btful story of crime and villaimy than those figures show. What must be the true character of an alleged civilization that brings forth such bitter fruit as that? Look at Texas. Over 1,000 men killed in one year. North Carolina shows up wrechedly with its 285 of homicides. Well may the Houston (Texas) Post say in surveying the above

record of most cruel crime: "This is worse than the slaughter in the Philippines, shocking as that is and . as greatly agitated as the nation is about the human sacrifices over in those islands. And yet what national or party movement is seen or heard of in this country to put an end to this home slaughter?
