IN THE SENATE.

SENATOR ALDRICH OPENS THE DEBATE ON THE TARIFF BILL.

He Declares the Bill one for Revenue and Not for Protection-This the Result of Changed Condition of Affairs Since the Passage of the McKinley Bill-Senator Vest Opens the Debate for the Minority. Senator Pettigrew's Amendment as to

Washington, May 25 .- The debate or the tariff bill began in the senate today with crowded galleries, a large attend-

to 2 o'clock p. m., when Senator Aldrich, of Rhode Island, in charge of the

lican members of the ways and means of the populist contingent, occupied the rear lounges. Speaker Reed was not hour and a quarter, adopting an easy, conversational style. His speech was the official utterance of the finance publican side of the chamber. Without

he two bills, he clearly stated as the naking invidious distinctions between the government affairs. belief of the finance committee that the house bill would not vield revenue adequate for the needs of the governtemperatic members of the finance followed with a statement n opposition to the bill.

Senator Cannon, of Utah, a silver republican, closed the debate for the day by urging that the protection should be so distributed as to aid the

Early in the day Sentor Mallory, the | ward adjourned. new senator from Florida, was sworn

In opening his spech Senator Ald-"Mr. President, the business of the entire country is in a state of suspension awaiting the action of the senate upon the bill under consideration. I believe that the anxiety to secure action upon this important measure at the earliest possible day is shared by every member of the senate. I can say for senators sitting on this side of the chamber that no time will be spent in the academic discussion of the principles of protection. It is my purpose to senate to the exclusion of all other legislative business until finally disposed of, and in this I shall expect the hearty co-operation of senators on both sides of vocal and instrumental music. of the chamber. In the discussion of the bill, the members of the majority of the committee will content themselves with such brief explanations as may be found necessary of the various paragraphs as they are reached. "The majority of the finance committee believe that if a thorough revi-

sion of our revenue laws, such as is contemplated by the house bill, is nec- of commencement. The society promessary it should be carried out in a con- | ised to raise \$5,000 toward a large censervative spirit, and that such a modcrate and reasonable measure should be adopted as will insure a much great- | trustees of the school in 1902. Senator Pettigrew then presented an mendment that when articles are manufactured by a trust, articles of this character imported from abroad shall be free of duty. He said he would ask its consideration immediately after the committee amendments. Senator Vest, democratic member of the finance committee, was then recognized. "We know," he said "the desperate condition of the country, the ruined homes, the blasted hearts. If prosperity can come from any sourceeven from our adversaries-we will bless the moment. I do not believe the imposition of higher tariff duties will

dispel the clouds hanging above us,

bringing back the sunshine and illuminating the whole country." It had been said, Senator Vest proceeded, that adversity came with the advent of the democratic party and prosperity with the republican party; but that adversity did not come with the advent of the democratic party. no less authority than Mr. William McKinley. The senator read from a 1. 1890, setting forth the distress which den of tariff taxes the farmers would was it. Senator Vest asked, that the reits record and urge a traiff not for protection but for the mount of revenue i will produce? He said there was at this time an available balance in the treasury of \$229,350,650. Deducting the gold reserve of \$100,000,000, the available was \$129,350,650. This vast amount of idle money was now accumulated in the treasury. And yet the senate was told that it must impose on

than when Mr. Harrison turned over Senator Vest declared that the proposition to raise \$31,000,000 of revenue by a tax on tea and increasing internal revenue taxes was a "naked and bold" abandonment of the protective policy of the republican party. He discussed the different schedules and in conclusion said there was no disposition to delay the consideration of the bill. There would be no factious opposition and no unnecessary objection. At 5:15 o'clock the senate went into exectutive session and shortly after-

rent of recrimination and bitter invectives which was checked by the fear of the immediate Turkish advance to inquiry to punish the guilty. A thorough investigation into the ambulance commissariat department will probably entail scandalous disclosures. The Ethnike Hetairria is bitterly denounced and the government is urged to seize and confiscate its stores and arms and to compell it to render an account. The government is likely not to accede the suggestion, because many persons, prominent in political life, are closely connected with the organization and the Hetairia, conscious of its strength, has decided to remain silent and to preserve its mysterous and invisible character. Possibly smitten with compunction, however, the society has donated 60,000 drachmas for the relief of the Thessalian refugees.

The Athens correspondent of The Standard says the powers have assured Greece that the porte will not be allowed to evade the conditions of the

Berlin says that the powers, including Turkey, have assented to the appoint ment of Prince Francis Joseph, of Battenberg as governor-general of Crete. A dispatch to The Standard from Athens says: The Embros publishes a sensation in a telegram from Lamia, declaring that the British men of war at Volo prevented the landing of guns and ammunition from a Russia manof-war for the use of the Turks. The story is probably untrue, but it indicates the prevailing distrust of Rusthe authorities have given instructions for the disarming of members of Ethnike Hatairia wherever found. In the ecuted to the full extent of law. The United States cruiser Cincinnati has

A dispatch to The News from Constantinople says the porte has prepared a petition in Greek and Turkish, to be signed by the inhabitants of Thessaly, praying to be placed under the rule of

A dispatch to The Daily News from Constantinople says that the identical note of the powers, which was presented to the Turkish government, embodying the terms of peace to which they will agree, declines to permit the abolition of the capitulations in the case of Greek subjects, or the annexation of Thessaly, but is much milder in tone than was at first understood. The correspondent of The Times says the note expresses the views of the powers "in

The aspect of eastern affairs is less peaceful. Turkey is sending 7,000 more troops to Thessalv and it is expected that the sultan has promised his ministers not to relax his hold upon that province.

The note of the powers certainly does not yield on a single point, and states even that the peace conference must be held at Constantinople and not at Pharsalos, but the sincerity of both ermany and Russia is doubted, and any sign of dissension among the powers makes for obstinacy on the part of the sultan. It is reported from Vienna that Emperor Nicholas has advised King George, for his own sofety, to appoint a miltary governor with exceptional powers and to concenrate 8,000 picked troops at Athens.

Lewiston, Me., May 25 .- A special to

Discussed in all its Bearings by the Cabi-

net-To Await Mr. Calhonn's Return.

The Destitute Americans Aid Fund. Washington, May 25 .- The cabinet again today gave most of its time to the discussion of Cuba, including not only the methods of distribution of relief to the distressed Americans in the island, but also the general subject of the insurrec tion. As to the latter, the proceedings were confined entirely to discussion and t was not attempted to outline any definite plan of procedure at this juncture. Everything appears to depend upon the conclusions that are reported by Mr. Calhoun. That this does not necessarily imply any great delay in treating the queson with more purpose to accomplis something than has yet been the case is made probable by the fact that the president expects Mr. Calhoun will have completed his mission in Cuba and be on his way back to Washington in the course of a week or ten deys. course of a week or ten deys.

Assistant Secretary Day, who is charged with the execution of the president's wishes respecting the relief measures, had a long interview with President McKinley at the White house this afternoon just after the cabinet meeting. The conclusion was reached that, having advanced Consul General Lee funds to meet all probable immediate processition. probable immediate necessities, there was no opportunity for the adoption of further steps until he had been heard rom. The consul general in turn is adising with his subordinate consuls uba preparatory to recommending to the state department a definite plan of action in the distribution of relief. He has called a meeting at Havana for tomorrow of all the United States consuls who can reach that capital conveniently, for the purpose of consultation. These officers are expected to come with all the facts and figures as to the extent of relie needed in their respective localities, and upon that basis a pro rata distribution supplies and money can be made.

The question of sending food supplies being again under consideration here General Sullivan, the commissary general of the army, has been called upon to give the benefit of his experience to the state department officials in that line. Realizing that, owing to different climatic conditions, the same ration that is suffident in the United States would not do at all in Cuba, it was found prudent to call upon General Lee for a statement of the kind of food supplies that would be most acceptible and proper for the dis-tressed Americans on the island. When his answed is returned the state department, probably, will ask General Sullivan the well equipped depots of the com missary department. It is felt that all the supplies necessary can be procured in New-York at short notice. If the money at hand, about \$40,000 does not suffice, as

BOUNTY ON FARM PRODUCTS.

is feared it may not, then congress will

be called upon once more.

Senator Cannon's Amendment to the Tariff Bill Providing Therefor.

of Etah, today offered the following as an amendment to the tariff bill: paid out of any moneys in the treasury, not otherwise appropriated, to any exporter of wheat or wheat flour, rye or rye flour, corn, ground or unground, cotton, hops or tobacco, produced wholly in the United States and exported by sea from any port in the United States, to any port of any other country the following export bounty, by way of an equalization to agriculture of the benefits of this act to ncourage the industries of the United States, to wit: Ten cents per bushel on wheat; 50 cents per barrel on wheat flour; 10 cents per bushel on rye; 50 cents per barrel on rye flour; 5 cents per bushel on corn; 10 cents per cental on corn, ground; 1 cent per pound on cotton; 2 cents per pound on hops; 2 cents per pound on tobacco. And all payments of bounty under this act shall be made upon nego-tiable vouchers, issued by the collector of customs at the port of clearances of customs at the port of clearances, upon presentation at the treasury or any sub-treasury of the United States; and the secretary of the treasury is hereby charged with making and enforcing such regulations as may be necessary for the full protection of the exporters and of the government according to the true intent and meaning of this law."
This amendment is the result of a conand some democrats, and may be said to represent the sentiments of the element in the senate which puts silver above all

other subjects of legislation. Pittsburg, May 25 .- In the eighth inning, when the bases were full and two men out, Stenzel rapped out a two-bagger, scoring two runs. Then three singles followed, bringing in three more tallies and

The weekly crop report was issued today for the week ending last night, and says: The weather during the week ending Monday, May 24th, was very favorable for farm work, but only fairly so for the growth of crops. The nights generally were too cool, retarding fine sailors for 39c, 50c and up to \$1.00, growth, especially of cotton; but the latter part of the week was warmer and improvements in crops resulted. There was an excess of sunshine and a deficiency in precipitation, though local showers occurred on the 17th and 21st in many counties. Some hail was reported, without material damage. The general crop prospects are fair. Insects

are the chief enemies of the farmer at Eastern District-The past week was sunny and warm during the day, but winning the game for the tchampions. the nights were quite cool, and, excepting scattered showers one or two days, the weather was quite dry. Crops of all kinds have made some improvement and are clear of grass. The week was very favorable for farm work, which is well up everywhere. Cotton chopping is progressing; cotton small, but fair stand; too cool for cotton. which does not look as well as it might, stand and size, but growing fairly well; plowing it now. Tobacco transplanted; needs a warm rain to start it. Peanuts growing fairly well. Irish potatoes are inferior and very much damaged by potato bugs; new crop being shipped from south portion. Sweet potato sprouts being set out. Warm

showers needed. Anheuser Busch Brewing Ass'n. recommends the use of the greatest of all tonics. "Malt-Nutrine," and guarantees the merits claimed for it. For sale by all druggists

To Make Castle Pinckney a Soldiers' Home Charleston, S. C., May 25.—The city council of Charleston tonight adopted a memorial address to congress asking that Castle Pinckney, the famous old fortifica-tion in this harbor, be converted by the national government into a home for disabled officers and men of the army and

Let The Whole World Know The Good Dr. Miles' Heart Cure Does

heart disease is incurable, when the symptoms become well defined, the patient becomes alarmed and a nervous panic takes place. But when a sure reporty is found to let the whole world know what Dr. Miles' Dr. Miles' Beart Cure has done for me. For ten years I had Heart Cure pain in my heart, shortness of breath, palpita-Restores tion, pain in my leftside, oppressed feeling in my Health..... chest, weak and hungry spells, bad dreams, could not lie on either side, was numb and suffered terribly. I took Dr. Miles' Heart Cure and before I finished the second bottle I felt its good effects, I feel now that I am fully recovered, and that Dr. Miles' Heart Cure saved my life."

Dr. Miles' Heart Cure is sold on guarantee
