OATH OF OFFICE

Takes it Twice at Beginning of His Second Term.

FIRST GEREMONY SIMPLE ONE

With Only Fow Witness on Bunday Kloses Bible Presented by Chief Justice White—Larger Assem-bings at Public Exercises In Capital Followed by Insugural Address—Cri-nis Makes Washington Grave.

THE PRESIDENTS OATH TWICE TAKEN BY WILSON.

The oath taken by President Wilson as prescribed by the con-stitution is:

attation is:

I do colemnly secure that I will fothfully weccute the office of president of the United States and to the best of my oblidity preserve, protoct and defend the constitution of the United States.

The oath taken by Vice President Marshall was the same as that taken by scentors and is prescribed by the constitution. It follows:

scribed by the constitution. It fol-lows:

I do solemnly secur that I will support and defend the constitu-tion of the United States against all emandes, foreign and demustio, that I will bear true faith and al-legisance to the same, and I take this obligation freshy sotthout any montal reservation or purpose of evasion, and that I will well and faithfully discharge the deales of the office on which I am about to enter. So help me God.

The second term of Woodrow Wilso

ierionaneas of the occasion and or the gigantic burdens the alender man in black was taking upon his shoulders in assuming the high office of the presi-dent of the United States for mother president after the cubinet members had had their say was Senator Knute Nelson of Minnesota.

"Congratulations, Mr. President." said the stardy old warhorse of Republications as he grasped the hand of the chief executive. 'I want to tell you that I am with you and that I stand with you in this emergency in any-phing and everything that you do."

Senator Stone of Missouri, chairman rade began in the direction of the White House escorting the newly elected president and vice president. A brief halt way made in front of the White House to permit the president to partake of a light function and asseme fring and everything that you use floation Stope of Missouri, chairman of the foreign relations committee, was not among the coterio of statemen who extended their congratulations to the president after his induction into office, an position in the reviewing stand.

At the forefront of the parade was an excert of monuted police. Immediately praceding the carriages and escort of the president was the famous United States Marine band, followed United States Marine build, followed by the grand marchal, Major General Scott, and staff. The second carriage, with Vice President and Mrs. Marshal and members of the congrussional joint committee, was ex-orted by the

The acrimony of the last two days of legislative strife had marked the Missourish for elimination from that list of the president's friends who can be welcomed to intimate social intercourse. While the little inaugural party was breaking up, Besator Robert Marios La Foliotte to whom sown in create consent breaking up, Henator Robert Marico La Foliette, to whom even in greater measure than to Sénator Stone is due the defeat of the armed neutrality bill, came from the senate. He passed the door of the president's room, his open vivoted on the servator gate sheed. He swarved neither to the right set to the light but plotted disriple whom set even turning his cyue toward, the presi-dent's senate.

There was a slamming of doors, the There wha a sianuming of doors, the secret service men and capitol policymen quickly cleared a passage way for the president, who, effering his arm to Mrs. Wilson, with a cheery "Good moraing" to the crowd, waited to the west elevator and disappeared.

There was, hand disappeared.

There was, hand disappear as the president left the capitol. Before 12 dd he was hack at the White House, and the hew administration of Wilson had below administration of Wilson had below administration of Wilson had
