SPECIAL PARAGRAPHS.

Vance to-morrow.

Brave the danger and save the Democracy.

If you want lower taxes, vote the Democratic ticket.

If you want better times, vote the Democratic ticket.

If you want the war tariff reduced, vote the Democratic ticket.

If you want better wages, workmen, vote the Democratic ticket.

If you want more money in circulation, vote the Democratic ticket.

If you want to break up "Trusts" and monopolies, vote the Democratic ticket.

If you want to see white men rule this country, vote the Democratic ticket.

If you want to lighten the burdens of the farmers, vote the Democratic ticket.

If you want the internal revenue system abolished or modified, vote the Democratic ticket.

Democrats, let no grass grow under your feet between now and the 6th of November.

If you want an economical administration of our public affairs, vote the Democratic ticket.

If you wish "peace on earth, good will to all men" between the races, vote the Democratic ticket.

If you want to give the workingman an equal show with the millionaire, vote the Democratic ticket.

If you want to see peace and prosperity shine all over the land, from every hill and dale, vote the Democratic ticket.

If you want to protect your sacred firesides and helpless wives and blue-eyed children against the "torch and the dagger," vote the Democratic ticket.

The Republican managers are finding that their "tariff scares" the other way. The workmen and legitimate business men are growing every day more solid for Cleveland, lower taxes and better wages.

The workingmen are coming over to the Democratic party almost in a body. They understand what the issue is. They understand that the Democratic policy of tax reduction will help them if it is put into operation.

If you wish to see the white winged angel of Peace perched up on every hill top from the mountains to the seashore, proclaiming peace and prosperity from every section of the State, vote the Democratic ticket.

If you would revere the traditions and glorious deeds of your dead ancestry, whose bravery upon a hundred battle-fields has inscribed their names in words of silver and letters of gold on fame's everlasting scroll, vote the Democratic ticket.

The Old North State Forever! Richmond, Va., Oct. 23.—J. M. Curran, of Granville, took the highest premium on new wrappers at the Exposition today; J. D. Cooper, of Vance, the first premium on new cutters. Our Granville county golden belt against the world!

LATEST NEWS.

FROM ALL PARTS OF THE WORLD.

BY TELEGRAPH.

Yellow Fever.

Fernandina, Fla., Oct. 23.—New cases, 14; whites, 4; David Basily, Arthur Krebster, Mrs. Sadie Creuse and an infant named Swaringer. No deaths. Weather very warm. Reports from Chester say there were six cases in 24 hours. We have sent relief to them, providing medical attendance and medicines. Dr. Ross, United States Surgeon, has gone to investigate. Vessels can enter this port and come to the city by leaving their crews at the island, where the government has provided shelter for them. Our cry is still for more funds and provisions.

(Signed) R. S. SCHUYLER, Sec'y Howard Association.

Mud Run.

Mauch Chunk, Pa., Oct. 23.—The District Attorney of Carbon county shortly before midnight last night issued warrants for the arrest of Henry Cooke and Thomas Major, engineers, John Mulhearn and Jos. Pohl, look outs, James Hannigan, flagman, and Chas. Terry and Jas. Keithline, conductors, charging them with gross negligence and wilful misconduct and for failing to observe the precautions and rules which it was their duty to obey and observe while they were employed in the conveyance of passengers for the Lehigh Valley Railroad Company, causing the great accident at Mud Run which resulted in the killing and injuring of many persons.

Contributions for Fever Sufferers.

Pensacola, Fla., Oct. 23.—The following appeal was issued today to all lodges of I. O. O. F.:

Whereas, dread pestilence of yellow fever has made sad havoc among our brothers at Jacksonville and Fernandina, and has not been confined to the members of the local lodges at those points, but many brothers from other jurisdictions have been stricken down by fatal disease, and Whereas, the funds subscribed so liberally by lodges in this jurisdiction, and other voluntary contributions, have been exhausted and much suffering and distress is now imminent, and with the permission of Grand Sire John C. Underwood, dated Columbus, O., Oct. 20, 1888, I would make an earnest appeal by this means to the brotherhood at large to make small contributions for their relief, which may be sent to me at Pensacola, Fla., and which will be promptly acknowledged, and forwarded by me to the Odd Fellows' relief committee at Jacksonville and Fernandina. (Signed) C. C. YONGE, Jr., Grand Master I. O. O. F., of State of Florida.

"Buck" Kitchin.

Hendersonville, N. C., Oct. 23.—There was great enthusiasm here today. Five hundred people were present. Kitchin spoke two hours in the court house, followed by Devereux and Dockery. The Republicans are using every effort. They had a brass band and a large delegation from Asheville. The campaign waxes hotter. The Republicans are mad and defiant.—They refuse Democrats courtesies. Dockery and Devereux repeat the same slanderous speeches. The result of the conflict here was great good for the Democrats. Devereux and Dockery made the weakest speeches during the campaign. An effort was made to give Dockery a big demonstration, which resulted in an utter failure. Kitchin was wildly cheered during his masterly speech. Ewart, Republican candidate for Congress, is losing ground daily. There is strong hope for Henderson county going Democratic in November. The most encouraging reports are coming in from every section of Western Carolina. Kitchin has caused a striking blow to Republicanism in the west. The west is no longer doubtful but almost solid for the Democracy.

Washington Notes. Washington, D. C., Oct. 23.—The Treasury today accepted tenders of \$777,000 four and a half per cent bonds at 128½. Some fours were offered at 128, but all were rejected.

Passed Assistant-Surgeon Cunningham W. Dean died on board the coast survey steamer MacArthur at San Francisco yesterday. He was a native of Richmond, Va. Surgeon-General Hamilton sent the following telegram to Dr. Porter at Jacksonville this afternoon: "Your authority to keep refugees out of the city must come from the City Council. With such authority you need nothing further from the government. In regard to disinfection of bedding, the government only proposes to pay for the destruction of mattresses, pillows and comforts necessarily destroyed in the houses of the poor. Persons able must sustain their own loss. The City Council should pass an ordinance exacting a penalty for concealment of infected articles in houses. The use of the public laundry and disinfection building when constructed will be free. Carpets need not be destroyed, but should be subjected to steam process."

INTERESTING DRY GOODS "NEWS"

BY Woodward & Lothrop.

The fall trade may be said to be fairly underway. The store is brim-full of the season's best productions, both foreign and domestic. Our preparations for the coming season's business have been on a greater scale than ever before, and we are in a position to cater to your wants to better advantage than was ever otherwise possible.

Great Silk Bargains. A fortunate purchase of Guinet's best black imported silks enables us to offer our customers the greatest values in these world renowned fabrics ever placed on sale. The forced stagnation of the trade in the far South is being felt in that commercial heart-center, New York; and importers are compelled to find a sale for the goods that would otherwise have gone into that section.

We are always on the alert, and have just secured, among other goods, five lots of Guinet's black silks, which we propose to unload at a small advance, thus retailing this most reliable brand at the lowest prices it has been known to reach.

Lot 1, Qual. E, only 87½c. pr yd. Lot 2, Qual. D, only 94c. per yd. Lot 3, Qual. C, only \$1 per yard. Lot 4, Qual. B, only \$1.12½c. yd. Lot 5, Qual. A, only \$1.20 yard. We refrain from quoting the usual selling price of these five qualities, confident that your discerning judgment will instantly recognize their intrinsic value. (First floor; annex.)

"Opening" of Ready-made Garments. The entire third floor has on its best dress this week. Every line is full of the best of the season's styles and qualities. Ladies' suits, jackets, wraps, both long and short; Newmarkets, Raglans, Modjeskas, &c. Children's and Misses' suits, jackets, cloaks, newmarkets, &c. Ladies' flannel wraps and waappers, tea gowns, &c., of other materials. The entire floor is in "dress parade," and we beg you will give it an inspection. As we purchased only one, two, and a few of some of the extreme styles, we suggest to those of our customers who wish something "exclusive" to call early in the week. Bargains will be offered, and especially in the lower grades. (Third floor.)

New Curtain Materials. This will be good news to the ladies who have been waiting. We beg your indulgence for the unavoidable delay, and believe those who have not yet bought will be glad they waited. We can only tell of a few lots to-day, as more are yet coming.

NEW FALL GOODS.

The stocks of Spring Goods have become exhausted so that it is impossible for customers to get what they have replenished with an entirely New Stock of Goods, to the late Summer and Fall. The goods are in the house to furnish all of my trade with the latest styles the market affords.

Designs of Dress Goods,

with Trimmings to match. I can assure all that my

BLACK GOODS DEPARTMENT

is better supplied than ever before with all kinds and prices of Cashmere, silk warp Henrietta Cloths, Double Cloths, Flannels, Black Silks, and a full line of the latest Trimmings to match.

CLOTHING.

The Clothing Department is better supplied than ever before, as I have closed out most of my old stock. The trade compelled me to go in ahead of the season, so I have now in stock the largest and best selected assortment of Clothing I have ever offered, and at prices lower than ever before. All I ask is a trial before you purchase.

SHOES.

The Shoe Department is now about complete, and all I have to do is just call in and you will be suited in style and price.

HATS.

If you want a Straw Hat to edge out the season, come in and you can get one very reasonable. I will not say at cost, for you would not believe it, as that is an old story—and not many merchants ever succeeded in selling on such terms.

Top, Wool and stiff Hats to suit every body.

THE CARPET DEPARTMENT

will be complete in a few days, as the order for my fall stock is now in the mills and will be filled in a short time.

I can supply the demand with every thing in the line of Carpets, Oil Cloths, Rugs and Curtains.

Call and see for yourselves. I have been doing business too long to sing the old song of "Rock Bottom." "Below every one else," "at cost," and many other such straws; but come and see and you will be treated politely and business-like. Respectfully, G. WILL ARMFIELD.
