EDITORIAL BRIEFS.

Blaine is out and out for Trusts, and says they are "private affairs."

"Fate" says an exchange, "is evidently amusing itself with Gen. Boulanger." The bulging hero, so far as fooling with himself is concerned, appears to be fate in an undoubted shape.

Herr Most, of New York, says, there are about two millions of Anarchists in the United States. Most evidently overestimates the number of cutthroats and scoundrels in our midst.

The Republican campaign thunder so far has all been made by James G. Blaine, and is like some clouds in being transparent, thin and weak, and like also to something else we read of in being "full of sound and fury, signifying nothing."

Harrison, the grandson of William Henry, did not cause any enthusiasm when he was nominated, and he certainly causes no enthusiasm now. He is the flattest candidate the G. O. P. ever had. The Republican press, after finding out how flat Harrison was, tried to make the best of a bad bargain and pretended not to want a hurrah campaign.

Mr. Whitaker, chairman of the state executive committee, has received a letter from Rev. Mr. Sanderlin, the Democratic candidate for auditor, who has been very sick, stating that he has so far recovered, he expects to resume the canvass at Graham, Alamance county, on Saturday next. This is highly encouraging news, as Mr. Sanderlin is a fine campaigner and is making votes for the Democrats every where he speaks.

The Elgin Watch Company has recently declared a dividend of 40 per cent., and the Essex cotton mill a dividend of 42 1/2 per cent. out of the earnings of the mill for the past year. Certainly these mill owners are making money. They are "protected" and want more protection; but how much did their employes make during the current year? Keep the price of cotton goods up and you enable the Essex cotton mill owners to make 42 1/2 per cent. on their money.

Reynolds; register of deeds, J. J. Mackey; coroner, W. D. Hilliard; surveyor, R. H. Starnes. The proceedings were characterized by harmony and enthusiasm.

Col. Waddell at Salisbury. Salisbury, N. C., Aug. 18.—Hon. A. M. Waddell spoke here to day to a large and every way attentive audience. His speech was a magnificent dead level stretch of sense and truth. He made votes.

Washington Notes.

Washington, August 18.—It is hinted about the capitol to-day that some statistics have been collected which have already given rise to much uneasiness among tariff reformers and are calculated to create a sensation if officially published. It is said that these statistics will show that the revenues of the government for the current year will exceed the expenditures contemplated by the various bills making appropriations by not more than thirteen million dollars. As several of the bills carrying large appropriations, although passed by the House, have not yet gotten beyond its control, it is said to be possible, now that attention has been drawn to the matter, that they will be heavily cut or allowed to die without becoming laws in order to reduce the prospective large figure approaching what had been accepted at the beginning of the session as fair estimates.

Speaker Carlisle says he will meet Mr. Blaine in a joint debate on the tariff question if the National Committee consider such step desirable.

Democratic Congressmen at Pittsburgh.

Pittsburgh, August 18.—Senator Vance, of North Carolina, and Congressmen Benton McMillin, of Tennessee, Tarsney, of Michigan, and Marsh, of Pennsylvania, arrived from Washington at 9 o'clock this morning to take part in the annual reunion of the General Association of the County Democracy at Exposition Park this evening. Senator Blackburn and Representative Scott, of Pennsylvania, Cox, of New York, Townsend, of Illinois, are expected here this evening.

Attempted Robbery of a Train.

St. Louis, Aug. 18.—A special to the Post Dispatch from Cheyenne, Wyoming, says: An attempt was made at two o'clock this morning by masked men to rob the Union Pacific east bound overland passenger train. At Dana station, near Rawlins, three masked men covered the engineer with revolvers and compelled him to throw up his hands. Brakeman Frank Tallman grappled with one of the robbers, the express messenger came to the rescue and the robbers were put to flight after thirty or forty shots had been exchanged. Fire man Nash and brakeman Tillman were seriously wounded, the former shot in the hip and the latter in the side. One robber was dropped but was carried off by his comrades. The sheriff of Carbon Co. with a posse is in pursuit.

Yellow Fever.

Washington, D. C., Aug. 18.—Surgeon General Hamilton has received a dispatch from Jacksonville showing four new cases of fever and no deaths during the twenty four hours ending last evening.—Surgeon Hutton, now stationed at Mobile, has been ordered to Way cross, Ga., relieving Passed Assistant Surgeon Urquhart.

Jacksonville, Fla., Aug. 18.—Not a new case of fever has been reported today. There was one death last night at the Sand Hills.—Frank Donovan, a boarder from the Grand Union Hotel. The day is fine and the outlook is very encouraging.

Twenty People Killed by "Regulators." New Orleans, La., Aug. 18.—Reports from Freetown and other sources indicate that more than twenty negroes were killed on Thursday by the Regulators and several others severely wounded. A special to the Picayune from Shreveport says: Tuesday last a

negro was hanged by a mob near Big Cypress Bayou in Bossier Parish, for breaking into a store and stealing a sum of money.

A Tragedy in Illinois.

Ottawa, Aug. 18.—There was a terrible tragedy at Prairie Center yesterday. A dance was given by Norwegians. Whisky flowed freely and all got intoxicated about midnight. Two young men got into a fight over a partner for the dance and one of them was stabbed. The men present took sides, and revolvers and knives were used freely. Eight are reported shot or stabbed, four of whom may die.

A Manufacturing Concern Shuts Down.

Lowell, Mass., August 18.—The Hiscox File Company, of West Obelmsford, shut down last night for an indefinite period owing to the persistent and aggressive war of the stockholders voted to petition the company into insolvency. The aggregate liabilities are in the neighborhood of \$100,000. The value of the assets is not known.

A Steamer Wrecked.

Halifax, N. S., August 18.—The Norwegian steamer Liberta ran on White Island, off Eburn Securn, last night and is a total wreck. The crew were saved and have reached the mainland. The Liberta was from New York and bound to Stettin. No particulars of the disaster have been received, further than the ship's bottom was crushed in and her cargo is being washed out.

Broke Jail.

Moncure, N. C., Aug. 18.—Two prisoners broke jail at Pittsboro last night, Mack Miken and Wm. Minter, colored. One of them had been transferred from Alamance jail to Pittsboro on account of threats of lynching.

Military Conspiracy in Spain.

London, Aug. 18.—Advices from Spain say a military conspiracy has been discovered at Madrid. A cavalry officer and several sergeants and privates have been arrested. A strict watch is being kept upon suspected men in the garrisons at Saragossa and Lerida.

NEW FALL GOODS.

As the Stocks of Spring Goods this season have become exhausted, so much so that it is impossible for customers to get what they want, I have replenished with an

NEWEST DESIGNS OF DRESS GOODS,

with Trimmings to match. And I can assure all that my

BLACK GOODS DEPARTMENT

is better supplied than ever before with all kinds and prices of Cash meres, silk warp Henrietta Cloths, Jubilee Cloths, Flannels. Black Silks, and a full line of the latest Trimmings to match.

CLOTHING.

The Clothing Department is better supplied than ever before, as I have closed out most of my old stock. The trade compelled me to do in ahead of the season, so I have now in stock the largest and best selected assortment of Clothing I have ever offered, and at prices lower than ever before. All I ask is a trial before you purchase.

SHOES.

The Shoe Department is now complete, and all I have to say is just call in and you will be suited in style and price.

HATS.

If you want a Straw Hat to wear out the season, come in and you can get one very reasonable. I will not say at cost, for you would not believe it, as that is an old song—and not many merchants ever succeeded in selling on such terms.

Fur, Wool and stiff Hats to suit every body.

THE CARPET DEPARTMENT

will be complete in a few days, as the order for my fall stock is now in the mills and will be filled in a short time.

I can supply the demand with every thing in the line of Carpets, Oil Cloths, Rugs and Curtains.

Call and see for yourselves. I have been doing business too long to sing the old song of "Rock Bottom," "Below every one else," "Best," and many other such straws; but come and see and you will be treated politely and business like.

Respectfully,

G. WILL ARMFIELD.
