### SPECIAL PARAGRAPHS.

- Rah, for Cleveland for President!
- Rah, for Thurman for vice-President!
- Rah, for Fowle for Governor!
- Rah, for Holt for Lieutenant Governor!
- Rah, for Morehead for Congress!
- Rah, for Dobson for Cleveland elector!
- Rah, for Caldwell for the Senate!
- Rah, for McLean for the House!
- Rah, for Kennett for the House!
- Rah, for McNairy for the Sheriff!
- Rah, for Sapp for Register of Deeds!
- Rah, for Kirkman for Treasurer!
- Rah, for Tate for Coroner!
- Rah, for Gambol for Surveyor!

Yes, Rah, for everything that pertains to North Carolina Democracy, which was ever true to the country, and steadfast in its maintenance of the rights of all the people: strong and unwaivering in the defence of a blood-bought liberty; a refuge in the hour of danger, and heaven of rest in peace; a guarantee of good government, and a bond for the preservation of the liberties of all our citizens; a pledge of justice and the preservation of order, appeals again to its sons—the descendants of its illustrious defenders to stand by it as their fathers stood by it, and believed in it as the corner-stone of American liberty!

The PATRIOT'S advice: work now and rest when the victory is won

A Republican victory in North Carolina means ten thousand bankrupt homes and negro officers in every county throughout the State

The horrors that would inevitably follow a Republican victory in this State at the November election are almost beyond description.

A vote for Cleveland is a vote for a reduction of taxes; while a vote for Harrison is a vote for higher taxes and lower wages for the workingmen.

Fellow Democrats, leave no stones unturned for the next thirty days. "Lay on McDuff, and damned be he who first cries, hold, enough!" shall be our motto hence forth.

On behalf of the helpless mothers and wives, and hundreds of thousands of little blue eyed children all over the land, we appeal to the white men of the "Old North State" to show their colors on the 6th of November by voting the straight Democratic ticket from Cleveland down to constable.

A vote for Fowle is a vote for a continuation of the white man's government in North Carolina; a vote Dockery is a vote for the day to come when Dockery "can place his right hand on the head of a little white child, and his left hand on the head of a little colored child and march them into Sunday School together."

### BY TELEGRAPH.

Cross Swears Out a Warrant against Stamps and Primrose.

Raleigh, N. C., Oct. 10.—A sensation was caused here yesterday by a report on the streets that Chas. E. Cross had sworn out a warrant against Messrs. E. R. Stamps and W. S. Primrose, former president and director of the State National Bank respectively.

Inquiry revealed the fact that such a step had actually been taken by Mr. Cross. Mr. Cross was interviewed and stated that he had taken the step not with a view to bringing Messrs. Stamps and Primrose into trouble, but to getting the whole matter of the affairs of the State National Bank before the public and into the courts in order that justice might be done.

### A CARD.

In connection with the proceeding Mr. Cross publishes the following card:

"After mature thought, I concluded to pursue the above course—not for the purpose of getting Messrs. Stamps and Primrose into trouble, but simply to prove to the good people of this city and the State of North Carolina, beyond even a question of a doubt, that which I have said as to the condition of the State National Bank at the time I took the presidency of the same, also the manner in which I was induced to take charge of said bank, is true. This is the only way I can conceive of to get at the facts. I sincerely hope the offenses charged against Messrs. Stamps and Primrose are barred by the statute of limitation, I merely want everybody to appreciate the position I was in.

C. E. CROSS.

### Activity at Headquarters.

Raleigh, N. C., Oct. 10.—A large force is engaged in the offices of both the Democratic and Republican headquarters sending out documents and conducting correspondence. Both sides are working hard, and as the election approaches political interest is warming up.—In Durham on Thursday night last there was one of the most imposing Democratic demonstrations that has yet taken place, and the enthusiasm was intense. It was demonstrated beyond doubt, that large numbers of the factory operatives who voted for Nichols two years ago under his false colors of being the "workingman's candidate," will now cast their votes squarely for Bunn and the Democratic ticket generally.

### Durham's Exposition a Magnificent Success.

Durham, N. C., Oct. 10.—The Exposition is the biggest success ever in the State. The display is beyond all expectations. The industrial parade is by far the largest and grandest ever witnessed anywhere. Bunn and Ransom are now speaking to an immense crowd in front of the Hotel Claiborn. Vance and Wade Hampton speak at the soldiers' reunion tomorrow. Durham has outdone herself.

Rain causes postponement of today's programme for Exposition till tomorrow. Programme of Thursday and Friday carried out Friday J. S. Lockhart, Prest.

### "TWO SOULS WITH BUT A SINGLE THOUGHT."

"I want to see the day come when placing my right hand on the head of a little white child, and my left hand on the head of a little colored child, I can pass them into Sunday School together."—*Oliver H. Dockery, Republican candidate for Governor of N. C.*

"Down with the White Man's party." "That the right of suffrage rests on no mere circumstance of race, color, sex or nationality."—*7th plank of the National Prohibition platform and slogan of the organ of the Prohibition party in North Carolina.*

White or black—it matters not—where do you stand?

### A CARD.

Having other business that will largely occupy my attention and probably call me away from the city at intervals during the next year, I have arranged with Mr. A. B. Frey, of Millersburg, Ohio, to take charge of my jewelry store. Although recently from Ohio, Mr. Frey is a Virginian and a gentleman whom I am proud to introduce to my customers. He has a thorough knowledge of the jewelry trade. If you want a new watch, or the time piece you have needs repairing, call and make his acquaintance.

The ladies especially will find him courteous and attentive. He will sell them new goods or repair their broken jewelry at the lowest prices possible for fine quality and superior workmanship. The science of optics is one of Mr. Frey's specialties. A careful study and long experience have made him one of the best practical opticians in the country. If you require an expert to fit you with a pair of spectacles or eye-glasses, don't fail to call and see him, and no matter what the defect of vision may be, if it is possible to receive assistance from the use of glasses, he will supply you with just what is best suited to your eyes. Engraving is another specialty, and in fact for anything you ordinarily require at a jewelry store you cannot go wrong if you call. Very Respectfully,

J. J. THORNTON.
