**CARR'S PARK TO-NIGHT.**

The Durham Band Will Give a Grand Picnic in Carr's Park To-night.

Go out to-night.

The band will give you some music and will entertain you to-night.

All good people should go and all citizens should help get the band on its feet.

The few dollars distributed will only help a good institution.

The Globe will not undertake to say how many times the band has served Durham without price, but we want all to rally to-night.

The park will be lighted by electricity and the people going will not be in the dark.

So turn out this evening, and no one will regret. The following is the PROGRAMME.

## THE FALLING WALLS!

The Old Moseburg Building About to Fall.

The Walls Have Cracked and Will Surely Crumble.

THOUSANDS OF PEOPLE WITNESS IT

People Who Come and Go—Brief Brevities of Interest to All Readers of The Globe.

The walls are falling.

Balkin's store rooms are caving in!

The stock of goods has been removed!

The people have taken to the streets!

The excavations which Mangum & Son have made have caused the old store on which Jones & Lyon's sign appears to totter.

The walls are falling.

J. D. Merritt says, and he is the contractor, that the walls will have to be built anew.

People now are wondering if Mangum & Son can proceed without waiting.

Thousands of people waited there today to see the walls fall, but the walls did not fall.

The Mangum building will go along and the wretched wall which wants to fall will be given a chance.

## THE BOSS CRACKER.

We Have It! The Famous Boss Lunch Milk Biscuit.

All cracker manufacturers in the United States acknowledge it to be the best cracker ever made. Lovers of good crackers call it "the boss!"

We originated this cracker in 1863 and have made it our specialty. Such has been the success of this biscuit, that today we are making from 6 to 8 tons daily. It is the most deservedly popular cracker in the whole country. Quality makes the price with us, but don't mind the price. Try it! Eat it! Give it to the infant and see it thrive! To the invalid, the aged and infirm, and see the good it will do!

If the goods please you, will you insist upon your grocer obtaining them for you.

C. D. Boss & Son,  
New London, Conn.

Originators and only manufacturers in the world of "Boss' famous lunch milk biscuit." W. H. Proctor sole agent for Durham, N. C.
