OSAGE CITY, Kan., April 19.—About 4:30 o'clock yesterday afternoon one of the worst cyclones which ever visited Kansas struck this city, and in a short time forty buildings were wrecked and several lives were lost. About thirty persons were seriously injured, many of whom will probably die. The part of the city devastated lies on the south side of the tracks of the Santa Fe railroad, and comprises both business and residence buildings. Fully 100 houses, barns and stores in the suburbs were completely demolished. Telegraph and telephone lines are down and the streets are lined with debris. The damage is estimated at \$50,000.

THE RENDEZVOUS.

THE AMERICAN TARS CELEBRATING THEIR VICTORY—ANOTHER FRENCH CRUISER ARRIVES AND THE USUAL BOMBARDMENT OF THE CAPE. THE NEW CRUISER, THE DETROIT, SHOWS HERSELF TO THE FOREIGNERS. FORT MONROE, Va., April 19.—Another foreign ship passing in between the Capes early this morning and dropped anchor with the fleet. The French flagship Aréthuse, daily expected for some time, was sighted before many persons were astir. At 8 o'clock, as the bands on the flagships at anchor were playing national anthems, the big cruiser came easily drifting down the Roads under easy steam and just as she got abreast of the Philadelphia the American ensign broke out from her main and as its folds straightened out to the stiff breeze twenty-one guns were fired in its honor. The Aréthuse had hardly taken her position with her twelve guns, trussers and the Jean Bart and the Hussard, at the extreme east end of the fleet, when the water battery at the fort answered her, gun for gun. Then Admiral Gherardi was saluted with seventeen more guns and the Philadelphia promptly responded with the same number.
