

LOCAL NEWS.

The Star will dispense with the patent outside after this issue.

See notice in another column of Administrator and Administratrix.

Hon. E. R. Dudley is an applicant for the postmastership at Newbern.

It is rumored that Coup's circuit is to make another tour through North Carolina in April.

It is said that the North Carolina State Life Insurance Company is in a solvent condition, and will soon wind up its affairs.

"It is heaven upon earth to have a man's mind move in charity, rest in providence, and turn upon the poles of truth"

We were glad to meet in our office on Friday, Hgn I. B. Abbott, Editor of the Louje. Mr. A. is a candidate for Congress in 2d District.

WANTED.—A good second-hand Washington press—one large enough to print a six column newspaper. Address Star, Goldsboro, N. C.

Wilson county Superior Court convenes Monday, the 6th of March. The Editor of the Star will be in attendance two or three days.

Mrs. Edmanson's two daughters, Mrs. Kate Dewy and sister, arrived in the city on Monday night from Norfolk Va., on a visit to their mother, who has since died.

Mr. E. L. Ried, lead Miss Mary Andrews to the Hymeneal altar Thursday, for better or for worse. We wish them a prosperous journey through life.

Judge Seymour resigned his position as Judge of the 2d Judicial District of North Carolina on Saturday last, and Mej. H. A. Gilliam has been appointed in his place.

We are informed that one Gabriel received a little horn on Wednesday night, and that the world will soon come to an end in consequence; for it is said by the Jews that Gabriel will blow.

With much regret we announce in this issue the illness of Mr. John Robinson, one of our worthy and highly esteemed citizens. He was stricken with paralysis on Monday night last, and we sincerely hope that it will not prove serious. No community ever had a more useful citizen than this gentleman.

ERECTOR OF NEW BUILDINGS.—Goldsboro is still improving, and we venture to say that no town on any railroad leading into this place has any brighter prospects. Mr. W. H. Smith is having four buildings erected, and Mr. Farmer will soon have six or seven houses completed on the old Fate Ground. Messrs. Frank Dobson and W. T. Yelverton, two more enterprising men in our midst, have each a fine residence in charge of the carpenters, which will add greatly to the appearance of our thriving town. On Walnut Street, Judge Faircloth and Mr. W. W. Freeman are building two brick mercantile houses.

DEATHS.—On Tuesday morning last, about 9 o'clock, Mrs. Nancy Edmanson, a much loved and respected mother and citizen of Goldsboro, departed this life. She was a member of the Baptist church, and was confined to her bed two months, during which time she went through a great deal of suffering. She has gone to rest from this strange world of ours.

No more to gather the thorn with its flowers,
No more to mingle with sorrow and sin,
But gone to that beautiful land, with those that love Him.

At his residence in Goldsboro, on the 23th of February, after a few days sickness, Mr. Robert Williams. This gentleman was a kind, loving husband and father, a much respected citizen, and a consistent member of the Zion Methodist Church. The bereaved family has our sympathy in the loss of this good man.

The colored citizens of Wayne county are respectfully requested to meet at the court house in mass convention in Goldsboro, on Saturday, the 25th of March, for the purpose of electing delegates to the colored State Convention, which will convene at this place on the 29th of this month. This will be the largest and most influential body of colored citizens that has ever assembled in convention in North Carolina. A great deal of interest will be manifested by this body, and questions of great importance to our race will be considered. Respectfully,

A. Swinson, E. D. Nixon, J. C. Stevens, E. E. Smith, B. S. Stevens, L. W. Shepherd, J. B. Cappe, L. J. Nixon, Joseph Green, D. B. Morrissey, Stephen Daniel, W. B. THE USUAL RESULT.

It is not to be denied that a good sewing machine is one of the most important appointments of the modern household. We thought we had a good machine in our household until one day the agent of the New Home presented himself at our door and proceeded to deliver an oration upon its characteristic merits.

"But," we answered, "our machine serves us nicely and suits us well, and we do not care for another."

The agent, however, was persistent, and finally begged the privilege of leaving one of his machines with us, "for the ladies to try."

The request was not unreasonable, so we granted it—but more to oblige the agent than anything else; for we really did not want the machine, and had not the remotest idea of buying it.

The machine once in the house, it was natural that the ladies should look it over. They did so, and as a consequence fell in love with it. They say that without the slightest wish to decay or dispare any other machine, in this, all things considered, is, in their opinion, the most desirable one to be had.

The upshot of the whole matter was that the old machine was disposed of, and the Light Running New Home installed into our household—a very fair and satisfactory arrangement being made with the agent.

It is pronounced a genuine beauty and a real comfort, and our folks wanted us to tell other folks about it.

This unrivalled machine is manufactured by JOHNSON, CLARK & CO., 30 Union Square, New York, who wish us to say that all who will send for their new illustrated catalogue and enclose their advertisement (printed on another page), will receive a set of fancy advertising novelties, of value to those collecting cards, etc.
