

PARTY LEADER DISGRACED

Arrest of a Former Member of Parliament.

CASE OF CAPT. HOWGATE

Strange Developments Promised at the Trial.

The President's Health So Much Improved That He Will Remain at Buzzard's Bay Until October 20—A Paper and Pulp Mill in Wisconsin Purchased by an English Syndicate.

CHICAGO, October 1. Under the charge of embezzlement, for the tampering with the mails of the British government Daniel Campbell, leader of the liberal party in the northwest territory, a former postmaster in one of the provinces, as well as a member of the Canadian parliament, is a prisoner at the central station. When arrested he admitted the truth of tampering with the mails and embezzlement but denied that he was guilty of forgery. Part of the money which he took he says, has been paid back to the government by his family and the remainder has been promised.

CASE OF CAPTAIN HOWGATE

Strange Developments Promised When the Trial Takes Place.

NEW YORK, October 1. Captain Henry W. Howgate spent Sunday at Ludlow street jail awaiting the order of the United States marshal remanding him to Washington to answer to charges of embezzlement and forgery. From remarks left fall by Howgate from time to time it is evident that he believes that sensational disclosures will be made and that testimony will come out at the trial which will show that the \$370,000 which is alleged the man embezzled was not used by him alone.

THE PRESIDENT'S HEALTH.

So Much Benefitted That He Will Stay Away Until October 20.

BUZZARD'S BAY, MASS., October 1.—President Cleveland will probably remain at Buzzard's Bay until about October 20. So beneficial to his health is being here proving that it has virtually been decided to delay breaking up here until that time unless executive business demanding an earlier return or other unforeseen circumstances may arise to prevent such plans.

GREAT SYNDICATE DEAL.

Paper and Pulp Mills Bought by Englishmen.

APPLETON, WIS., October 1. The greatest syndicate deal since the purchase of the American breweries by English capitalists has just been concluded, and unless something unforeseen occurs all the paper and pulp mills on Fox river will pass into the hands of an English syndicate on April 1. The Peary Party's Sufferings.

The Peary Party's Sufferings.

BOSTON, October 1.—George N. Clark, of Boston, the taxidermist who accompanied Lieut. Peary's party, arrived home yesterday. Regarding the reports of the dissatisfaction and complaints among the members of the crew as to the alleged snubbings, lack of food and suffering from the cold, he showed not the slightest reluctance to confirm all that had been printed in the newspapers for the last few days.

In Memory of "Sunset" Cox.

NEW YORK, October 1.—Yesterday was the anniversary of the birth of the late S. C. Cox and the letter carriers, who always keep his memory green in resolution of his services to them for many years, decorated his grave in Greenwood cemetery. There was no parade but hosts of carriers, stood by his grave during the day, and it was crowned with the most beautiful flowers to be had.

Terrible Blaze in Stillwater, Minnesota.

STILLWATER, Minn., October 1.—The plant of the Stillwater manufacturing company, on Main street, was destroyed by fire at 1:30 o'clock Wednesday. The local fire department was unable to cope with the fire and St. Paul was asked for aid.

BRIEF NEWS FROM THE WIRES.

The threatened railroad tax riots in St. Louis, Mo., have been averted. The National Christian Endeavor convention will be held in Boston in 1895. Jacob Zahndt, a world's fair building contractor, has committed suicide in San Francisco.

Changes in the Tobacco Business.

There were a good many changes in the warehouse business today. E. J. Parrish and John W. Pope commenced business together. J. Scott Barch goes on the market as a buyer. Mr. Andrew Gattis takes charge of the books of Carrington & Hutchings. Mr. J. F. Cottrill leaves for Danville to engage in the warehouse business. Mr. Claud Johnson goes with Carrington & Hutchings. Obe Carver leaves today to engage in the sale of tobacco in Chase City, Va. Mr. Mose Irvin of Danville, has accepted a position with Mr. T. H. Martin. The Globe warehouse closes up today. The old Farmers warehouse on Church street, opens for business. Let the tobacco come in now, and the boys will do it justice.

TIN PLATE MILLS CLOSE.

Every Plant in the United States Shuts Down.

PITTSBURG, Pa., Sept. 29.—Tonight all the tin plate plants in the country will close down, throwing several thousand men out of work, and there is no indication as to when they will again be put in operation. There is a wide difference between the manufacturers and workers on the subject of wages.

Two important reasons are given for the action taken by the manufacturers' association. One is that the closing down of factories is to discourage prospective builders of tin plate plants. Another reason given by the manufacturers is that, under Secretary Carlisle's ruling, 46,000,000 pounds in tin plate now in bond can be put on the market Monday by paying the new reduced tariff. This will fill all demands for some time to come.

On the other hand the workmen assert that the shutdown is merely a scheme of the manufacturers to compel their employees to work for lower wages.

SWANSEA, Sept. 29.—It is rumored here that there is a movement on foot to strike a blow at the tin plate trade of the United States. It being contended that the Americans cannot produce certain plates without Welsh labor, the representatives of labor in Wales, it is said, are inviting the return to that country of all makers of tin plate in America who have been discharged from their positions, or whose wages have been reduced as a consequence of the adoption of the new tariff.

At Princeton—Princeton 40, Lafayette 10.

At Hartford—Yale 22, Trinity 9.

The little infant of Mr. J. H. Copley died yesterday of chills and fever. Mrs. Copley reported very ill.

That Joyful Feeling

With the exhilarating sense of renewed health and strength and internal cleanliness, which follows the use of Syrup of Figs, is unknown to the few who have not progressed beyond the old time medicines and the cheap substitutes sometimes offered but never accepted by the well informed.

ABERDEEN, O. Messrs. Lippman Bros., Savannah, Ga.

DEAR SIRS—I bought a bottle of your P. P. P. at Hot Springs, Ark., and it has done me more good than three months' treatment at the Hot Springs. Have you no agents in this part of the country, or let me know how much it will cost to get three or six bottles from your city by express. Respectfully yours, J. M. NEWTON, Aberdeen, Brown County, O.

NEWMANVILLE, Fla., June 8, 1891.

Messrs. Lippman Bros., Savannah, Ga. DEAR SIRS—I wish to give my testimonial in regard to your valuable medicine, P. P. P., for the cure of rheumatism, neuralgia, dyspepsia, biliousness, etc. In 1861 I was attacked with bilious muscular rheumatism, and have been a martyr to it ever since. I tried all medical means I ever heard of, and all the doctors in reach, but I found only temporary relief; the pains I lived or died. My digestion became so impaired that everything I ate disagreed with me. My wife also suffered so intensely with dyspepsia that her life was a burden to her; she would be confined to her bed for weeks at the time; she also suffered greatly from giddiness and loss of sleep. Some time in March I was advised to take P. P. P., and before we had taken it I had finished the second bottle of P. P. P., our digestion began to improve. My pains subsided so much that I have been able to work, and am feeling like doing what I have not done before in a number of years. We will continue taking P. P. P. until we are entirely cured, and will cheerfully recommend it to all suffering humanity. Yours very respectfully, J. S. DEPAISE.

IT GIVES WARNING that there's trouble ahead if you're getting thin. It shows that your blood is impoverished, and your organs deranged, so that whatever you eat fails to properly nourish you. And just as long as you remain in this condition, Consumption, Pneumonia, and other Scrofulous and dangerous diseases are likely to fasten upon you. You should build your self up with Dr. Pierce's Golden Medical Discovery. Purify and enrich the blood, rouse every organ into natural action, and build up healthy, wholesome, necessary flesh.

Ocean Port, N. J. Dr. R. V. PIERCE: Dear Sir—We have used your "G. M. D." in our family and find nothing else to equal it. One of our children had the pneumonia, and one lung became consolidated, but by the use of the "Discovery" she has entirely recovered, and is now in good health.

Composition on a Boy.

The Stanley Combination.

A boy is man before he's grown up. But his pants only run down to his knees. A boy is a very useful article. His usefulness comes in when his big sister wants him to run an errand; but his principal usefulness is in wearing out clothes, especially pants. Some boys wear out one pair each session. Others wear out two every week. This cut illustrates a happy boy. Why is the boy happy? Because his mother has bought from us the Stanley Combination.

This outfit consists of a Double Breasted Coat, two (2) pairs of pants, and the latest style Stanley Cap of same material. (Extra buttons with every outfit.) The goods are of most excellent and stylish fabrics especially adapted for service, and we can sell you the whole outfit as cheap as you can buy the bare suit from other dealers. Buy our Stanley Combination for your boys, and make them happy. Sold only by
