Goes the story of the excellence of Hood's Sarsaparilla and what it has accomplished, and this is the strongest advertising which is done on behalf of this medicine. We endeavor to tell honestly what Hood's Sarsaparilla is and what it will do, but what it has done is far more important and far more potent. Its unequalled record of cures is sure to convince those who have never tried Hood's Sarsaparilla that it is an excellent medicine.

ONE WORD!

I come to you with a small affair that you may need. In England, the Continent and many foreign countries, myself and wares are well known. Many American families on their return from abroad bring my articles with them, for they know them pretty well, but you may not be one of these.

Confidence between man and man is slow of growth, and when found, its rarity makes it valuable. I ask your confidence and make a reference to this Journal to indorse that confidence. I do not think it will be misplaced.

I make the best form of a cure—an absolute one—for biliousness and headache that can be found in this year. The cure is so small in itself, and yet its comfort to you is so great—20 minutes being its limit when relief comes—that it has become the marvel of its time. One and a half grains of medicine, coated with sugar, is my remedy, in the shape of one small pill; known to commerce as DR. HAYDOCK'S NEW LIVER PILL. It is old in the markets of Europe, but is new to North America. The price is as low as an honest medicine can be sold at, 25 cents. Send a postal card for a sample vial, to try them, before you purchase.

DR. HAYDOCK,
63 Fulton Street, N. Y.

One Pill is a Dose.

PRICE TWENTY-FIVE CENTS.
FOR SALE BY ALL DRUGGISTS.
EVERY PILL IS SUGAR-COATED.

If your druggist does not keep them we will mail them free to any address on receipt of 25 cents. Five vials for one dollar.

There is a strong Mc-Kinley feeling in our delegation. Outside of North Carolina republicans are for Blaine. Williamson says if Harrison is nominated he does not want a seat in the convention; he is for Blaine. "Nichols almost lost his religion, if he had any, when Williamson defeated him in the committee," said a colored delegate office holder. Central North Carolina delegates, absolutely but for their bread and butter, would break away to Blaine and McKinley. There may be a break, but Cook, White and other office holders will prevent it if possible.

ARE EVIDENCE That the blood is wrong, and that nature is endeavoring to throw off the impurities. Nothing is so beneficial in assisting nature as Swift's Specific (S. S. S.) It is a simple vegetable compound. Is harmless to the most delicate child, yet it forces the poison to the surface and eliminates it from the blood.

I contracted a severe case of blood poison that unitted me for business for four years. A few bottles of Swift's Specific (S. S. S.) cured me. J. C. JONES, City Marshal, Fulton, Arkansas.
