- Aaron Lowe, of Hawkins ville, Georgia, has some edncated
chickens. Among their numerons chickens. Among their numerons
accomplishments is the wergacity displayed in catching jack worms. The fowls have heell tanght to take-
jine straws in their bills, run them pine straws in thair bills, run them
in the holes where the worms live in the holes where the worms live,
and then keep very quiet until the and then keep very quiet until the
jacks move the straws. When this is done, the chickens with great dexterity suatch the straw from the hole, and, nimetimes out of ten, they cateh the jacks.
