SPECIAL PARAGRAPHS.

Cleveland stock is booming! Harrison is weakest where he is best known.

Republicans have thrown up the sponge in Indiana.

Republicans themselves admit that Harrison stock is on the wane.

Now is the accepted time to bury the old defunct Republican party forever.

The homestead law in North Carolina was the creation of the Democratic party.

The Democratic party was the father of the mechanics' lien law in North Carolina.

The Democratic party gave the State her first free schools, away back before the war.

Remember what the Democratic party has done for you when you cast your vote on the 6th of November.

Fellow-citizens, take Vance's advice: Say your prayers, kiss your wives and vote the Democratic ticket.

We can hardly think that any considerable portion of the white working people of North Carolina are in rebellion against the Democracy.

The Democratic or the Republican ticket will be elected in Guilford, and the prohibition Democrats have the power to say which one shall be.

Would you like to have your home sold to help pay Levi P. Morton \$30,000,000 that he claims from North Carolina? If so, vote for Dockery.

A vote against the Democratic party is a vote against the laboring man. Now let the laboring man make a note of who votes against him and his party.

The right of the colored people to testify in the courts of this State was conferred by the Democrats in 1866, long before the Republicans thought of giving them the right to vote.

The lines have been drawn, and the issue is labor against monopoly. The Democratic party represents the laboring man in his cries for relief, while the Republican party demands higher taxes. Which side are you on?

Will the honest white men of North Carolina, by their apathy—by their staying away from the polls on election day—consent to surrender their best interests, the best interests of the State, to the Republicans?

Do your duty and your whole duty. See that your own vote is polled and counted, and see that the lame and sick and weak kneed and indifferent and forgetful among your Democratic neighbors are left with no excuse for a neglected duty.

If Dockery is elected, and with him a Republican legislature, an attempt will be made to pay the \$30,000,000 of special tax bonds which were stolen from the State. In that case, every man, woman and child in the State will be taxed to meet this fraudulent indebtedness.

LATEST NEWS.

FROM ALL PARTS OF THE WORLD.

BY TELEGRAPH.

The Secret Died With Her.

Richmond, Oct. 27.—A report from Powhatan county says that Miss Nannie Gordon committed suicide by drowning in the Appomattox River Wednesday. She was to have been married on that day to Henry Flippin, of Cumberland county. Her body was recovered. No reason is given for the suicide.

Col. J. F. Hoke Dead.

Lincolnton, N. C., Oct. 27th.—[Special.]—Col. John F. Hoke, a leading citizen and prominent lawyer, died here suddenly this morning, standing on the front porch of his residence, viewing a passing Democratic parade. He was well and jolly up to the moment that he reeled and fell to the floor dead.

Vance at Oxford.

Oxford, N. C., Oct. 27.—Vance made a big speech here today to a large and enthusiastic crowd.

Morehead and Brower also spoke. The former made some telling points.

The Republican convention to nominate candidates here today was captured by the negroes, and many white Republicans are disgusted.

A Wreck.

Charleston, W. Va., Oct. 27th.—An early morning train on the C. & O. Railroad going west was thrown from the track just above this city this morning by a misplaced switch. The engine tender, baggage car, two coaches and the sleeper were thrown over an embankment and destroyed by fire, which broke out in the baggage car. Fireman John Eldins and Conductor W. A. Netherland, of the Chesapeake & Ohio, were burned to death. The misplaced switch is a mystery.

The Anarchists Again.

Chicago, Oct. 27.—The police are active and excited over today's developments, which they construe to mean renewed activity in anarchist circles. It was well known that the anarchists would commemorate November 11, the anniversary of the hanging of their leaders, but it was understood that everything was open and above-board. Today a copy of a circular dated October 22, inviting members of the "49 clubs" (which the police believe to be the successor of the Lehr Und Wehr Verein), to meet Thursday evening, October 25th, was sent to Inspector Bonfield. The fact that this meeting was held, and such an "order" exists without the knowledge of the police, evidently worries them.—After a consultation this afternoon, several detectives in plain clothes were dispatched to the North and West sides.

The Boston baseball managers have completed the deal by which they secure from Detroit the players Brothers, Richardson, White, Ganzel and Bennett, and from New York John Ward. Ward is to become captain of the Boston team.

Five Maryland monuments were dedicated on Thursday on the Get-

tysburg battlefield. They were those of the First Eastern Shore Regiment, First Potomac Home Brigade, Third Volunteer Infantry, First Regiment Cavalry and Rigby's Battery A.

An ingenious inventor has devised a new screw—half nail and half screw; two blows of the hammer, two turns of the screw driver, and it is in. Its holding power in white pine is said to be 432 pounds against 298 pounds, the holding power of the present screw.

SYNOD ADJOURNED.—Synod, which has been in session at Goldsboro for the past few days, adjourned Saturday to meet next year at Charlotte.

STOP.—If you would consider for a moment that a registration constituted one of the essential qualifications for voting you would stop everything and go and register.

PRESBYTERIAN ORPHANAGE.—The Presbyterian Synod in session at Goldsboro, Saturday, resolved to take steps looking to the establishment of an Orphan's Home within its bounds. A member of Synod tendered to the body a donation of one thousand acres of land and buildings as a nucleus for this enterprise. A commission of fifteen was appointed to take this matter under consideration, with authority to conclude the business and select a site for the proposed Orphanage.

INTERESTING DRY GOODS "NEWS"

BY

Woodward & Lothrop,

The fall trade may be said to be fairly underway. The store is brim-full of the season's best productions, both foreign and domestic. Our preparations for the coming season's business have been on a greater scale than ever before, and we are in a position to cater to your wants to better advantage than was ever otherwise possible.

Great Silk Bargains.

A fortunate purchase of Guinet's best black imported silks enables us to offer our customers the greatest values in these world renowned fabrics ever placed on sale. The forced stagnation of the trade in the far South is being felt in that commercial heart-center, New York; and importers are compelled to find a sale for the goods that would otherwise have gone into that section.

We are always on the alert, and have just secured, among other goods, five lots of Guinet's black silks, which we propose to unload at a small advance, thus retailing this most reliable brand at the lowest prices it has been known to reach.

Lot 1, Qual. E, only 87 1/2c. pr yd.
Lot 2, Qual. D, only 94c. per yd.
Lot 3, Qual. C, only \$1 per yard.
Lot 4, Qual. B, only \$1.12 1/2c. yd.
Lot 5, Qual. A, only \$1.20 yard.

We refrain from quoting the usual selling price of these five qualities, confident that your discerning judgment will instantly recognize their intrinsic value.
(First floor; annex.)

"Opening" of Ready-made Garments.

The entire third floor has on its best dress this week. Every line is full of the best of the season's styles and qualities. Ladies' suits, jackets, wraps, both long and short; Newmarkets, Raglans, Modjeskas, &c. Children's and Misses' suits, jackets, cloaks, newmarkets, &c. Ladies' flannel wraps and waappers, tea gowns, &c., of other materials. The entire floor is in "dress parade," and we beg you will give it an inspection. As we purchased only one, two, and a few of some of the extreme styles, we suggest to those of our customers who wish something "exclusive" to call early in the week. Bargains will be offered, and especially in the lower grades.
(Third floor.)

CLOTHING.

The Clothing Department is better supplied than ever before, as I have closed out most of my old stock. The Shoe Department is now about complete, and all I have to do is just call in and you will be satisfied in style and price.

HATS.

If you want a Straw Hat to follow out the season, come in and you can get one very reasonable. I will not say at cost, for you would not believe it, as that is an old story—and not many merchants ever succeeded in selling on such terms.
