the stamp of approval on his program for winning the war.

Members will report their accomplishments in the food production program, conservation of food, home improvement and other rural activities which go to help win the war. They will reaffirm their intention of pushing forward the Victory Garden and other

programs for 1943. Rev. and Mrs. J. L. Love and Miss Claytie Gibson of Pine Hall attended the Minister's and Layman's Meeting at West Market Street Methodist Church in Greensboro Wednesday.
