MAKING IT HOT.

Our Raleigh letter in Sunday's paper mentions that the black radicals admit that the democrats are making it decidedly steaming hot for their gang on the nigger question.

And now think of it, this very Skinner, damned unconditionally as betrayer and deserter, is put at the head of the People's party now. Principles do you say, Bah!

The young artist of the Raleigh News and Observer is named N. E. Jennett. He is remarkably industrious, and often happy and practical in his cartooning.

From recent report it appears that Lieutenant William E. Shipp was leading a charge at San Juan when he fell before the deadly bullet.

Lieutenant Shipp carried with him always a fountain pen. During a lull in the last battle, just before he was killed, he sat down and wrote a postcard to his beloved wife.

There was a big reunion of Confederate veterans in Warren county on 19th inst. Colonel Julian S. Carr, a great favorite with the men who wore the gray, was the orator.

A "countful" Warren county dinner was spread for all. The tables were 200 yards long in a large grove. The estimate in Warren there it all occurred.

The article "Work" in the Raleigh Standard, early in the year 1893, according to our recollection, was a more reputable production than the villainous editorial in the nigger organ here of last Thursday's issue.

Lonesome Marion Butler, who has lost his grip on his once followers, is advising the supposed faithful remnant to nominate their candidates, without fusion or dicker.

How's that! We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

How's that! We, the undersigned, have known Dr. J. C. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligation made by him.

required by law is not given. They can not get it with such a parade of buncombe and blarney. They will have to try again.

Harry Skinner is lieutenant governor of the black radical party now, while dividing leadership with Otto Wilson of the old dark lantern gang with grip and gripes.

"The allies and satellites of this arch traitor inside the organization played their part, and by their acts uncovered themselves to the world yesterday as they do today."

As the livery of heaven is stolen to serve the devil in, so every crime committed against the integrity of the People's party and its essential principles will be identified in the name of co-operation.

The white people will not turn out to meet John H. Smith while he is trying to hold Farmington. They are right. He is a nice bumpkin, but he has a long way to go before he can be trusted to instruct honest farmers.

Mr. Dockery has the nomination for solicitor of the Fourth district. A good job is not without honor in his own country. He promises to defend the state administration. Surely he has a favorable disposition for his forgotten his attitude towards the governor in allowing the rapid, Evans, to be executed. If we mistake not, he did not defend the administration about that time. But circumstances alter cases.

We understand that a "movement" is on foot to have the next legislature pass a bill making an office for each and every member of the assembly, present and future. These offices are not to be elective, and the bill is to be introduced to the assembly on becoming 21 years of age. It will be introduced into office without having the approval of the people. It is a law of this sort necessary, as the high of this sort for "the" has reached its proportions in this state.

The Clinton Democrat, in printing the account of the populist convention in Duplin county, says: "Mr. Maury Ward, the present member of the legislature from Duplin, was not nominated. It is said he was left off by order of Abe Middleton, the negro politician, who is said to control populist politics in Duplin. What next? The time has now come to take the advice The Caucasian gave in 1892, to bury differences and get on with the Anglo-Saxon rule and good government is the programme issue. If any one has suggested the Snatch Regiment, in Duplin county, ten years ago that the time would come when the white men would be the dictators of the state, except the dictation of Abe Middleton or any other negro, that man would have been sent to the asylum as a raving lunatic, and yet according to the Democrat, Duplin county has reached that low depth and some men are making this negro order of the day, who had the faith of Vance—Raleigh News and Observer.

At Gibson's in Rockingham county, there was a great rally of the people on 19th. Aycock, Bellamy, McLean, Wall and Livingston all spoke, and they were democratic speeches for white folks and by white men. There was not a negro hair nor the slightest odor of negro in the whole discussion.

Lieutenant Shipp carried with him always a fountain pen. During a lull in the last battle, just before he was killed, he sat down and wrote a postcard to his beloved wife.
