## TELEGRAPHIC SUMMARY

### THE STATE.

The Federal court authorizes 'the receiver of Cumnock mine to issue \$30,000 in receiver's certificates; a large force will be put to work, and the daily output will be up to 200 tons-The State Supreme court adjourned for the term yesterday; the justices filed opinions in fifty cases; one involved the cost of the State troops in Craven county during the James City trouble; the State lost the case --- Last night was seniors' second evening at Salem Female academy the school's art exhibit was held in the afternoon: the alumn: association will hold election of officers and have a banquet to-day----A large steamer runs ashore on Hatteras shoals; she is in-shore of Diamond shoals-Bids for completion of the Federal building at Newbern were opened at the Treasury Department yesterday-The J. R. Geddings and Jallifee union, a colored female benevolent organization, meets in annual session at Raleigh: five hundred delare present.

#### DOMESTIC:

Fatrick Walsh denies the report that the advisory board of the Southern exposition at Chicago has advised postponament-The Cook county (Chicago) Democratic convention was held vesterday; there were few sound money men present, as persons of that persuasion kept away from the primaries the day before: the convention adopted a strong free silver platform ---- At Victoria; B. C., an electric car falls through a bridge, seventy-five feet; fifty or sixty persons are killed ---- The ferry boat Katherine, of Cairo, Ills . capsizes and eleven persons are drowned-The Mexican tug boat Asturas sinks near Key West-Near Newberry, S. C., Ebenezer P. Chalmers takes refuge under a tree during a storm and is killed by lightning----In the Southern Presbyterian general assembly yesterday a number of reports were made, the most important being the one as to the State public school scholarships of the assembly school at Fredericksburg, Dr. Wilson, the stated clerk, is unite ill: fraternal greetings were received from the Presbyterian general assembly in session at Saratoga, N. Y .--Col. John S. Mosby is ill in San Francisc with appendicitis -The Senate commit tee will report against the confirmation of W. H. Fowler as successor to Gen. Lee as internal revênue collector in Virginia In Texas the sound money Democrats holt from the free silver men and both factions will put up Gubernatorial candidates, ex-Governor Roberts, who was an independent candidate on a platform pleasing to the former, withdraws for the sake of harmony-Two cyclones which passed over sections of Michigan Monday even ing were most fearful in their destruction of life and property; few houses were left standing in their paths, and the loss of life was appalling-A cyclonic storm struck Wycliffe, Ky., yesterday morning doing a great amount of damage, but noloss of life has been reported-There wil be sixty seven contests before the Republican National convention, involving the rights of 15s delegates --- One of the features of the ceremonies in Richmond, Va. will be a public reception to Mrs. Jefferson Davis and her two daughters --- The Demo cratic convention of Oklahoma declares for free silver. DUEEED'N

# THE PRESBYTERIANS. MOST EXCITING DAY OF THE GENEBAL ASSEMBLY.

The Question of State Aid to Church Work Discussed in Connection With Scholarships to the Fredericksburg School. The School's Cause Endorsed-Dr. Wilson III-Reports on Overinres Discussed.

MEMPHIN, Tenn., May 26-The fifth day ession of the general assembly was opened with devotional exercises, conducted by lider J. A. Enslow, of Charleston. The oderator ordered the roll called, and the inutes were then read and adopted. The stated clerk, Dr. Wilson, is quite ill and is contined to his room.

Rev. Dr. Vance, of Asheville, offered report on the Assembly home and school at Fredericksburg, Va. A matter of great impostance is involved in this report. The

chool has entered into a contract with the ty of Fredericksburg in consideration of is in a critical condition. he payment of \$10,000 to furnish ten perbetual scholarships, to be given to worthy, upils of the public schools of the city. special act of the Legislature of Virginia and ten less seriously hurt. permitted this action. The presbytery of St. ouis, by overture, objects to this contract on the ground that it is the sacrifice of a ime honored principle of the Church which orbids the acceptance of any aid from any ate for the maintenance of its work. After niured me debate upon the question, the consider ion of the report was made the specia rder for 3 o'clock this afternoon. The committee on publication reported brough its chairman, Rev. W. H. Leavel,

). D., of Houston, Texas, that it was the nanimous opinion of the joint committees f publication and education - that it is not xpedient to consolidate these forms at this me-adopted. The consideration of the election of the cretaries of home mission, education, pubication and colored evangelization, with he reports on these causes, was docketed. Dr Hemphill made several reports from he committee on bills and overtures. The following message was received from he Northern general assembly:

"SARATOGA, N. Y., May 25, 1896. the General Assembly of the Presbyte Charch, in session at Memphis, Tenn The general assembly in session at Saratoga Springs, N. Y -sends kindest fraternal creëtings The Ephesians iv, 4-17." JOHN L. WITHROW,

The assembly then took recess to 3 o clock

At 3 o'clock an exciting discussion on the emply's home and school at Fredericks irg. Va., was begun, which consumed the ntire afternoon session. It was finally deded to approve the management of the school and commend it heartily to the peo-ale of the Church The discussion was all on he point as to whether it was in accordance with Presbyterian principles to enter into a contract with the city of Fredericksburg whereby in consideration of \$10,000 the

chool establishes ten perpetual scholarships. The whole question of State aid to the Church was ably and fully discussed and the assembly finally decided by about a vo-thirds vote that the school had not

violated any of the principles of the Church making the contract. The discussion was heated at times. A splendid speech was made by Dr. Woodrow, in oppositon to be report and a strong sentiment at one me prevailed against it.

The assembly adjourned at 6 o'clock p. m o meet at so clock to morrow morning. ------
