SATURDAY, JULY 16, 1898. DEATH RATE IN BATTLE-

HEAVY LOSSES.

The death rate thus far in the war on the American side is not great, but some thing small. The loss at Santiago is only some 1,500. Not more than one man in ten has been the Industrial Commission. He has hit. In the great war the losses on long been a resident of Washington both sides were often frightfully heavy. There were 23,001 killed and wounded on the northern side at Gettysburg, or about 25 per cent., The north lost at Spottsylvania 18,399, or Industrial Press Association.
