SATURDAY, JULY 3, 1909.

Senator Aldrich keeps on revising the tariff to boom special interests and to deprive the treasury of funds.

at Washington that may rob Beverly of all glory as the summer capital. General Coxey, of commonwealth

army fame, recently rode up to the White House in a big red automobile.

The bridges, subways and skyscrapers of New York are rendering the plain, old-time streets almost superflous.

The monarchs of Europe are said to urday. be trying to bring about a gentlemen's agreement touching all things except Dreadnoughts.

We hear a great deal about Mrs. Carrie Chapman Catt, but nothing at all about Mr. Catt, and his first name may be Thomas.

against the swelled head. If they were It started in the back end of the barn. not they would have quit work long ago and gone to talking.

The city of New York has reimbursed Mayor McClellan to the extent of \$83,000 expenses incurred in defending his title to office when assaulted by Mr. Hearst.

HOW WILL IT BE IN 1910?

"If the upward tariff revision is in the bill when it reaches the President Black Creek Monday in the interest and if that bill, with its rejection of of the play "Imogene," which will Republican campaign pledges, is sign- be given there Thursday evening at friends here. ed, what will be the verdict of Kan- 8:30 o'clock. sas, Nebraska, Ohio, and the rest of the Western states which vote next

This question is not copied from a Democratic newspaper, not even from an insurgent independent Republican paper-it is a question asked by the "trooly loil" St. Louis Globe-Democrat. When the Globe-Democrat de- Friday afternoon at four o'clock. All return home to Fayetteville from mands that Mr. Taft keep his cam- are cordially invited to attend. paign pledges in favor of a revision downward, there is surely trouble brewing in the G. O. P. in the Middle West. It plainly foresees the election of a Democratic House of Representatives in 1910 unless the revision up is changed in conference to a revision

Nor is this all. The Globe-Demoerat intimates that New York, New Jersey and Connecticut will elect Democratic governors in 1910. Indiana is now Democratic. Harmon car- week. ried Ohio in 1908, and the Globe-Democrat says he will be renominated in 1910, with the hope of making him the logical candidate for the Democratic Presidential nomination in 1912. Bryan will endeavor to carry Nebraska in 1910. The loss of Taft's state and a Bryan victory in Nebraska would be very embarrassing in the estimation of the Globe-Democrat to

To use the Globe-Democrat's own words "there are many reasons why on the parsonage fund. This play is the Republicans should go very slow at this time in breaking Republican character did well and deserve much campaign pledges." There are many praise. The play will be given again more reasons, however, why Mr. Taft in the near future fo rthe benefit of went to his assistance and found him should refuse to sign a revision-up the piano fund bill in the very teeth of his numerous pledges to the contrary made to the people last summer. In his acceptance speech he advocated downward revision, and he rarely failed in a long speaking campaign to renew his pledges to the people. On September 22 at Cincinnati he said:

"The Dingley tariff has served the country well, but its rates have be come generally excessive. They have become excessive because condition have changed since its passage in 1896. Some of the rates are probably too low due also to the change of conditions. But, on the whole, the tariff ought to be lowered."

before the Ohio Society he said:

sign the Aldrich bill in the face of Goldsboro, to-wit: Bedroom suits, nine innings had been played. such pledges is incomprehensible. The dining room furniture, office fixtures, ble popular result.

TIMBER CONSUMPTION LAST

Last year 31,231 sawfiills manufactured 33,289,000 feet of lumber. This was a very considerable cutput, and Personal Mentions and Curyet it was seven billion feet below the production of 1907. The production of that year was the highest ever recorded, 40,256,154,000 feet. The decrease in cut ifi 1908 was 17 per cent. The state of Washington leads all the rest, and its lumber is Douglas fir. Louisiana comes next, and Mississippi Michigan, Oregon, Minnesota, Penn-One Year..... \$1.00 sylvania, Virginia, Alabama, North Bix Months..... 50 Carolina and West Virginia. There

were no other billion states last year. Yellow pine is easily the leader in the list of products followed in order by Douglas fir, white pine; oak, hemlock and spruce. Yellow pine has led the list over ten years. White pine is now in third place.

Despite the numerous big mills the small sawmill cuts a great deal of Mrs. George Becton. lumber, and the census bureau gathers figures of production from ev n the smallest mills. In New York the are 2,291 small sawmills, and in Penn-The President has an engagement sylvania nearly as many more.
