NUARY 4 1893. HIDES, P.D. POTATOES, & oushel-POULTRYspring TURKEY3-Never Too Late. No hour is too late to mend in. But one minute after the train starts is too late to get ready. Like the little boy with the toy railroad—like the real road and the actual traffic, we begin to run out our day's trains in the morning and hardly weary of them far into the night. How many of them start on schedule time? If the railroad, even in on schedule time? If the railroad, even in time of snowdrifts, or floods, or accidents, allows its trains to linger a few moments behind time, the depots and cars are filled with complaints. Are we half so particular in our own affairs? Do we not start our day and our breakfast at most irregular hours? And if the early train is behind time, who will keep track clear all day and re-arrange the disordered time-tables? Whose fault is it?—everybody's—but the condemnation rests especially on the wife and house-keeper, if she allows the first meal of the day to drag and grow tardy when at a moday to drag and grow tardy when at a moment's notice she could provide a meal suitable for the most delicate appetite or the heartiest railway engineer, by using Heckers' Self-Raising Buckwheat, which is always "on time." A Million Friends. A friend in need is a friend indeed, and not less than one million people have found just such a friend in Dr. King's New Discovery for Consump-tion, Coughs and Colds.—If you have never used this Great Cough Medicine, one trial will convince you that it has wonderful curative powers in all dis-eases of Throat, Chest and Lungs. Each bottle is guaranteed to do all that is claimed or money will be refunded. Trial pottles free at R. R. Belamy's Drug Store. Large bottles CLYDE N. Y. AND WILMINGTON S. S. CO. l'eserving Praise.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Cousumption, Dr King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. R. R. Bellamy, Druggist.
