ish .- Norfolk Pilot. The Massachusettts House of Rep resentatives has done a surprising thing in refusing by a vote of 66 to21, to pass a resolution asking congress to

take action in behalf of the Cubans. It is surprising, because it is the first of its kind. No other legislative body in any state has voted down such a resolution. But this vote does not imply any lack of sympathy on the part of the men who cast it, or the people behind them, with the cause of the

Cuban insurgents. In Massachusetts, According to the warrants, he stole a as in every other state in the Union, the people, without distinction of party, give their sympathy and good Grove Station on March 10th. wishes to the oppressed in every land. There, as in every other common-wealth, the desire of the masses, in-

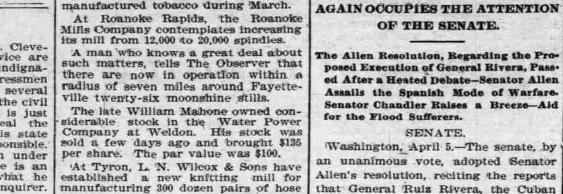

luding all the classes, is that the Cubans may gain their independence .--Washington Post.

The controversies and bickerings ed to put a rope in its mouth, and as he did this the mule jumped and Mr. in Congress over the preposterously high rates of duty proposed in the wool schedule of the Dingley Tariff bill show that the war between the wool growers and the woolen manufacturers | dangerous wound. still continues. The Ways and Means

Committee has not been able to com-pose the quarrel by the practical readoption of the McKinley rates, with a few vicious changes for the worse. Robbers can seldom agree on the di-vision of the spoils either before hand or after the robbery. How the republican leaders can expect a feature of the tariff to stand which has twice been overwhelmingly condemned by road come here. With this in view, a the popular vote, and which fails to satisfy the special interests in whose day night, April 6th, at 8 o'clock, in the behalf it has been arranged, is more

Solomon declared that there were four things too wonderful for him to explain: (1) "The way of an eagle in air: (2) the way of a serpent upon a rock; (3) the way of a ship upon the sea; and (4) the way of a man with a maid." (Special to The Messenger.) New York, April 5 .- Although the cotton market was rather quiet today it did not entirely subside into the dull ness of last week. The weak trading continues to denote no more interest on the part of the public in the price of the staple. The reports from the Mississippi valley this morning were the most alarming yet received and the Liverpool cables reported an advance of 2-64d. Our market opened higher, May selling on the first call at 7.11. After tion.-Asheville Citizen. the opening Liverpool bought freely seem right to us. If you are in politics here and May advanced to 7.12. A and have to pay a man for his support, period of stagnation ensued, which was you ought to pay him out of your own followed by some liquidation and by repocket and not out of the public funds. newed selling of the fall months, and for these, funds come out of the taxprices gradually declined during the repayers. See this: Dr. D. Reed Parker mainder of the day. The close was barely steady, with 7.06 bid for May. was elected to the legislature as a free silver man. He was after money The failure of prices to advance today so when he got to Raleigh he voted for has encouraged the bulls, but we have a goldbug for United States senator. In faith in cotton.

RIORDAN & CO.

New York Stock Market.

New York, April 5 .- traders in stocks made a plaything of New Jersey Central stock today and worked their will with it. So inviting a subject for speculation was it that it absorbed a large share of attention in a very narrow market, its wide and erratic fluctutions making it especially available for the purposes of the traders. Later, the market succumbed to a number of adverse influences, or what were interpreted as such, by the dealers. The principal of these was the news that the supreme court had refused to advance the appeal of the Joint Traffic Associa-

term of court and had set the first

THE PENDING TARIFF BILL. STATISTICAL AND INDUSTRIAL

Circular from the Treasury to Collectors of Customs, Carrying Into Effect the Provision Regarding Goods Imported After April 1st.

less sensitive to cold than the imported Washington, April 5 .- The secretary ones, and their plumes are equally of the treasury has issued a cifcular of instructions to customs officera throughout the country, carrying into effect section 27 of the pending tariff bill. This section requires the secretary of the treasury to make provisions for the collection of the increased rates of duties contemplated by the bill, and with that view he is required to retain

samples of goods purchased and imported after April 1, 1897, and prior to the date on which the bill becomes law. The circular says: "To Collectors and Other Officers of the

customs: "Under the authority conferred upon the secretary of the treasury by section 249, revised statutes, chief officers of customs are hereby instructed to delay, until further orders, final liquidation of entries, made at their respective ports of any merchandise arriving thereat after April 1, 1897. But liquidations may be tentatively made, and such liquidations shall not be closed and stamped, but shall be held open during the pendency of this order so as to be amended or corrected if necessary. These directions shall not be applied however, to any entries made after April 1, 1897, of merchandise which was purchased and directed by 'the owner If you are suffering with any skin or to be shipped for import into the United blood disease, Rheumatism, Catarrh, Ulcers, Old Sores, General Debility, etc., States by any person prior to April 1, 1897.

"Hereafter all entries for consump tion, except those specified in the preceding paragraph, shall be stamped in red ink by the clerks respectively pass. ing the same under the direction of the ollector, with the following words Subject to change of rates if required by law.'

"Appraising officers will, however, retain such samples of imported merchandise as may be necessary to determine any question hereafter arising relative to the proper identification and classification for duty of such mer-chandise. "J. GAGE,

"Secretary."
