GOLDSBORO, N. C.

## LOCAL NEWS.

The Colored People's Convention will meet at Washington, D. C., June 27th.

We call attention to the advertisement of Mr. Joseph Edwards, in another column.

We respectfully request our subscribers, whose subscription has expired, to renew at once if their paper will be discontinued.

We are in receipt of a speech delivered at Trenton, N. J., by Mr. T. O. M. Simmons on the 24th inst., which is unavoidably crowded on this issue, but will appear in our next.

Messrs. Robinson and Griffin Bros., who are largely engaged in the brick business, are delivering some of the finest brick that has been sold in this market for years.

The delegates to the Grand Lodge I. O. of G. S. and D. of S. convene in the city of Charlotte, N. C., on the 20th day of June next, at 12 o'clock m. Arrangements are being made with the railroads for cheap fare. Any desiring information on this subject should correspond with the Rev. W. J. Moore, N. C.

On returning home the other day we found on our desk a copy of the *Bulletin*, published by the Colored Men's Union, Knoxville, Tenn. Hon. W. F. Yardley is editor. It speaks with no uncertain sound. We gladly place it on our exchange list.

Hon. Geo. H. White, of Newbern, N. C. has been indorsed in Craven county for the position of Solicitor of the 2nd Judicial District. He is an able young man and would be an honor to his people, and fill the position with entire satisfaction to suitors in his district.

The A. M. E. Church, colored, of Goldsboro, hold Sabbath School every Sunday morning at 9 o'clock a. m., L. C. Davis, Superintendent; Mrs. Josephine Cobb, Mrs. Precilla E. Dodson, Miss Lilly Dodson and W. E. Burnett, Esq., teachers.

Mrs. Geo. T. Wassom, Prof. E. E. Smith, editor of the *Enterprise*, and Prof. A. B. Vincent, are attending the closing exercises of Shaw University, at Raleigh.

Dr. Jno. D. Pearson, of Fremont, Wayne county, is preparing for the Legislative race in this county, on the Independent ticket. Who is the next man on this ticket?

The town Commissioners are having the market house improved and ciled overhead. Why not build a respectable market house and badge with it?

The County Convention of Craven county has elected her delegates to the State, Congressional and Judicial Conventions. Delegates to the Congressional Convention are Capt. R. Hancock, Jr., J. S. Manix, V. A. Crawford and E. R. Dudley. Wayne will hold her County Convention on June 10th, to elect delegates, &c. Jones county held her Convention to-day. They will indorse Hon. E. R. Page for Congress.

The convention of colored editors at Washington next month, is to be one of the grandest affairs of its kind ever held. Six million colored people will be represented by the colored press, whose power is being felt throughout the land—*Echo.*

There is a colored lady living in South Carolina, who came from Africa 110 years ago. She can remember her parents and many similar things when she left, among them that she was sold by her uncle. She came to America as Sarah Zank, but has since married and her name is now Sarah Young—*Echo.*

Our townsman, R. M. Johnson, Esq., says that he will attend the various conventions in this section of the State, with his famous convention pistol, to keep things in a proper shape when a weak brother can't stand the storm. We would suggest Wilson, on the 19th of July, as a suitable place for friend Johnson to display his convention ability.

The Independent State Convention convenes June 7th.

The Republican State Convention convenes June 14th. Congressional Convention of the 2nd District, convenes July 19th.

Judicial Conventions, Second District, meet in Tarboro June 25th, to nominate a Judge and Solicitor.

Wayne County Convention convenes June 10th.

Hon. John H. Collins, Solicitor of the 2nd Judicial District, called in our office just as we were going to press. He speaks hopeful of being nominated for Solicitor.

Messrs. C. B. Aycock and E. T. Albritton, County Superintendents of Education for Wayne and Greene respectively, announce that the Goldsboro Normal School for the counties of Greene and Wayne for the colored teachers will begin on June 13th, and continue one month. They urge that every colored teacher in these two counties be certain to attend; all others are invited. A fine programme with a list of instructors will appear.

This is one of the best opportunities we have ever had to fit the colored teachers for the work of the school room. We hope that every young man and woman of our race will appreciate the efforts of Messrs. Aycock and Albritton in establishing these Normal Schools for the training of the white and colored teachers in the counties of Greene and Wayne. Board can be had at reasonable rates for all who wish to attend.

No teacher can afford to be absent from this school for the training of teachers and fitting them to know how to teach and govern their schools.

The Republicans of the 4th Ward of Goldsboro, met at the court house on the 24th inst., for the purpose of electing delegates to the county convention, which convenes in Goldsboro on the 10th day of June, at 12 o'clock m., to elect delegates to the State and Congressional Conventions.

Mr. J. F. Dobson, chairman of the 4th Ward executive committee, called the meeting to order and explained the object. After which he announced that it was in order to elect a permanent chairman. Upon motion Rev. S. V. Cravon was unanimously elected chairman. Col. Geo. T. Wassom and Mr. H. S. Davis were requested to act as secretaries.

Major H. L. Grant, Geo. T. Wassom and C. C. Best, Esq., were elected delegates, and Messrs. J. B. Capps, J. G. Bagwell and W. H. Thompson were elected alternates.

Messrs. Geo. T. Wassom, J. B. Capps and J. F. Dobson were elected executive committeemen for the ensuing two years.

A vote of thanks was voted the chairman and secretaries for the faithful manner in which they had transacted the business of the meeting. Adjourned *sine die.*

The Good Samaritans of Goldsboro had a good time last week. It was an occasion of a picnic and levee. The way they destroyed the good things that were spread before them, is not a surprise to those that had the good fortune to be present. The editor of the *Star* was invited to deliver the address of the occasion, but his absence in the western part of the State prevented his presence on that enjoyable occasion.

### APPOINTMENTS OF REV. W. J. MOORE, FOR JUNE.

3rd and 4th—Keysville Circuit.  
14th and 12th Leachville " "  
17th and 18th Town Creek " "  
24th and 25th Morrisville " "

It has fallen from the lips of a dying 2nd District office holder, that it would never do for a Wayne county man to be nominated for Congress, *haze*, says he, the county will soon be out of the Congressional District. But that is not this loquacious gentleman's real reason, his reason is, that if a Wayne county man was nominated he would have to go to work for a living instead of dictating to others what to do. There are some men who are friends so long as they can use you, but the very moment you show to them your manhood they will forget past favors and bestow all their affections and rewards upon those that damned them. If there is one man more than another that should be condemned by his fellow man, it is he who forgets his friends and seeks the company of his enemies with reward.

GEN. ROBT. B. ELLIOTT.—The *Republican* New Orleans, says: On Tuesday the 11th, in the United States Circuit Court, Judge Billings presiding, on motion of Col. Leonard, U. S. District Attorney, Gen. R. B. Elliott was admitted to practice. His admission into that honorable body of learned practitioners is the first instance of the kind within our knowledge of a recognized Negro entering that select circle of the expounders of our National Law. If experience and talents are desirable requisites to the lawyer, then success certainly awaits Gen. Elliott.

But such is not the fact that Gen. R. B. Elliott is the first colored man admitted to practice in the Supreme Court of the United States. Hon. Jno. Smyth, of North Carolina, now Minister to Liberia, on the Western coast of Africa, is the first negro that ever donned that modern court of learning.

### SAMARITAN NERVINE

Cures Alcoholism, Drunkenness and the habit of Opium Eating. These degrading habits are by far the worst evils that have ever befallen suffering humanity. Thousands die annually from these noxious drugs. The drunkard drinks liquor not because he like it, but for the pleasure of drinking and treating his friends, little thinking that he is on his road to ruin. Like the Opium Eaters, he first uses the drug in small quantities as a harmless antidote. The soothing influence of the drug takes strong hold upon its victim, leading him on to his own destruction. The habits of Opium Eating and Liquor Drinking are precisely what eating is to aliment veins, as over-eating first influences the stomach, which redoubles its cravings until it paralyzes both the stomach and appetite. So every drink of liquor or dose of Opium, instead of satisfying, only adds to its fierce force, until it consumes the vital force and then itself. Like the gluttonous tape-worm, it cries "Give, give, give!" but never enough until its own rapacity devours itself. Samaritan Nervine gives instant relief in all such cases. It produces sleep quiets the nerves, builds up the nervous system, and restores body and mind to a healthy condition.

### SAMARITAN NERVINE

Cures nervous Dyspepsia, Palpitation of Heart, Asthma, Bronchitis, Scrophulo, Syphilis, disease of the Kidneys and all diseases of the urinary organs. Nervous debility, caused by the indecisions of youth, Permanently cured by the use of this invaluable remedy. To you, young, middle aged and old men, who are covering your sufferings as with a mantle by silence, look up, you can be saved by timely efforts, and make ornaments to society, and jewels in the crown as your Maker, if you will. Do not keep this a secret longer, until it saps your vitals, and destroys both body and soul. If you are thus afflicted, take Dr. Richmond's Samaritan Nervine. It will restore your shattered nerves, arrest premature decay, impart tone and energy to the whole system.
