DR. JOHNSTON.

BALTIMORE LOCK HOSPITAL.

WHERE may be found the most speedy and effectual remedy in the world for all

SECRET DISEASES.

Gleets, Strictures, Seminale Weakness, Pain in the Back, Affections of the Kidneys, Loss of Organic Power, Nervous Irritability, Disease of the Head, Nose, Throat or Skin, and all those Peculiar Disorders, arising from a CERTAIN Secret Habit or Youth, which, if not cured, produces Constitutional Debility, renders Marriage impossible, and, in the end, destroys both Body and mind.

YOUNG MEN,

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately apply to Dr. Johnston and be restored.

OFFICE NO. 7, SOUTH FREDRICK ST.,

SECOND DOORS FROM BALTIMORE STREET, EAST SIDE, UP THE STEPS.

☞ BE PARTICULAR in observing the NAME and NUMBER, or you will mistake the place.

☞ Be not enticed from this office.

A Cure warranted in no charge made, in

FROM ONE TO TWO DAYS.

The many thousands cured at this Institution, and the very extensive practice of Dr. J. is a sufficient guarantee that he is the only proper physician to be consulted.

DR. JOHNSTON.

Member of the Royal College of Surgeons, London, graduate of one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, and Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illumed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, disagreeable nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progress on with frightful rapidity, till at last the palate of the mouth, or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to

"That bourne from whence no traveller returns."

To such, therefore, Dr. JOHNSON pledges himself to preserve the most inviolable secrecy; and from his extensive practice in the first hospitals in Europe and America, he can confidentially recommend a safe and speedy cure to the unfortunate victim of this horrid disease. It is a melancholy fact, that thousands fall victims to this dreadful complaint, owing to the unskillfulness of ignorant pretenders, who, by the use of that deadly poison, mercury, ruin the constitution, and either send the unfortunate sufferer to an untimely grave, or else make the residue of life miserable.

TAKE PARTICULAR NOTICE.

Dr. J. addresses young men and all who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.

The fearful effects of the mind are much to be dreaded: Loss of memory, confusion of ideas, depression of spirits, Evil forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor becoming weak, pale, and emaciated, and have a singular appearance about the eyes, cough and symptoms of consumption.

Dr. Johnston's Invigorating Remedy, for GENITAL DISEASES.

By this great and important remedy, weakness of the organs are speedily cured, and full vigor restored. Thousands of the most Nervous and Debilitated individuals who had lost all hope, have been immediately relieved. All impediments to MARRIAGE, Pysical or Mental Disqualification, Nervous Irritability, Trembling and Weakness, or Exhaustion of the most fearful kind, speedily cured.

YOUNG MEN.

Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in certain secret habit. Such persons before contemplating MARRIAGE, should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view, the mind becomes shadowed with despair, and filled with the melancholly reflection that the happiness of another becomes blighted with our own.

Oh, how happy have hundreds of misguided youth been made, who have been suddenly restored to health from the devastations of those terrible maladies which result from indiscretion.

TAKE NOTICE.—Let no false delicacy prevail, but apply immediately, and save yourself from the dreadful consequences of this terrible malady. **Weakness of the organs** immediately cured, and full vigor restored.

TO STRANGERS.

The many thousands cured at this institution within the last twelve years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the reporters of papers and many others, notices of which have again and again appeared before the public, is sufficient guarantee to the afflicted.

He who places himself under the care of Dr. Johnston may religiously confide to his skill as a physician.

There are so many ignorant and worthless quacks copying Dr. J.'s advertisements, and advertising themselves as physicians—trifling with and ruining the health of the already afflicted—that Dr. Johnston deems it necessary to say, especially to those unacquainted with his reputation, that his Credentials or Diplomas always hang in his office.

☞ All letters must be post paid. Remedies sent to all parts of the country.

GAZETTEER

OF

NORTH CAROLINA.

THE undersigned is engaged in conjunction with others in the preparation of a GAZETTEER of the State of North Carolina, and desiring to render the work as complete and satisfactory as possible, respectfully solicits the countenance and aid of the citizens of the State in furthering the undertaking. The miscellaneous character of the materials out of which a Gazetteer of the State must necessarily be constructed, suggests the importance of securing the co-operation of persons in every county who may be able to furnish such minute and local information as could be obtained from no common source. Relying upon the intelligence and public spirit of our citizens, the undersigned takes the liberty to request that persons in any part of the State will at their earliest possible convenience, furnish him in detail as much information as they possess or can obtain on the following points, viz:

1. The names of the Post offices in your County, and the distance and direction from the County Town.

The names of the Rivers and Creeks, giving the general direction in which they run, and where they empty.

3. The name and location of Mills, Factories, Founderies, &c., &c.

4. The Schools and Colleges, with the number of Teachers and pupils.

5. The Churches, designating the denomination of each.

6. The character and productiveness of the mines, and Fisheries and the principal article of export.

7. The number of Lawyers, Physicians, Merchants and other professional men.

8. The general character of the timber and soil in different parts of the County.

To those who have so promptly responded to the above request, the subscriber returns his sincere thanks, and hopes that many others will communicate as much valuable information as they can collect, on all or any of the foregoing subjects of enquiry.

The name of the ELIXIR VITÆ has become a household word, as familiar as a proverbial, and the universal testimony of all is "It is a most excellent medicine."

Reliable Testimony.

Norfolk Va., Jan 15, 1854.

The Preparation, BURROW'S ELIXIR VITÆ or The Water of Life has been long and favorably known by us, being considered a most excellent medicine, and giving almost universal satisfaction in the treatment of the diseases for which it is recommended.

M. A. Santos & Son, Kinsley and Toy, L. W. Webb & Bro., Wholesale Druggists.

INVALIDS who have visited the different Mineral Springs without obtaining health, give this medicine a trial. It is infinitely superior to all their waters. DYSPEPTICS abandon the use of bitters, and be cured with this medicine. NERVOUS ONES use it and have your frame braced. GENERAL DEBILITY use it and be restored to health. FOR FEMALES, in diseases peculiar to their sex, it is a cotholicon, and for DELICATE PERSONS and CHILDREN, it is a sovereign medicine.
