WILMINGTON, N. C.

THURSDAY, JANUARY 13, 1897.

THE PROGRESS OF THIS CENTURY

velopment there has been great adwell understood. In no other century have there been so many really great inventions as in the present century. In surgery and chemistry the advance has been without precedent. So great simply amazing. The machines that will print this and others of today's by a glance at the following table: editorials—the Linotype—is properly classed among the seven great inventions of the nineteenth century. Think 1896 ...... 159 of an instrument not only setting the 1897 ...... 224 during the last half of this teeming,

"The establishment of the principle of evolution; the establishment of the principle of the conversation of energy; setence, and its applications to physics, mechanics, electricity and astronomy; the development of spectrum analysis

We have been sorry to see it repeatedly mentioned that this most tmman so ably presides, is much emhope it will be liberally granted. If have very many rich people in it, there can be found liberal hearted men enough, apprecialtive of the important work being done by the superior university, by odds Baltimore's greatest inibutions so as to relieve the great school of its present embarrassment.

How to Look Good Clock tooks are really more than skin condition of the vital organs. If the neys be affected, you have a pinched ters" is a good Alternative and Tonic. dneys. Purifies the blood, cures drug store. 50 cents per bottle.

NO UNION.

The Messenger lately mentioned that an altempt to unite the northern and southern Methodist churches was to be commission. On the part of the southern Methodist Depiscopal church the following have been appointed:

Bishops, J. G. Granbery, R. K. Hargrove and W. W. Duncan; ministers, the Revs. E. E. Hoss, Nashville, Tenn.; G. N. McDowell, Savannah, Ga.; J. H. Dye, Arkansas; laymen, Judge Walter Clark, Raleigh, N. C.; Professor R. W. Harper that promises well. He is a Jones, Oxford, Miss., and Colonel Asa good story teller, not a Walter Scott if

We have already expressed a desire that the effort shall fail. It ought to fall. They four years also the separation while not great was clever, and full of fivals forced by the north. If the merits of the separation and what followed respecting, intelligent Methodist in the mation as organic union. What ever touching and attractive. It is a revelamay be urged in favor of union there tion of a very engaging and lovable disms in the peoples of the two sec- tender as a good woman's, and a soul tions. Ostensibly they are like in doc- noble and winning. His benevolences trine, polity, etc., but they are very were numerous and concealed, mainly, low jackets will yet come back. Reunlike in practice and belief. The and his consideration for others marnorth is far less conservative than the south in religious matters. No demand | doubt if any man who ever wore the southern Methodists are. The very

Thristians could accept as a sufficient orm of Christian faith, were to be found, organic unity would not be assured. (Methodists in 1844 believed the ame creed, and they continue to do so still, in spite of which they sepraalted. And today it is doubtful if they are for organic union enough to give up for lit their denominational pride nd the little resentments that grew who represented his age. #### LITERARY GOSSIP

Rev. Dg. J. M. Buckley's "History of Methodism in the United States," in by leading secular and religious papers, Harper's Magazine for January has a two page review excellently written. Dr. Buckley, take him all and in all, Methodist Episcopal church, south- is about the most remarkable living American Methodist-a man of very rare and abounding gifts. Mr. H. S. Scott (whose pen name is

good story teller, not a Walter Scott if named Scott, but cleverer than ninetenths of the living novelists who are popular. His "InKedar's Tents," movement and incident with really

There is a sketch in Harper of the great American actor, Edwin Booth, born near Baltimore, that is very personality. Booth had a heart as histrionic buskins ever possessed a manhood of such graciousness and a

soul of such true nobility. Charles Dudley Warner writes with proper appreciation of Lord Tennyson in his department in Harper. He be gins: "It has become evident that Alfred Tennyson was avery great man. . . It appears that he was the largest sized Man of his era, the personality already the most conspicuous." We rejoice to know that we have so regarded him for a long time, and did not have to await the admirable life "Alfred Tennyson towers up very large in this era, and looms up as the man slowly into his position." And yet there have been gifted, able men in England all along-since 1842-who fully recognized his splendid gifts. Physically he was grand. Carlyle said he was the handsomest man inall England. Warner says he "was a Norse-The best salve in the world for Cuts, man in stature, broad of shoulder and big of limb, with a Homeric head." A stranger who saw him by chance said, "That might be the author of the Iliad." He was very simple, but dig-

nified, calm, lovable, and so sweet in

He interhave been the subjects of outrageous fooled by the republican pre-election clap-trap.—Winston Sentinel.

Having a mind, doubtless, the recent Georgia postoffice case, The New York Press, republican, demonstrates what a and made to understand that they are as good as white people." "would like to know what The New York Press has against the negro." The inquiry is pertinent. The negro office holder in the south is not disturbed in the discharge of his duty. On the contrary, there is quite strength of the republican party in this in for a share of the offices when his party is in power; democrats are more ready to concede this to him than the Linden would see another sight if the black office 'holder "should be armed

Tom Page's Suit Thomas Nelson Page, the blonde

moustached writer of delightful south-

ern stories, was a visitor at the capitol yesterday. Mr. Page's visit was not, in itself, a matter of importance, produce, tried all cough remedies he It was his costume that made his presnce a radiant thing. Mr. Page strode through the corridors a light top coat, a gray slouch hat, and a golf suit, with very short knee trousers. At the point where his abbreviated knickerbockers left off there began a pair of hose of the most beautiful pearly gray, with stripes that were visible; like the prodigal son, from afar off. These symphonies in gray wool incased a trim pair of legs. the contour of which was outlined against the marble walls and reminded one of the statues of Phidias. The conspicuous legs disappeared in a pair of brand new yellow shoes, with nice, thick soles that clattered over the payement as if a Dutch woman was on her way to market. Altogether, Mr. Page in his golf suit was a thing of beauty and a foy forever. He could not have made a great-
