A Mother's Love.

When a boy is far away from home, What pleases him the most? Why, it's when a letter comes to him From mother through the post! No matter if the silver hairs
Appear upon his head.
He's still his mother's boy as when
His hair was carrot red!

Though thirty years have left their marks
And seared his careworn face.
In mother's eyes he's yet a lad
Without Time's telltale trace!

Without Time's telliale trace?
Her letter thus begins: "Dear boy;"
It sets his heart athrill
To think that mother knows him as
A little shaver still!

A mother's love is as a charm The sesame of youth?
One feels that age has naught to do
With love or life or truth

With love or life or truth
Whene'er he gets a letter from
Ilis mother far away.
Who sees naught but the guileless child
Behind the man grown gray.
