Report of the Committee on Plans and Scope-Resolutions Looking to Full Organization and Permanent Exhibit Adopted-A Committee to Perfect Details to be Appointed from the Southern States.

WASHINGTON, Aug. 31 -The second and last day of the commention for the Farrer from South Carolina. developmennt of Southern industries was opened by an address by W. P. Vincenheller, of Arkansas, commissioner of mines, manufactures and agriculture of that State.

W. Seymour White, of Fredericksburg, Va., chairman of the committee on plan and scope, presented the report of the committee, prefacing it by a protest against an impression that the convention was intended to "boom" the South. Such was not the intention, said Mr.

The report was in the form of a series | fifty miles west, Wednesday night, after of resolutions, in substance as follows: 1. That a permanent organization be effected by the establishment in Washington, D. C., of a permanent -bureau for the exhibition of all the resources of the Southern States, to receive, catalogue and properly list all properties with authentic information concerning them, and such exhibits as may be sent in for the general information of capital and labor that may desire to settle in any section of the South, and to promote immigration to the Southern States. The expenses of the bureau are to be paid out of a fund to be contributed pro rata by such ment's warning down upon the town, Southern States as may take part in its establishment and organization. A small and drowning a number of people. In registry fee is to be required of all parties this arid section such destruction by the listing properties for sale. As an adjunct elements has never before been chronto the central bureau in Washington, it icled. A BRITISH FRAUD.

THE VIGILANT AND SATANITA RACE YESTERDAY.

The Vigilent Far in the Lead When the Race is Declared Off for Lack of Sufficient Breeze-Precedents Ignored by the Committee Who are Censured by British Press Correspondents for their De-

The chairman announced the commit tee to formulate a plan for permanent organization, W. F. Beasley being the member from North Carolina and T. S. cision DARTMOUTH, Aug. 31.-After handsomely vanquishing the biggest of England's crack cutters, the Satanita, over half course of the Royal Dartmouth, Yacht WORK OF A WATER-SPOUT club, the Vigilant lost the prize through Towns Inundated-People Drowned the decision of the regatta committee. -Ranches Washed Away-Many It was certainly a race in the British acceptation of the term, as there is no time limit on yachting contests on this side of the ocean.

SAN ANTONIO, Aug. 31,-Newsreached It was Vigilant weather, in the opinhere by private telegrams that a cloudion of English experts. A light northburst flooded the town of Uvalde, the east breeze barely ruffled the surface of county seat of Uvalde county, eight the channel, bringing with it a mist that miles west of the Southern Pacific road, gave the fleet in the offing a spectral asand the town of Dhanis, Mediala county, pect. There were throngs from all over England to see the Vigilant's first duel midnight. The water in Uvalde was with Mr. Clarke's yacht. The contest three feet deep and the population took was for prizes of \$250 and \$150, under refuge on high ground. Three people the auspices of the Royal Dartmouth were drowned. In Dhanis two children club. The course was triangular. The were drowned. The water is four feet deep. The bridges and approaches of first leg, of about four miles, was from

the Southern Pacific were washed away the Dartmouth range, at the entrance in the harbor, due south to the Skerries bell UVALDE, Texas, Aug. 31 -A terrible buoy: thence in a northwesterly direccatastrophe befell this thriving town last tion to a mark boat off East Blackstone, about four and a half miles; and thence night, and to-day there is mourning in many households. The calamity was to the westward about a mile and a half entirely unexpected. The treacherous back to the starting point. The course Leona river, swollen to a raging torrent was sailed over four times and thus had by recent rains, rushed without a moeleven turns. The Satanita had half a minute the

start, but the Vigilant rounded the submerging and wrecking many houses Skerries buoy, the first turn, 2 minutes and 3 seconds ahead. Rounding the same buoy on the second turn the Vigi-

lant was 16 minutes and 40 seconds prejudiced advocate of the cutter that, been drowned. Among the bodies that barring accidents and flukes, the Vigilant was a sure winner by a big margin, which conservatives estimated would be But the fickle wind | to this, the contract stocks are low and out half an hour. fell almost to a dead calm just after the are centered in a few hands. September vachts rounded the Skerries buoy. The shorts took alarm during the latter part Vigilant was first round the east Blackstone mark boat. A breeze willingness to pay a premium for that came out of the south as she laid month. This intensified the strength in her course for the home mark. The Satanita stood in shore and seemed to get a better breeze, which enabled her to catch up a little. The Vigilant ran into a calm streak. The Satanita held the breeze until she passed Newstone, about a mile from the starting point. The breeze got around to the southward and the Vigilant widened the gap between herself and the cutter. The wind fell again and the yachts barely had steerage way. The Vigilant was far in the lead. At this point the committee decided to resterday was made. call the race off. It is surmised that the decision was somewhat influenced by the fact that the Satanita had no chance to win. In regard to the conflict of 10 raters, the committee had a different opinion. It decided that the 40-rater that was ahead at the end of, the first round should be declared the winner. The Royal Dartmouth club has the reputation of being the most unfair vachting organization in England. The lecision of their committed caused the Times and the Fields representatives here to indulge in very unfavorable comment in regard to Dartmouth club methods.

COMMERCIAL NEWS. DEMOGRATS PLEASED Stocks and Bonds in New York-Grain and Provision Markets of Chicago.

Wilmington Messenger.

NEW YORK, Aug. 31.-Speculation at the Stock Exchange was quiet, and, except for the dealings in American Sugar, the trading would have been absolutely without feature. In the general list there was a disposition on the part of the smaller bulls to even up their contracts on account of the approaching holiday, Again the market lacked foreign sup-

port, London having followed the lead of local operators, selling Louisville and Nashville and St. Paul and other stocks, which have moved up rapidly since the passing of the Tariff bill by the Senate. Sugar was heavy throughout and fell to 1041 from 1071 early in the day. The decline was not checked by the report cided to make all sugars pay 40 per cent. ad yalorem, with the additional i cent above sixteen Dutch standard. Some of the brokers in the stock had orders to supply all bids, and in the last was not in the least interested in the any time of the day. The general

list held tolerably well, considering the to do this or do that. efforts made to break Sugar. American Sugar leading. The bond market was higher. Sales of listed stocks to-day aggregated 92,000 shares. Unlisted 63,000. CHICAGO, Aug. 31 .- Winding up of the

eptember transactions, by either transferring contracts into more distant months or by closing up the trades, was the notable feature of to-day's business in wheat. That some people did not make new deals is evinced by the widening of the difference between September and December from 31c yesterday to 31 to 34c at the close of to-day's session. There was an irregular action to prices, the close being firm with the strength borrowed from corn. December wheat pened at 561c, sold between that and

57gc, closing at 57g to 57gc, to higher than yesterday, Cash wheat was in good demand. Prices averaged + to 1c per bushel

Bulls in corn were firm in their position to day. The telegrams from the ahead. It was now plain to the most corn belt were many in number and emphatic in their character. Every house on the floor was in receipt of despatches representing worse conditions than have heretofore been published. In addition

AT RESULTS OF THE REPUB-LICAN CONVENTION. Intolerance of Republican Fusionists Against the Antis-Notes on the Convention-A Contest in the

Republican Executive Committee-Cotton Receipts -Stamps for . Playing Cards. MESSENGER BUREAU, RALEIGH, Aug. 81.

The Democrats are well pleased at the action of the Republicans and Populists in fusing. Chairman Evans says "co-operation" is just the same thing as fusion, and he knows. By the way, when some that the Treasury Department had de- of the Republicans were almost falling over each other in their convention yesterday, in order to get to the front and

hour the stock was weaser than at fusion boom, nor did he pledge himself

The intolerance of those Republicans changes show losses of 1 to 12 per cent., of the fusion wing against the minority who were against fusion was very marked, They hissed J. W. Moody, "anti," until he swallowed fusion; then cheered him. And when a colored dele gate began to speak, or rather attempted to do so, James H. Young, the secretary cried out to him from the platform to

step out in the aisle so your Democratic friends can see you." The Republicans say they favored fusion because the Democrats did not want to see it brought about. This was also the idea of S. Otho Wilson, the Populist. Republicans seen to-day were in high glee. But some of them guard themselves by saying that if the thing does'nt work out all right they must not be blamed for it. If it does not, then comes Eaves' opportunity two years hence. He believes it will be a complete failure.

The "delivery of the goods" is going to be the trouble in this deal, as in many another. One delegate said "they can support fusion all they want, but making us vote for it is a different thing." The new Republican Executive com mittee was in session last night unti quite late. There was a dispute whether J. M. Beckwith, the member from the of the session to-day and exhibited a Fourth district, was duly elected or not. his seat being in dispute. The new chairman, A. E. Holton, is said to be the other futures, prices advancing and quite a pushing man. Jeter C. Pritchard made the most closing at the top. May corn opened at 52%c, sold up to and closed at 53%c, \$ to \$c taking speech of the convention. He is higher than yesterday. September as popular as Jim Boyd, and that is say-closed with a gain of 1sc for the day. Ing a great deal. Both are fine speakers. Cash corn was bought freely by shippers. Boyd never alluded to fusion. He was an "anti." Pritchard went wild over it. Prices were #c higher than yesterday. He some years ago was the leading spirit Oats-This market received strength in the movement for the formation i rom wheat and corn, at the same time this State of a "white Republican party. presenting improvement on its own account. The close was #c higher than The fact developed as soon as the clans gathered here that the great strength of yesterday for May. Cash oats were in the fusion movement was in the east and good demand. An advance of tc over the west. The centre was divided, This Provisions-On the principle that an is just what Maj. H. L. Grant told your correspondent a month ago when he and advance in corn, must improve the price his Republican co-laborers were here of hogs, and with an actual gain in the price of that animal in to day's market, arranging with Mr. Marion Butproduct was strong. The receipts of ler for fusion. Maj. Grant must hogs kept dwindling away, and less be a proud man at the sucthan are now arriving are predicted in cess of his plans. Chrr, president of the State Association of Democratic clubs, is arranging for a brilliant opening of the campaign at Raleigh September 20th. Hon. Chauncey Black, president, and Hon. Lawrence Gardner, secretary of the National clubs. have accepted invitations to speak. Senators Ransom, Jarvis and other distinguished Democrats will speak,

Bradstreet's Report.

NEW YORK, Aug. 31.-Bradstreet's to morrow will say: At all but a few cities from which special telegrams are received favorable influences are shown to have been at work, resulting to still further improvement in the business situaa since the settlement of the tariff

w England woolen mills are now reporting orders for heavy woolens. Prints and dress woolens are selling freely and there has been and is an increased demand for funds at larger East-ern centres, not only for withdrawals of goods from bond, but so meet increased ern centres, not only for withdrawals of offerings of commercial papers.

Thus far, funds to move crops have not gone West as freely as anticipated. An exception to the unprovement in

Middle States is reported from Provi-The South Atlantic and Birmingham

shipments in the near future will determine the volume of purchases. ~ It is noteworthy that the financial con-

dition of Texas merchants is said to be better than for years. One of the most interesting trade features consequent on the new tariff is reported from Galveston, that an export order to the West Indies of 10,000 barrels of flour has been canceled, by reason of the Spanish retalialuty. Galveston's banana trade expects to be hurt also, owing to lack of return cargoes for fruit steamers.

Boston, a fair fali business is doing called. ary goods, firmness characterizing

tion, but they had suggested action which would give a political complexion to the subsequent convention. He was opposed to mixing politics and business. The Governors of the Southern States

were not the proper persons to carry out the ideas advanced. There were some Southern Governors whom he would not trust. (Lou applause).

Maj. Robt. W. Hunter, of Virginia defended the committee. He declared that neither Mr. Clayton nor Mr. Catlett had suggested a practical substitute. The committee had suggested the only

and Anarchists. Mr. Beasley, of North Carolina, made an earnest plea for the adoption of the report. He held that the establishment demand in staple lines in Western and of a permanent bureau would do away with the "boom" idea and prevent mis-

epresentation to prospective investors. Another defense of the report was alone do not report a larger volume of made by Maj. Yancey, of Florida, who business, but the character of cotton prophesied that the Southern States would make appropriations for the support of the permanent bureau.

Mr. Irvine, of Mobile, Ala., came ou emphatically against the report, which he said was on the plan of a circumlocution office. If the matter were going to be submitted to legislative action and to the Governors of the States, it would never amount to anything. If a business plan were adopted, the convention would secure enough money before any Legislature met to carry out the practical idea for which the convention was

Another Coke Plant Starts Up. UNIONTOWN, Pa., Aug. 31 .- The coke plant of the Stewart Iron company, near here, has started up in full to day. This plant was one of the first in the region to close down after the strike began and is the last in this section to start up. Su-perintendent Vandusen said this morning he had hired his men from the ranks of

Kidnapped by Chinese Troops.

PARIS, Aug. 31.—A despatch from Ha-Noi, the capital of Tonquin, says that last Monday night the Chinese attacked the house of M. Chaillet, collector of customs at Monkai, killed him and kid-

confiscated by the Government. At the time the Rover left Bluefields the Columbase, bia had left for Port Limon, and the Marblehead had just arrived.

Except the fruit business, all other business is at a standstill and people are continually leaving the place. Bluefields,

built up to prosperity by American enterprise and with American capital, will soon cease to exist if the Spaniards are to rule the reservation. The steam ship Yule came back from Greytown the next evening after leaving Bluefields, bringing news that Capt. Stuart, of the English man-of-war had arrived at Greytown and visited the prisoners at Greytown prises.

Ordered to Attack the Japanese. LONDON, Aug. 31 .- A despatch to the Times from Shanghai says: A Tien-Tsin despatch from Chinese couriers says that thirteen Japanese ships, with over 4,000 troops, are attacking Port Arthur. The Chinese garrison, numbering 5,000 men, and the Chinese fleet have been ordered to attack the Japanese.

the eighth inning. Rusie, though a bit wild, pitched magnificently with men on Total Receipts of Cotton. New YORK, Aug. 81.-The following are the total net receipts of cotton at all ports since September 1, 1893: Galvesfine play in the first inning. With ton, 1,021,724; New Orleans, 1,893,094; Tiernan on second and Davis on first, Doyle singled to left.
