WEAK :-: MEN Young and Old. BEHOLDE WITH US

IT THE DISCOVERY.

Common Sense. Of all the gifts this side of heaven That ever were to mortals given. The best to have, the worst to miss, The truest, sweepest source of hiss-The one call left of Eden's fonce-Stands the pure charm of common sen To earn our right to "dally bread," To not regret when time is fled. To wisely speak and act and think, To keep life's heat from rule's brink. To being every hour screenes. We need the aid of common sense. metimes, no doubt, we need to view. is not on the pack- The lightning bolts some genins threw Ban now we need, well mixed and stir

with shout thought or spoken word-A sort of human fool's defense-The whole-some aid of common sense

 Some triange, privacy, must still be magnet.
 Where mightly minds their power in-wrongid.
 But how to guard the priocless wealth Of peace and love, of youthful health, And how to keep our own few pence, is faught above by common sense. We pray for faith, and light, and peace, For sin's remove, and love's increase, For strength to meet the tempter's poor-

For dying race, for dying hour-But now, right in the present tenso, Give us, O Lord, good common sense To keep from useless jur and strift, And bless the changing path of life: To make each fountain purer still, To take from loss its fath chill. And bring thy own sweet recompense, We how to thee, blest common sense,

----"Lead Us Not Into Temptation,"

Of the millions who have uttered that no such offer was made or refer- religious bodies and the thieving this prayer few, perhaps, have suffici- red to in that conference. The state- treasury officials would not have had or fir considered their own obligat ment of President Davis and that of so wide a field for their operations. tions not to lead their fellows into President Lincoln and of Secretary It is unpleasant to me to make the have rescluded the regulation requir- increase under the tariff stimulus in his wares on the payement without made or talked of at that conference. because the purpose for which they on the highway. guard, oblivious of the fact that This false statement has been often are made may be misunderstood or themselves by the combination of which has been written by or for law, and of good will between those Coolidge fatally injured. want and opportunity. Young chill, the men who were there. Neither who were once enemies, is gratifyiren and servants are similarly President Lincoln nor any other man ing to me as it can be to any other
