ing his visit to Jerusalem was greatly struck by the many French dags flying and remarked "France has a great many buildings here, but there is room for others.

It transpires that an exterordinary

incident occurred when the emperor left Constantinople. The sultan was i returning from bidding farewell to his guests when a man rushed through the escort and placed a large linen bundle. in the carriage at the sultan's feet. Prince Abdel Kader, the second son of the sultan, who was with the latter in the enringe, jumped to his feet and shouted: They are going to murder my father!" There was a scene of intense exchement until an aide-de-camp snatched the bundle out of the carriage and found that, instead of explosives, it contained a baby. The man who placed the bundle in the carriage was arrested. He declared he was a poor ficial, that he had not received any salary for menths and that he was on the verge of starvation and threw the child into the carriage in order to draw the sultan's axtention to his condition. The sultan on thearing of the man's story ordered his salary to be paid. Whether it is salely or partially due Fourth New Jersey left today for the

POSITIVE INSTRUCTIONS

For Our Peace Commission as to the Philipines-Spain's Effort to Retain

Washington November 12 - The cabinet held a special session tonight at which instructions, understood to be of a positive character bearing on the Philippine question, were drafted for dispatch to the American commissioners in Paris, these instructions to aid civil authorities in restoring were the outcome of the conference held early in the day, and instruct the American representatives to admit of no further discussion as to the right to consider the disposition of the islands, and state that on the point the instructions already sent must stand, the only matter for discussion from the American view being the manner of giving over the islands.

Paris, November 12 -It is now believed that the next meeting of the peace commissioners may be postponed until Tuesday through no definite decision has been arrived at on the

The Spanish commissioners are still busily engaged in the preparation of the documents which they will submit Attempy General Griggs had another at the next session of the commissions and it is understood that their presentation will cover matters which render their careful preparation unusually important.

Some of the original , papers, and ably not arrive here until too late on Monday to permit of a meeting that day which, of course, would necessi-

of the commission until Tuesday. Spain has held and may still insist that she effectual reserved her Philippine sovereignty from discussion or disturbance by the United States in a note from Duke Almodovar de Rio, the Spanish minister of foreign affairs, to retary of sta e, dated Madrid, on August 7th. It is by this message that Spain presumably accepted the terms of peace which, at Spain's request had been set forth by President McKinley July 30th. And it is by this message of Duke Almodovar de Rio and by the response of Secretary Day that Spain seek to prome to the United States peace commission and to the tribunal of nations that Spain's sovereignty over the Philippine islands, was reserved from any discussion here and without protests from the United States.

Foot Ball

Princeton, N. J., November 12.-The Princeton Tigers defeated the Sons of that Enniss' action was 'inspired by Eli on Brokaw field this afternoon by a score of 6 to 0. While it was one of the most bitterly contested games ever witnessed on a football field, it was at the same time one of the most unsatisfactors, not alone to the Yale team and their supporters but also to the wearers of the orange and black and those who cheered them on to victory. The solitary touchdown was made on a miserable fumble by right half back Berjamin when the ball was within fifteen yards of the Princeton's

RACE CONFLICTS

In the Carolinas Again Discussed by Federal Officials at Washington.

PRESIDENT WILL NOT INTERFERE

In the Greenwood Affair as Federal Authority has not Been Interfered with---Official Information Sought Ly the Attorney General. Commander Craven Ordered to Take Charge of the Maria

Teresa ... A Special Cabinet Mee ing ... Report of the Porto Rican Commission Discussed .-- South Carolina Republicans at Washington

ng the unlooked for event of the race rioting in the Carolinas, it is althgether improbable that the government will interfere by force or otherwisconference with the president this morning in regard to the matter and he conclusion was promptly treached that, as the demonstrations were no directed against the collector of tease toms in the performance of his duties transcript necessary for the next toms in the performance of ms dueses presentation of Spain's case will problem such, the government had no authority under the constitution or laws to exercise its federal authority, Collector Tolbert was shot while away Fear railway and also for threatening tate the postponement of the meeting from his home and on business entire-

ly disconnected from that of his office. and under these circumstances the shadow of a right to interfere. If the ollector had been shot in the discharge f his official duties, and in an effort States the case would have been very. different, and the duty of the givernment would have been clear. In the present case, however, it is said that he lawless acts of the mob were not directed against the execution of the laws of the United States, but against the individual. The case would have been the same had Tolbert been shot on the highway by a robber. Administration officials have no sympathy with the Carolina rioters and regard their acts with abhorrence, but up a this time: It is said, there is no evilence that would warrant any interference by the government. The attorney general late last night

sent the following telegram to the assistant United States attorney at Anderson, near Phoenix, S. C.

"Department of Justice "Washington, D. C., November 11, Ernest Cochran, Anderson, S. C. "You will at, once take energetic steps, incurring the necessary expense, to ascertain the exact situation in Greenwood and adjacent counties, and report the same immediately by wire to me, with a view of advising me whether any such condition of insurrection or disturbance exists as justifies the federal authorities in interfer-

ing to suppress it. JOHN W. GRIGGS. ."Attorney General."

To the above the following response has been received: 'Anderson, S. C., November 11. "The Attorney General, Washington: "My information is that there was much rioting near Greenwood at Phoenix Tuesday and Wednesday. Several negroes killed and wounded. One white man killed and several wounded Thursday there was also some rioting, but condition quieter. My information University of Cincinnati 57; Ohio is it is quiet there now, though the community is very much excited. From all information I have. I think Lederal intervention too late now. It seems the mobs were especially anxious to get the Tolberts, and I am informed that they are now all safely out o their reach. Intense excitement still prevails there, but no violence now

> ERNEST W. COCHRAN. "Assistant U. S. Attorney." TO TAKE CHARGE OF THE MARIA

The situation in the Carolinas was ferr d to, only incidentally, the atorne; general making the statement hat so evidence had yet reached him which would warrant the federal government in interfering.

DISCUSSING THE PHOENIX RIOTS Pos master General Emory Smith today had a call from the delegation of South Carolina republicans who are in the city to lay before the department of justice the facts in the case of recent election rioting at Phoenix. in that state. They included R. R. Tolbert, the republican candidate, whose brother and father were both wounded; National Committeeman E. H. Deas, one of the colored leaders. The object of the call simply was to talk over the matter of recommendations for appoint nents to postoffices vacant and about to become so. Incidentally the matter of the late riots was discussed, but the department of justice say there is no hing for them to do, as the question a entirely in the hands of the atthrn y general. One feature of the riots was the driving away of the deputy pastmaster at McCormick which lent an additional feature of interest to the recital of the story of the delegation to the postal officials. &

ST FFERS FOR MANLEY'S SINS

A Negro Supposed to be Manly Beaten by Party of Indignant Men in Nor-

No folk. Va., November 12.-A negro, giving the name of George W. Brown, who arrived here today from Wil-, mington, N. C., via New Bern and Elizabeth City, was attacked and badly beaten in the postoffice this afternoon by several young men, who, it is said, took him to be Manly, the negro editor, who was driven out of Wilmington Thursday. A special officer went to the negro's rescue. The patrol, wages was dispatched to the scene and Brown was carried to police headquarters for safe keeping. He claims New York as his home; and will be sent there tonight. Brown says that he came to Norfolk today on the same trains with the assistant chief of police, a justice of the peace and another white man who were compelled to leaved Wilmington.

It has stated today that Manly was in Nerfolk, but the police department made an investigation and found this to be untrue. He is said to be in Asbury Park, N. J.,

Schley to Command the Eastern Squadron

Washington, November 12.-Admiral Schle'i having asked again for sea service has been promised the command of the eastern squadron which will bere-established in a short time with some of the finest cruisers in the navy to exhibit the American flag creditably to the European nations.
