TUESDAY, JULY 5, 1898.

A SPLENDID VICTORY

On last Saturday Americans were refolding over the magnificent pluck one of the best physicians in this counand endurance and dash of our troops try for years, and is a regular prein the storming of Santiago. It was heavy fighting and a great tax upon nerve, endurance, pertinacity of will and American "go." The Americans p duces such wonderful results in cursteadily drove back the Spaniards losing themselves heavily. With Sun- F. J. CHENNEY & CO., Props., Toledo day's news there was a change, General Shafter could not continue the fight, and admitted be could not take Santiago without more troops. It was a confession of failure, and it gave a sore hit to the American heart and and stratesists seem to have known men felt that the next news might be more trying and distressing. With Washington and General Shafter and Sunday night came other news that Admiral Sampson and others. These sent a thrill of hope and joy and lifted the suspense and disipated the fear. On Monday morning it was learned that Sampson had defeated the Span-A little later it was heard era had essayed to run out of into the open sea, and that had destroyed the entire fleet ne, the Vizcaya, on which

mericans in their attack upon San- effect, heartily indorsing the view igo. He had a motive in leaving the taken, that if every foot of land Spain wn to its fate while he sought to escape But fate was against him. Just why he fied we do not now know. What will next follow we can only guess. Sampson may stiempt now to enter the harbor and run

the gauntlet of the mines. he can get up to the city he will make it soon too hot even for the recolute Spaniards to remain. They decline to surrender, and it remains to be seen if the Americans will be able to take it. Reinforcements will be sent forward soon. It is a pity they are not there now. Nay, it is a great pity that a large army was not sent at the beginning.

Bucklen's Arnica Salve The best salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per bor. For sale by R. R. Bellamy.

HOME FOLKS

We are glad to see corrected the report sent out as to the failure of the negro cotton factory at Concord. The president, W. C. Coleman, flatry contradicts the report, and states that the property the company owns is worth quite \$30,000 without encumbrances of any kind. He writes to the Richmond (Va.) Times, that "at no time since the enterprise was planned, has the outlook been brighter or more hopeful than at present. The watchword is 'Onward and Forward' stamped indellibly upon our banner, and those who do not feel disposed to encourage or help might as well clear and operatives in the milling indus-

gro gun under the shadow of the state capitol. He is not so large avoidupoise said misrepresentation and do what is as Russell is, nor is he clothed with right, according to the principles of such supreme powers as the man of the Word of God." the pistol and double-barrel shot gun. but he is a mighty man of valor and is no little of a big boss in the black republican barn yard, in fact the veritable game cock. When he crows cock-a-doodle-do, and the white contingent of the black radical troupe hear the shrill sound, they are all attention, and sim bags his game at will. The Raleigh News and Observer tells this and it shows the power of the embryonic dusky colonel:

"He controls the deaf, dumb and institutions at Raleigh as absolutely as the Czar of Russia controls and full of thought and ranked among his private secretary. Not a move the foremost men in his church. The can be made without his consent. He Columbia State says: was here this week to press the screws on his white associates. He has given them notice that unless they let him run this as he pleases he will turn out the white lady teacher in the of this."

any means of negro control. It become the pastor of some of the abounds all around, and mighting in large cities of the country, the remun-Wilmington and elsewhere. In Halieration offered him in many instances
fax county there are seven negro nostbeing four times as much as he was fax county there are seven negro post- being four times as much as he was sentative White and obliging Mr. Mc-Kinley. It is time white men were people of the south, and he turned a First-class Restaurant getting together and putting an end deaf ear to all the appeals made to where nothing but sea food is served to such infamy and degradation.

says this, which will be news to some of our readers:

oldier's life in battle in the civil war, so the last confederate gun that was ired was by one of her sons, Waddell by name. Five months after Lee the Shenandoah, thep in the northern ocean, and the shot was fired at a Yantilities. He wook his ship to England and it was afterwards claimed by the

United States government." The first item is absolutely and un-Henry Wyatt was a North Carolinian THI DAIL MESSENGER by mail, by birth. That error has a good start,

> Catarrh Cannot be Cured cannot reach the seat of disease. tarrh is a blood or constitutional disease, and in order to cure it you must take internal remidies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not aquack medicine. It was prescribed by scription. It is composed of the best conics known, combined with the best, ing Catarrh. Send for testimanials

Ohio. Sold by druggists, price 75c. A THOUGHT SEGGESTED BY RECENT EVILS

The ridiculed newspaper tactitions more than the strategical board at writers warned aginst going to Cuba at this season and with a small army. The Messenger not assuming the robe of seer or military strategist, ventured to oppose invading Cuka in the rainy season, and its files show that for a month or more it has again and again insisted that no invasion of of Directors of the Wilmington, Co-Cuba with less than 50,000 men should be attempted, and that a reserve of Cervera had escaped. Next not less than 100,000 or 125,000 men glad tidings that the admirshould be in camp undergoing discicisoner. When this falls un. pline. Intelligent readers will recall

Now the officers to the front cry out t a splendid victory for the for more soldiers, and the commanding for Americans to general virtually admits a repulse m., for the purpose of considering and is enough to make the and defeat of his plans. It has been declared as little less than murder to throw 15,000 men into a fight against now held by the Wilmington and Wel

The Messenger two months since, Hurrah for Dewey and Sampt probably was copied from three ervera helped greatly to retard the northern leading newspapers to this captured and held, that it would not compel peace or defeat Spain so long as its fleets road the seas. That will be found to be the truth we may not doubt. Destroy the naval power and then with army enough you can conquer Cuba and destroy the Spanish

> Instead of sending 20,000 troops to Porto Rico, as northern papers reports ding a fleet to hunt Camara, it trate all sible troops and navy in Caba and make war in strength enough to win. Send as quickly as 000 more as soon as possible. A call for 100,000 more men is now in order Speed and determination are two needed factors.

> > BREVITIES.

The more the Methodist Book Conern investigation advances the more malodorous it becomes Representative Gaines helped to put Barbee and Smith in the dark hole of rascality and BUILDERS' deception by his testimony before the senate committee. It is a rather foulome thing they are handling.

Rear Admiral Dewey is a Presbyteian elder and holds his membership in San Francisco. It was reported that he belonged to two other churches but it is a mistake as to either. In five years past \$165,000,000 have been given to libraries, museums, col-

eges, hospitals, etc., in the United States. In 1897, \$45,000,000 were given. The Methodist ministers in Richmond, (Va.) held a meeting and the track, for we are going to join unanimously resolved that they were the great industrial band of workers glad investigation was being held by the Book Committee. They declare that "if as has been alleged by certain senators, the claim was collected by "Colonel" Jim Young is the big ne I misrepresentation, we insist, and we believe, that the church will disayow

The Messenger intended three days. ago to mention the death of the most distinguished and gifted Presbyterian minister in South Carolina, Rev. Dr. Joan La Girardeau. It occurred at his home in Columbia, S. C. on 23rd June. He was born on James Island, S. C. on 14th November, 1825. He was finely educated, and was a minister of very high rank and mental indowments. He was the author of three theological works, was a very admir able preacher eloquent, rhetorical

orator perhaps had no superior on this and Electrical Engineering. Expenses continent. He has been regarded as very moderate. white institution. There is no doubt one of the greatest and most distinguished of American preachers. Dr. Girardeau, while a professor in the This is not a solitary example by seminary, had many opportunities to masters, thanks to the negro Repre- receiving from the seminary, but these Wines and Cigars served. Mixed never lured him away. He believed drinks a specialty. The coolest Beer his duty was to the seminary and the on draught or bottled on the Beach,

him from other directions." We call on the president of the COTTAGES AT THE SEASHORE A correspondent of the Charlotte Windsor democratic club to have a North Carolina Presbyterian, signed meeting at once and begin the organ-"Rambler," writing of North Carolina ization of the county. The nominations made by a well organized party reflect the sentiment of the party. Do not wait for nominations. Organize "As North Carolina gave the first now .- Windsor Ledger.
