Stocks and Bonds in New York-The Grain and Provision Markets

of Chicago. NEW YORK, April 23 .- London selling, the labor troubles, the talk of gold exports, the light movement of freight from Chicago last week, and poor railway earnings led to a weak opening for stocks to-day. The following selling, according to arbitrage dealers, was due to the strike in bituminous coal regions and the exaggerated ideas of the importance of the unemployed now marching on to Washington. The bears, who have been waiting for a chance to hammer the market, thought it a good opportunity moderate amounts of St. Paul, Atchison and Union Pacific, they made a general attack all along the line. Prices declined to 1# per cent. New Jersey Central, General Electric, the Grangers, Chicago Gas, Sugar, Louisville and Nashville, New England, and Union Pacific scored the greatest losses. Reading fell # per cent to 19# on the statement of Expert Little, which was considered unfavorable. The selling movement abated after 11 o'clock and the market became steadier. There was but very little demand, however, except from bear sources. The rally ranged from to 18 per cent, and was most pronounced in the case of General Electric, Sugar, Chicago Gas, Cordage, Union Pacific, recovery was assisted by reports that the rates of exchange on Paris were less favorable for shipment of gold. placing of existing homes within reach of the army marching on Washington, he would object. Senator Peffer replied that he had in troduced the bill at the request of a gentleman of the District who had prepared the bill. He knew nothing about , and did not know what "for other

purposes" meant. Senator Peffer moved to proceed the consideration of his resolution for the appointment of a committee to give hearings to the Coxey army—rejected.

The Senate at 1 o'clock p. m. proceeded to the consideration of the Tariff bill and Senator Washburn addressed the Senate in opposition to the bill. He closed his speech at 4:35 o'clock, and Senator Dolph took the floor to continue the speech begun by him last Sat-urday. Before he began, notice was given by Senator Call that he would ask the Senate to consider to morrow the Fortification Appropriation bill. He was reminded by Senator McPherson that Senator Mills would require the whole day to-morrow in closing up the general debate- on the Tariff bill. DO YOU SUFFER WITH YOUR EYES?
Then why not consult me, it is more than probable that I can afford you relief such as Eye Strain, Headache, Granular Byelids, Weak Eyes and Sore Eyes. Being a practical Oculist Optician of eighteen years experience, you can save expense by having your eyes examined in the most serious case of impaired eyesight and measured for glasses free of charge.

That very few persons have perfect eyes. It must be evident that it requires both knowledge and skill to know what the eyes need and to fit them properly with glasses. Those who trust this work to uninstructed dealers are criminally careless of the most valuable of all the senses, their sight DR. M. SCHWAB'S Glasses correct all visual imperfection that may exist. Spectacle and Eye Glasses to suit all eyesight. Dr. G. MARCUS, Eye Specialist and graduated Optician, 220 Market street, near South Third street. Spectacles and Eye Glasses repaired. This Optical Institute is permanent.

TO OUR COMPETITORS.—Dry Goods Dealers seem to have caught on to the old French distich. "We are brothers and I'll cut your throat." We don't favor that sort of thing. We are doing the fashionable Dress Goods business on a broad and generous plan. Because it is difficult to judge dress goods, the majority think they can impose upon the credulous with ease. Dozens of comparisons daily made by know-how people show our stock to be a liberal per cent under current prices. Wilmington shoppers have generally an extraordinary knowledge of Dress Goods, Notions, &c. For correct styles and prices call on
