the New Bond Issue - The ing 180 in the affirmative and none in the negative and the House, thereupon House Devotes the Day to resolved itself into Committee of the the Sugar Schedule-Op-Whole position to Bounty and Tariff. SENATE.

WASHINGTON, Jan. 22 .- A remonstrance from the Knights of Labor against the issue of Government bonds was pre-

amendment, substituting the provisions The resolution offered last Thursday of the existing law. on all sugars, raw and refined. Mr. Price, Democrat, of Louisiana, of the expediency of its retrenchment or Mr. Meiklejohn's amendment was then voted on, and was defeated-yeas, 82;

feated-yeas, 19; nays, 149. Senator Berry remarked that the law had been called non-partisan, but he believed that it was a regular party machine, which was used to keep Republi-cans in office. It was alleged, he said, escape but were recaptured. There was that five out of every six persons em-ployed in the classified service belonged to the Republican party and that was un-fair and unjust. He did not know whether the law could be repealed or not, but he believed that it should be modified and its operations restricted. Senator Cockrell asked whether the Funk. responsibility for retention of Republcans in office was in the law or in the Executive tarfff tax on sugar. Senator Berry said that he did not know where the responsibility lay, but he did know that the Civil Service law and rules were not carried out in a nonpartisan way and that some of the most extreme Republicans were holding office under a Democratic administration. He

believed that a Democratic President ought to be surrounded by political ings, etc. friends and not by those who were continually doing what they could to make his administration a failure. Senator Wolcott moved to strike out of Senator Berry's amendment the part then lost by a vote of 67 to 144. be reported. Who, he asked, could tell their politics? "What, declare martial law because were lower all around. The weakness a court happens to differ from his abroad was due to the drop in silver and opinion? Oh no." Col. Cockrell refused the fear of complications growing out of to discuss the matter further.

The club people are feeling jubilant The foreigners sold Louisville and Nash-ville, Union Pacific, Atchison and St. to-night. They are asserting that Judge Call will grant the injunction and that Paul. This, together with a break in the fight will occur in the arena in Jack American Sugar from 821 to 801 for the sonville. They are banking largely on ommon, and from S57 to S31 for the the fact that Judge Call, when county referred, upset calculations for a solicitor under the administration of ime. When the pressure against Sugar Governor Fleming, practically declared was lifted and the London sell-ing abated the whole list started that there was no law in Florida against glove contests. At that time there was up and a sharp rise ensued. Sugar was a so-called glove contest at the opera sold at the start on a theory that Conhouse and one of the principals knocked out. The moral element gress would impose an additional tax on raw sugar and not make a corresponding urged Governor Fleming to act, and the increase in the duty on refined, as wel Governor instructed Mr. Call as county as on the Philadelphia litigation now solicitor to prosecute. The principals progressing and the reduction of 1-16 to were indicted and arrested. Mr. Call c. per pound in the price of refined examined the law and when the time ugar made public by the company to came for trials advised Governor Flemday. The general list as estimated soon ing that he could find no statute under cut away from American sugar and ad-vanced sharply, the Grangers showing the greatest strength. St. Paul moved up to 60%, Northwestern to 1044, Rock which the fighters could be convicted. Governor Fleming then looked up the law and consented for Mr. Call to disniss the indictments. After that time Island to 68<sup>4</sup>, and Burlington to 77<sup>1</sup>. The December statement of the Northglove contests were of rather frequent currence. The club now hopes that if western, showing that the gross loss for the month was considerable below preudge Call refuses the injunction, he will in dismissing the bill, state that no vious estimates made by Stock Ex-change operators, had a good effect on the stock and incidentally on the other violation of the law is contemplated by the proposed contest.
