It was ordered that a sufficient sum from the reserve fund be apportioned to certain school districts to make the amounts in such districts large enough for a two months school in each district. E. T. Crawford's children were allowed to attend No. 63 white school, also that the pupils of No. 14 white school district be allowed to attend Mount Olive High School and that the fund due such children be used in paying their tuition in said school.

Accounts were audited and allowed to the amount of \$153.05. The Board then adjourned. Published by order of the Board. G. C. KORNBERG, Clerk.

She Was No Pop. Thursday afternoon several ladies of the city were making calls in a certain portion of town and after entering the home of a friend, one of the callers remarked that they were out making "Pop" calls. Whereupon the hostess put a wrong construction on the term, and said: "Well, I don't see why you should come here, for my husband is as good a Democrat as you are; so if it is Pop calls you are making, you had better study the politics of your community."

When the lady had concluded she left the room highly indignant, leaving the two callers in a very much embarrassed state.

SCOOE BUSINESS. The Board met for consideration of public school business, on Tuesday, with all members present. The Board refused to take any action on the petitions from Nos. 3 and 28 white school districts. Appointments as School Committee members were made as follows:

Tired Women

Should stop and consider the dangers which threaten them because of their weakness, languor and lack of ambition. Thousands of women find their strength unequal to the demands of duty. And yet there is no escape from the incessant round of care and toil. They must find strength. How shall it be given? By building up their systems through purified, enriched and vitalized blood. Hood's Sarsaparilla will give them strength because it will make their blood pure and enable it to feed the nerves upon proper nourishment. It will create an appetite, tone the stomach and invigorate every organ. It is what tired women need.

Hood's Sarsaparilla is the Only True Blood Purifier. Prominently in the public eye today. It feeds the nerves on pure blood. Hood's Pills may be bought, easy to take, easy to effect, 25c.

WE LEAD! Others Follow.
