The Country Laid Waste-No Signs of Habitation Except at Railway Stations-The Ruiz Investigation-Impossible to Get Facts From the Witnesses-Fondeviel's Wanted but Not to be Found-The Report Sent Direct to the President. New York, June 7 .- William J. Caloun, who was sent to Cuba as a specommissioner to investigate the circumstances of the death in prison of Dr. Ruiz, an American citizen, reached this city on his return today. He was accompanied by George W. Fishback, his secretary, and Charles M. Pepper, a Washington newspaper correspondent, who went to Cuba with the commissioner

Mr. Calhoun said that the commission held three sittings between May 20th and June 1st, at Havana, Regulas and Guanabacoa. The papers examined in the case were chiefly military records. The final report will be made to Washington by General Lee. In a conversation, Mr. Calhoun said: "The island of Cuba is rapidly being devasted by a he penitentiary this afternoon. relentless, cruel and bitter civil war, so that in a short time it will not be worth anything to anybody. It is difcollege this evening. ficult to get at the exact situation there. In the first place, there is a severe censorship of the press, and those who are naturally friendly to the Cubans hardly dare to express their views and opinions. Furhtermore, the ad-

A Superb Affair.

An apprecciative audience greeted Mr. Bennett Griffin and Mrs. Minnie Fish Griffin at the Young Men's Christion Association auditorium last even. ing, when for over an hour they were treated to a charming recital of violin and vocal music. The programme was delightfully varied and was enthusiastically received by the entire audience. Miss Bessie D. Eurtt, Wilmington's gifted young planiste, played the ac-

companiments during the evening and was highly complimented on all sides. Her playing was quite an enjoyable feature and was highly appreciated along with the singing of Mrs. Griffin and the violin playing of Mr. Griffin. programme contained seven numbers, and the audience agreed that the netertainment was one of the very best ever heard here. Certain it is that missed a genuine treat

Griffin is a soprano singer of rare power and captivated the au- charged with having some connection Her voice is full of melody and possesses marvelous compass. She was rapturously applauded and was encored time and again, so delighted was everybody.

Mr. Griffin is a violinist of extraordinary ability and his playing was appreciated and warmly commended by everybody. The great demonstration of applause he received was but a faint indication of the great appreciation of those who heard him with so much pleasure. He had to respond to numerous encores, and he obligingly did so. The entertainment in every particular and as a whole, was indeed a charming one.

Munroe-Paul.

Quite a large number of person's assembled at Bladen Springs Methodist church, Bladen county, N. C., at 8 p. m. Wednesday evening, the 2nd of June, to witness the marriage of John and popular young ladies. The church was beautifully decorated with daisies, cut flowers and foliage plants and it was one of the prettiest weddings ever spoken to in reference to his trip, but celebrated at Bladen Springs church. ding marches. health. But he made a few bad deals, had to mortgage some of his property, lumber interests of Michigan. Minne- and just seemed to throw up his hands. He vowed that he had ceased to be his own man, and would drift till he found

record for one day in this administration. Seventy-two of the vacancies out what the world wanted to do with were created by removals.

"When he had disposed of the family clock and there seemed to be nothing left, he coolly announced that the next day he would raffle himself. He didn't know whether the boys would care to buy chances, but he meant business and would work faithfully for the man who drew him. Tickets sold for good figures, but there were two left, and he laughingly said that he would take a couple of shots at himself. When the drawing came off he held the lucky

number " Well, sir, the fellow turned loose and went to making money hand over hand. He became one of the greatest hustlers in the west, paid off the mortgages, bought everything there was money in, and is as rich now as a river bottom farm. When he drew himself at that raffle he made up his mind that he was his own man again, and besides he had agreed to do his best for the

winner. It was a strange case,"

A Snow Storm in New Sersey.

Orange, N. J., June 7.—Snow fell here today, but the flakes melted as they struck the ground.
