Cotton Futures. (Special to The Messenger.) New York, June 15 .- For the first time this season the weekly crop bulletin issued

by the government today was distinctly favorable, but the cotton market paid no attention to it and prices advanced, Liverpool surprising every one with an excel-lent dispatch this morning. The spot sales there were large, and futures were higher. The reports from Manchester were also more favorable. Our market opened 4 points up, August selling on the lowest price of the day. While the trans-actions were not large, the shorts showed much uneasities and users were and large the shorts showed in the trans-lowest price of the day. While the trans-actions were not large, the shorts showed in the trans-actions were not large, the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-actions were not large the shorts showed in the trans-transformed the transformed the transfo

says the Washington correspondent of The News in referring to the tariff bill, ions being much restricted. Perhaps this and The News can console itself by relessened the effect of the death of flecting that it assisted in foisting it upon the people.-Beaumont Journal. showing no noticable effect. Some senti-mental effect was nevertheless produced Philadelphia on the occasion of the Ir President McKinley's speech at opening of the Commercial museum, he said something which implies that in nent that some of it would be withdrawn his belief prosperity is about to be restored by an act of congress.-New

As "sound money" does not appear show that notwithstanding an increase of over \$11,000,000 in the merchandise exports to prevent the growth of hard times, over those of a year ago, the imports increased over \$22,000,000, the excess of im-ports being of \$1,359,343. Among the state-sounder, perhaps a day will come when sounder, perhaps a day will come when the people will demand a return to raw wool, against only about 12,000,000 pounds for the same period last year and 740,114,045 pounds of raw sugar, against 369,510,066 for April of last year.

These heavy balances are probably still The Discovery Saved His Life. insettled for the most part and are bound to affect the exchange situation for some ime to come. On the other hand, the week's exports from New York show an increase of \$1,902,985 over last week's and
