It is easy to float in a well-trimmed boat, And point out the places to wade. But once we pass into the shadows

easy to sit in the sunshine

And talk to the man in the shade.

We murmur and fret and frown, And our length from the bank, we shout for a plank, And throw up our hands and go down. It is easy to sit in your carriage

It is easy to tell the toiler How best be can carry his pack; The up-curled mouth of pleasure Can preach of sorrow's worth

But give it a sip, and a wryer lip Was never made on earth.

-ELLA WHEELER WILCOX. Origin of a Dispute. A quarrel often begins with from all malice. Standing up for our side unflinehingly, without any giving in, will always provoke a little stubborness in another. It is very hard to maintain such stoutness of judgment without showing had blood. If we feel right, and cannot yield conscientiously, we should sedulously avoid prolonging a dispute. When a grudge. In differences of opinion n mutual work, we would cultivate a spirit of conciliation. When we cannot conscientiously join with another in propositions of work or companiouship, we should separate from should be glad afterwards specially to show such an one respect and good will. Above all, we should not, by our severity, discourage any one who proposes to change his behavior for the better. Did you ever stop to think how foolish two-thirds of the quarrels in life are? Some minor, mintended slight separating friends to make them bitter enemies.
